Editorial

Yo maniacs, it's out how you can see: The first real issue (although it's already the third!) of MORTUARY MAGAZINE!!!! I think it's cool, but I'm not absolutely satisfied with all!!!! Things that I'm not satisfied is the mega-bad English (sometimes better than in other zines!), the design, reviews and interviews (almost the same written stuff), my typewriting (without any humour!!!), and all the other stupid errors!!! But I hope all that will change with my 2nd real (although the 4th!) issue!!!! Good things in this issue is the lay-out, drawings, photos and of course the great off-set printing!!!! A lot of people liked my 2nd issue very much, but I think it was one of the biggest shit stuff that I've done so far, really!!!! It was sold with more than 300 copies, and I think that was fantastic for a sooo stupid issue!!!! My next issue will be totally different from all the other issues, much more sicker and original with interviews, reviews, typewriting, lay-out, design, printing, English, etc and a lot of other new and interesting stuff! But it won't be something like ISTEEN MAG or MORBID MAG (and will hopefully never be!!!), it will be include much more underground stuff! I really hope you don't take this issue here too serious, because I had (and have) a lot of trouble with the school (which takes the most of my time) and in the family!!!! Also you should think about it, that an magazine takes a lot of his own time, work and money (and I don't have enough of all this stuff!) so I say it again: DON'T TAKE THIS ISSUE TOO SERIOUS!!!!!! But a new year have began and all will be better (I hope)!!!! I don't know if and when there's coming my 2nd (4th) real issue, but maybe when the edition of this issue is sold out (1500)! For more info check out one of the last pages, OK!!!

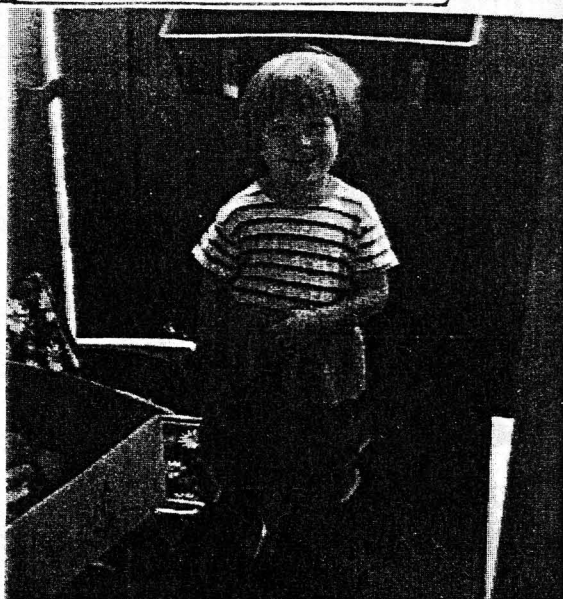

At the moment I really hate the death metal scene, it's too commercial growing up! I'm into this music since 1988 (Or maybe '87, I can't remember!) and at that time most people really hate death metal and talked shit about it, and now the same people jump on the death metal train to make money and stuff like that, that sucks!!!! Most of them only hear the bigger bands like SEPULTURA, MORBID ANGEL, OBITUARY, ENTOMBED, etc and think they hear death metal, but all that isn't real death metal anymore, only a big trend!!!! A totally true scene at the moment is the black metal scene (look at BLASPHEMY, SAMUEL, MAYHEM, AUTOPSY, TORMENT, BEHERIT, etc) and most of these guys are really nice and true dudes!!!! But of course it still give true and original death metal bands like CARCASS, DISMEMBER, PARADISE LOST, GOREFEST, REPULSION, MY DYING BRIDE, DEMIGOD, IMMOLATION, TRAUMATIC, DARK TRANQUILITY, AUTOPSY, etc, which will hopefully stay there a long time!!!! I absolutely hate it when unoriginal young bands bring out only a demo or a rehearsal and get signed short after that, and that destroys the scene!!!! But that's not the only problem, they also only think about the money and don't stay behind their doing!!!! Bands really should ask themselves why they play in a death metal band, for a special meaning or for the money??? It isn't wrong to make money, but it's wrong to only think about it and not stay behind the music and meanings!!!! At the moment there's too much big labels and magazines who pushes some bands too high, that isn't good for the scene, I think!!!! It really should be give more real and true magazines and labels in the underground! Yo guys, I'll end up here with that theme, all that is only my opinion and who interests all that shit???

All cool bands, labels, zines and comp. tapes can send me their stuff for guaranteed review! Drawers and distributors are needed! All other cool dudes can write and ask me about my other projects (PUT REFACTION TOTAL DISTRIBUTION, SLAUGHTER RECORDS)! What more shit could I write here? I guess nothing enough shit taking now!!!! BE OPEN MINDED, SUPPORT THE UNDERGROUND AND STAY EXTREME DUDE!!!

Yeaahhh, here is an interview with the Godz of extreme and original Death Metals, CARCASS!!! I don't know why, but their stule of playing music is sooo fucking great, it's my all time fave band!!! Most guys think they've wimped out with their new LP, but that's wrong! They only have now better and clearer produced and they play not that fast parts anymore!!! Anyway, here I've interviewed Bill, their guitarist and Vocalist!!! Hopefully they're coming soon on Europe tour and soon after that on US Tour! I've really wondered about some answers on the following interview that Bill gave, so READ ON!!!!!!!

HAVE YOU ALREADY EATEN A FRESH CORPSE TO BREAKFAST???

-No!

TELL ME MORE ABOUT YOUR NEW ALBUM:

-It features 8 tracks and is entitled "Necrotism: Descanting the Insalubrious". Needless to say, it utterly destroys "Symphonies...". The playing is far more aggressive, the production is infinitely better and of course the songs themselves are in a different league.

WHAT WILL BE ON THE COVER? AGAIN LIKE THE 2 OTHER ONES???

-We decided a long time ago that we would not repeat the collage ideas that we had used on the previous albums. There wasn't much more we could do with that theme.

ARE YOU SATISFIED WITH YOUR LAST LP? DID IT SELL WELL ENOUGH???

-"Symphonies..." is very old now, so it's not representative or satisfactory in any way. The sells have been good, considering the total lack of promotion and the distribution problems.

DO YOU LIKE CORPSES FULL OF MACCOIS???

-Not particularly.

ARE YOU STILL SATISFIED WITH FARACHE RECORDS???

-Not at all, but then I can't think of many bands who are genuinely content with their label. There is always a clash of interests to some extent.

I SAY NAPALM DEATH???

----- (no answer????????-EDD)

DO YOU HAVE ANY HOBBYS?

-Nothing special. Everyone in the band tends to do fairly "normal" things in their spare time.

YOUR FAVE BANDS, MAGS AND MOVIES:

-Each person in the band has his personal favourites. I currently enjoy BACH, THE SMITHEREENS, RICHARD THOMPSON, BEETHOVEN, SCRITTI POLITTI, THIN LIZZY, WEBBERN, MICHAEL SCHENKER GROUP, DEPECHE MODE, QUEENSY/CHE, STRAVINSKY, KATE BUSH, KING DIAMOND, ALLAN HOLDSWORTH, TYGERS OF PAN TANG (81/82), HINDENBURG, JUDAS PRIEST, CHER, TRIBAL TACH, WAGNER, VICIOUS RUMORS, JONI MITCHELL, early VAN HALEN, BRAHMS, ADOLSCENTS, JAG PANZER and countless others. I don't read many mags seriously, not do I watch films frequently, although "Rear window", "Psycho", "Narcotism" and the "The graduate" are among those I've enjoyed most.

TELL ME A BRUTAL SPLATTER STORY:

-All I can suggest is that you try and read a book like "Deviant", "Zodiac" or "Two of a kind" if that kind of thing interests you.

DO YOU GOT MUCH NAIL THIS WEEK?

-Not that much actually, just a couple of handfuls!

HOW CAME MICHAEL AVOID FROM "CARNAGE" (RIP) TO "CARCASS"?

-We wanted a 2nd guitarist and Mike was the only person we could think of who would fit in with us musically and personally, so we asked him to join.

YOUR LINE UP AND AGES:

-Jeff (22) -bass/Vocals, Ken (21) -drums, Mike (22) -guitar, Bill (21) -guitar/Vocals.

DO YOU LIKE FORNO FILMS???

-No, personally.

FUTURE PLANS:

-At present we're just waiting for our contract to be finalised so that the 3rd LP will be ready for release in early November. After that, we hope to tour Europe and America as extensively as possible then begin work on a 4th album when we feel the time is right.

BENEDICTION

Here we have BENEDICTION from England which have released 2 albums so far!!!!Both are very great doom/death killers!!!!When this is written, they should be on big Tour with BOLT THROWER and ASHYX! Read the interview that I've done with Darren:

ARE YOU SATISFIED WITH "THE GRAND LEVELLER"?

-I don't think you can be totally satisfied with your own recording. There is always going to be little areas you are a little unhappy about, but on the whole I think it's turned out pretty well. I mean you can actually hear the guitars on this lp. The material and the production is a lot better than "Subconscious terror". Everything about BENEDICTION is a lot more professional and better planned.

HOW DID YOU FIND DAVE?

-Dave was one of the many guys who auditioned for the vacancy created by Barney. He was probably the only one who had anywhere near the vocal strenght, the ability to write lyrics and also the strenght of character needed to do the job. He's also turned out to be one of the boys, he likes to meet people, to socialize, to party and to me is totally involved in the bands running. A level headed guy who's easy to work with! What more did we need?

HOW WAS THE LAST TOUR?

-Oh, the tour was great, 12 countries, 30 gigs, 35 days on the road, our own full size Tour bus, a quiet but a friendly support act, it was great. It was real successful too which is a surprise when you look at the INCUBUS Tour and the fact that we were completing with MORBID ANGEL and SEPULTURA for much of the time. We have been asked to return by a few Venues (late Sept.) in Austria, Germany and Holland just for a few dates, I can't wait.

HOW MUCH COPIES HAVE YOU FROM YOUR DEBUT LP SOLD? DO YOU KNOW IT?

-No, not really. I haven't reviewed a statement in a long while. Last I heard was around 15000 at the end 1990/begin 1991, considering the production and the whole approach to the LP was shit that's great.

HOW LONG IS YOUR DICK???

-Well, I was asked in a recent interview if I would like to have a 12" dick, but I'm not cutting 4" off for anyone.

I say PARADISE LOST???

-PARADISE LOST are f**kin' ace. Good friends of ours. I love their new LP. It must have taken a lot of guts to do that LP, good one Nick.

WHEN WILL YOU COME AGAIN ON TOUR?

-After these days in September we return for a full Tour in Jan/Feb. (7 weeks) with BOLT THROWER.

YOUR FAVE BANDS, MAGS AND MOVIES:

-RUSH, CARDIACS, INFERNAL MAJESTY, IMMOLATION, ALICE COOPER, SLAYER, IMPALER, TERRORIZER, . Any mag that features the underground, all zines. I don't watch many films.

WHAT DO YOU THINK ABOUT MAGAZINES?

-As I say, you could write on toilet paper, as long as it gives the underground a chance, I like 'em all.

WHAT DO YOU THINK ABOUT YOUR DEBUT LP?

-Dismiss "Subconscious terror" as our demo, class! "The Grand leveller" as our first album, the difference will surprize a few people.

ANY PLANS FOR THE FUTURE:

-When we get home after the European Tour this month we begin writing for a 12" in December. We tour with BOLT THROWER in Jan/Feb. Then we write material for LP#3 released next year and hopefully go to USA at the end of next year.

LAST COMMENT:

-Cheers to you for the interview, to all who have supported us in the past and to everyone involved in the underground scene. See you in January!!!

FURBOWL

Well, here we have again a band from Sweden, but not that typical Swedish Death Sound!! This band band plays very strange style of Death Metal!!! The band have only two members!!! One of them played also in CARNAGE(RTP)!!! Maybe they're going to release 12" EP out on OPTIONATE! RECORDS in Sweden!!! It's absolutely great band, so please write them and order their demo "The nightfall of your heart"!!! I interviewed Johnny here:

TELL ME READERS MORE ABOUT "FURBOWL":

-Well, Max (Drums) and myself (Guitar & Vocals) wanted to do something radical with our everyday life, so when DEVOURMENT broke up we got the idea of starting our own band. This was in February '91 when FURBOWL saw the light of day. Later we recorded our very first demo in May '91 and released it and now we're working on some new material to put on our debut vinyl, a 12" on OPTIONATE! RECORDS, Sweden. Watch out for that one!

HOW DO YOU FEEL TODAY?

-I'm fine, a little tired, but that's no big deal I guess...

WHAT WAS GOING ON WITH "CARNAGE"?

-A long story. I had to leave the band just before the album was recorded, then Michael joined CARCASS and after all this DISMEMBER re-formed for some reason I don't know.

HAVE YOU SOLD MUCH PIECES OF THE DEBUT LP FROM CARNAGE?

-Yeah, I suppose it's selling good, but I'm not sure if they're doing big bucks really.

TELL ME A GORE STORY:

-Nah, I'm not good in telling so called gore-stories, sorry.

YOUR LINE-UP AND AGES:

-FURBOWL is a two-piece band and consists of Max (21) - Drums and Johan (21) - Guitar and Vox.

I say BLASPHEM???

-Haven't heard that much from this band, think they're some kinda Black Metal band from Canada.

FURBOWL

Johan Axelsson
Nydalavägen 42 A
S-352 48 Växjö
Sweden

DO YOU HAVE WRITTEN NEW MATERIAL?

-Yes, but just one and that one is a little bit different to our previous material, much more technical and varying, still with that FURBOWL touch though.

DO YOU HAVE PLANS TO PLAY LIVE?

No, not really. As it's more or less impossible to do something decent live with only guitar and drums we've chosen not to do any gigs as we don't have at least one more member in the band.

NEXT RELEASE:

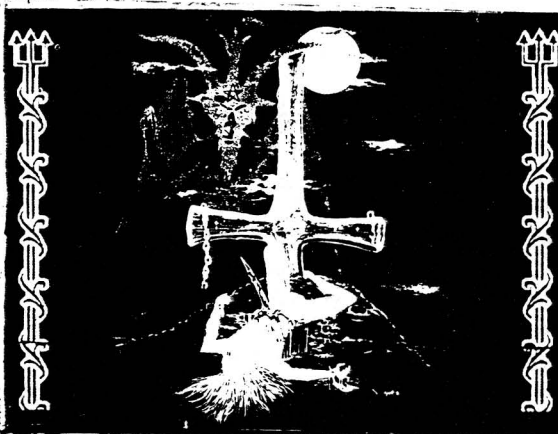

-Hopefully, if all goes well, this 12" will be our next release, but nothing is decided yet, we'll just have to wait and see.

FUTURE PLANS:

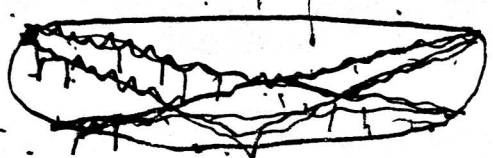

-We don't have any certain plans for the future, we just take every day as it comes and see what turns up.

LAST WORDS:

-To end up this interview with I'd like to express my gratitude to you for your much appreciated support! To all those of you haven't yet heard FURBOWL, get our 1st demo "The nightfall of your heart" (\$4 in Europe and \$5 Elsewhere!) Check it out! Black is beautiful!!!

MEGA-SLAUGHTER

MEGA-SLAUGHTER are hailing from the land of Death Metal, of course: Sweden! And like always they're playing very great Death Metal!! They have released a demo called "Death remains" and a very fantastic LP called "Calls from the beyond"!!! I wanted to do an interview with them in my 2nd issue, but Kenneth didn't answer my questions and he also wrote never back so I wrote to Emil, so here's the interview!!! They have now released a 2nd demo with 3 new Death Metal killers, but I think the tracks on the LP were a bit better, but who cares??? Read the interview that I've made with Emil their guitarist and also Vocalist:

MEGA-SLAUGHTER

Katjas G.147

Sweden

DO YOU LIKE TO ANSWER INTERVIEWS?

-I love interviews, and I love to get letters it's a good way to get new friends all over the world.

WHAT DO YOU HEAR AT THE MOMENT?

-I have just listen to METALLICA's new one, and now I listen to CANNIBAL CORPSE-also their new one, fucking god piece.

HOW CAME YOU TO THE RECORD-DEAL?

-Well, we send out our 1st demo "Death remains" to different companies, and THRASH RECORDS thought it was very good, so they wanted to release a LP with us, so here we are.

HAVE YOU SOLD MUCH COPIES OF THE LP?

-Ooohh shit, did you have an answer on that question? (Why? I ask you, Emil! -ED) Pat at THRASH RECORDS says that the distributor don't wanna buy our LP, because we aren't well know, but I think that those who have bought it, are satisfied with our music, am I wrong? (No, of course not!!! I think your LP is totally great, one of the best Swedish LP's, really!!!! -ED)

HAVE YOU EVER PLAYED LIVE?

-Yes, we have played live a lot! With groups like GROTESQUE (RIP), AT THE GATES, CABAL, INTOXICATE, THERION (godz) and more we should played with BOLT THROWER, ENTOMBED, NAPALM DEATH, and VENOM but all those concerts never went off.

DO YOU LIKE ROTTEN DICKS???

-Ooohh, you are asking me another pervert question, well, I really don't like rotten dicks, but I love mutilated skin and really bloody limbs.

DO YOU HAVE SOME NEW SONGS?

-That question I won't answer before my lawyer agrees....OK, he agrees that I should answer this wierd question, yes, we have 3 new songs that will be released on our new demo. Are you satisfied now, you pervert editor? (No, not really you stinky dogfucker, hahahaha, no seriously! Of course this answer satisfactory me-ED)

I say WOULD MAG???

-No, no, no, stop this insane questions, WOULD MAG, Oh, well I think of the little sweet and lovely Perra, Oh, he is so nice guy, I think I am in love! (Hey, Emil!!! Sorry, but are you maybe a gay-man???) I hope not so!!! -ED) (Vill du ha ett fikon Perra???) , no, but I think WOULD MAG is one of the best mags that has ever been done! (Efter 315 Köttbullar gau han slutligen upp)!!!!!! -ED)

ARE YOU INTO SATANISM???

-Praise hail Satan, oohh praise hail Satan!! What the Hell I'm writing, of course not, I'm not one of those disgusting animals! OK, now I shall answer seriously, no I'm not into Satanism, but I think it's very interesting, if I should choose the God way or Satans way, I would choose Satans way.

PLANS FOR THE FUTURE:

-Hopefully to play outside of Sweden, if anyone can help us, please write to me, if everything goes well, we'll play in Belgium soon.

LAST WORDS BEFORE KILLING:

-Thanks for this pervert interview! Buy our LP or order it from THRASH REC.!! Look out for our new demo, Thanks for all those who keeps the underground alive!!!

PLEASE TELL ME SOMETHING ABOUT YOUR BAND-HISTORY:

-Me and Tom formed RIGOR MORTIS. Later broke up and formed another band, IMMOLATION. Then we put 2 demos out and later in 1990 we signed to ROADRUNNER.

HOW DO YOU FEEL BEFORE YOUR 1ST GIG OF YOUR TOUR???

-We feel free!!!

HOW CAME IT, THAT YOU PLAY WITH MORGOTH AND MASSACRE? WHY NOT DEVASTION?

-Well, some reasons with DEVASTION. They could not make it or don't wanna do it, we don't know???

WHAT HAVE CHANGED FROM YOUR 2 DEMOS TO YOUR DEBUT LP "DAWN OF POSSESSION"?

-Hm, we don't like the production in 1989 all in all, really highly and treily! The guitars are really weak, so we took a chance to go to Germany to Berlin to record in the Musiclaab, so we get some different, some heavier kind of sound. So I'd say the difference is that's a few difference! I mean the music it's a lot tighter, because we got a new drummer. Hm, the newer songs are much more progressiv than the older stuff, more completly songs on the album. Is 5 old demo songs and another older song.

YOUR FAVE MAGS, BANDS AND MOVIES:

-Bands: GOREAPHOBIA, INCANTATION, MORBID ANGEL, many bands!! Mags: PEARDROP, DIVUS (SLAYER-ED) SLAYER? Yeah, SLAYER is alright! All zines that help! Even a little one fanzine help, that's why we can appear here! That's also why we got signed! Fave movies: Exorcist, Cryptors, Silence of the lamb, Naked Gun, etc!!!

DO YOU GET MUCH MAIL?

-Hah! Yeah, a lot!! Mail from the hell!!!!

I say CARCASS???

-CARCASS are cool!! We like CARCASS a lot!! (Yeah, like me!! I think Godliest band on earth!!!! -ED)

HOW OLD ARE YOUR LEFT SOCKS???

-(laughing) That's pretty fucking hole! About 3 years, 5 days, since I left New York!!!

DON'T YOU HAVE ANY SHOES, BOB???

-No, first again after finish this Tour, because then I have money to buy some!! (laughing)

NEXT RELEASE:

-The end of 1992 the 2nd lp. We haven't write yet some new material!

PLANS FOR THE FUTURE:

-Keep on rocking!!! Hopefully we got back to the states and write new shit!!!

LAST WORDS:

-Thanx, really!! Really cool interview!!!

MOULD MAG isn't a band or something like that, it's a magazine coming from Sweden which features Death/Thrash stuff!!! It isn't that professional like ISTEEN or the ultimate SLAYER MAG, it's a real nice looking underground zine!!! If you read this, Perra's 3rd issue should be out! I only say: SUPPORT THE UNDERGROUND!!!

HI PERRA, HOW'S LIFE GOING?

-Well Christian, just now it's quite hard to live, because of all the mail!!! But don't worry writers, I'm not a ripp-off!!! All of you will get answers, be sure!!! And in the other hand, I'm working pretty heavy on my issue 3, which is set to be released in December this year (92)!!! I also do a lot of tape trading these days, it takes a lot of my time. But when all this is said, I better stop here and go to question Nr. 2...

TELL MY READERS SOMETHING ABOUT "MOULD MAG":

-OK, MOULD MAG was started in early 1990. After I read the zine CRIMINAL TENDENCIES (Made by Micke Uimonen) and I began to get pretty interested about the whole thing! Said and done, I began to write to a lot of bands, mostly Swedish (like ATROCIOUS REEK, NECROPHOBIC, CREMATORY, ENTOMBED, GRAVE, AFFLICTED CONVULSION, and so on) But the first band I ever interviewed for MOULD MAG was NECROPHOBIC. (Read the awful interview in issue 1, Ujagga!) About the printing, Nr. 1 was pressed up in 100 copies and Nr. 2 in 150 copies. Don't worry, they are all sold out now! But Nr. 3 I will press in for about 300 copies, I hope. GOD, this is underground, only the ugly shall read!!! (Vo, I really should read it, I'm so ugly dude, hahahaha...-ED)

WHAT WAS YOUR INFLUENCE FOR IT?

As I just told you, CRIMINAL TENDENCIES ZINE was my biggest influence for starting a mag. And I also get pretty influenced by PUTREFACTION ZINE Nr. 2, when that one hit my mailbox!! (And MEGA MAG 2, as well!!!). These days I don't actually get influenced by any zines or mags, I try to make a different one. I also try to make good and interesting interviews, reviews, articles too, it's quite difficult. But I do my best, I hope everybody understand that!!!

WHAT DO YOU THINK ABOUT DEATH METAL TODAY???

-Sometimes it's feeling soooo boring, because of all the ripp-offers. I mean, it's stealing riffs and sounds from other death bands! This isn't funny to listen at, I think. And in Sweden, there's a lot of ENTOMBED sounding bands these days. That's so sad, because they're all sounding the same!!! So I say: Be as original as possible, try to do something different!!! And of course, STAY OPEN MINDED-NOT NARROW MINDED!!!!!!

WHAT'S YOUR OPINION ABOUT SKINHEADS???

-I don't like Nazi-Skins, but all other are OK. They are different, that's good!!!

YOUR FAVE BANDS, MAGS AND CARS:

-About bands, I would say: PSYCHOTIC WALTZ, MEGA-SLAUGHTER, NAKED CITY, ENTOMBED, MOONCALF, OBITUARY, DEPECHE MODE, MASSACRE, DETICIDE, MY DYING BRIDE, KLF, MORBID ANGEL, ATHEIST, DISMEMBER, DEATH, METALLICA, HELLBASTARD, ROXETTE, PLUTOCRACY, BAPHOMET, ROTTREVORE, PET SHOP BOYS, SEANCE, INCARNIS, SYRON VANES, MALEVOLENT CREATION, DEMOLITION HAMMER, and maybe a few more. And for zines, well, I don't actually have any fave zines!!! But some I like is: MEGA MAG, PUTREFACTION, FENZINE, SLAYER, MORBID, BLACKTHORN (RTP), FEEDBACK, I.H.D.M., HYMEN, CLOSE-UP, READ ALL ABOUT IT, MORTUARY, SACROFORMITY, FLOTTE, GLITS MAG, VARFÖR ÄTA ÄLGAR?? ZINE, CRIMINAL TENDENCIES. All this zines are OK in my eyes!!! And cars, humhhh... Well, I think Mercedes is one helluva cars.

WHAT ARE YOU DOING IN YOUR SPARE TIME?

-Actually, I'm the drummer of the Swedish band SUFFER. Who takes even more of my time than the zine do. We have 2 demos out, "Cemetery Inhabitants" and "Manifestation of God", which are both available for \$5 at my address! We are planning a small Swedish tour during

DO YOU MAKE MONEY WITH "MOULD MAG"???

-Hey man, of course NOT!!!! I'm not into this shit to make profit, I hope that all deathsters out there already knew that. My zine is not some kinda METAL HAMMER, who only writes about the big bands, and then only thinking about to make moneys... THIS IS UNDERGROUND!!

MORTUARY MAGAZINE

this autumn, going through cities like:
Stockholm, Sandviken, Gothenburg, Örebro, Äl-
ngnäs, Uppsala and a few more!!! In December
we'll probably have a 7" ep out, entitled:
"On saure ground". For more information on my
band write me!!! I'm also in school (Tullängs-
skolan) and I like to play pinball, minigolf
and some other games. Sometimes even NINTENDO
rules, but that's not too often! (Oh I forgot
to tell you the line-up of my band SUFFER:
Jockim Öman-Guitar/Vocals, Patrick Andersson
Bass, Ronny Eide (The morbid Ripp-Off-ED) one)
Lead guitar, and me (Perra) on drums.

I say MEGA-SLAUGHTER???

-And I say GODLY!!! Pure death metal music hail-
ing from Gothenburg (Sweden). They're all good
friends of mine, and of course I support 'em till
death. I'm absolutely their biggest fan, no doubt!!
And if you, out there, has missed their debut LP
"Calls from the beyond" buy it now before it's
too late, I hope it's available from THRASH RECORDS!
Please write, they are one of the best death bands
on earth... believe me!!!! (Please read also the
interview with them here in this issue anywhere
they're very great!!! -ED)

IS THERE ANY MESSAGE BEHIND YOUR MAGAZINE?

-Well, I think so. I try to learn the pigheads
something about underground, this goes for
the narraminded hippo-hoppers, Punks, etc, etc!
And then I try to tell people how GODLY
this music are actually, but also how bad it
can be. I don't know if you got the point??!
(I think so! But I know a lot of people who
think they have the point and have absolutely
no know about the underground, that sucks,
I think!!! -ED)

ARE YOU INTO PORNS???

-Yo dude!!!! Yes, some of the movies and zines
are great, but I also think that it's a lot of
shit on the market too, if you don't know it.
My nickname is 'the great Playboy' (let's true,
believe me!). I don't know why I'm called it??
It was Ronny (MORBID (Asshole-ED) MAG) who said it
first, so please ask him about it if you have
the chance sometime. (Yo, I would, but Ronny that
stupid asshole don't reply, maybe just another
fucking ripp-off (??? -ED).

I say PUTREFACTION ZINE???

-And I say GREAT! Probably one of the best
Death metal zines around, I think. I dig Nr. 5
best, I don't know why? Maybe because it's a lot
of godly bands including!!! I really looking
forward to all the future issues, and by the
way, Hi Tomas, you're a great penfriend! And ple-
ase, all true deathbands write to him. (Adress
of this guy elsewhere in this issue!!! -ED)
SUPPORT THE TRUE SCENE!!!!!!

ASK ME SOMETHING:

-OK Anti-Christian!!! Do you enjoy MOULD MAG?
-Yeah of course I enjoy your cool made mag,
Perra!!! If I wouldn't, then I haven't done
any interview with you!!! But I really think
that your 3rd issue will be even better than
your 2nd one!!!

FUTURE PLANS:

To release the 3rd issue of MOULD MAG! A lot of
bands are already ready, I can tell you: HELL-
BASTARD, TEMPERANCE (I hate them!!) (Why that? -ED)
NOCTURNUS, VITAL REMAINS, MORTICIAN, INVERTED,
BAPHOMET, MISANTHROPE, LUBRICANT, INZOCATOR, NEC-
ROMY (I hope!!!), CONVULSE, MOULD IN HELL RECORDS
(OK, that wasn't a band), UNLEASHED, STINDROME, and
many more!!! This time I also have some differ-
ent things in the zine, like Gore movie reviews.
But also, I have the same old demo, LP, 7" re-
views and articles. A lot of underground reading,
I promise!! Please write to me if you want a
copy, enclose \$4 and I'll send you Nr. 3 when it's

EARTH!!!

FINALLY I got the answers to my questions from this fucking cool band, it's TIAMAT from Sweden. Johan haven't send back my questions, so I can't remind me what I've asked. Sad that the tour with PARADISE LOST in Europe was canceled, but anyway, here's the very short interview with Johan:

ARE YOU SATISFIED WITH "The astral sleep"?

-Not 100%, but it's OK...

TELL ME MORE ABOUT THIS LP, WHAT STUFF HAVE CHANGED:

-We progressed, matured, changed members, recorded in a better studio, we used a keyboard player, etc, etc.

WHAT HAPPENED WITH THE CANCELLED TOUR?

-The singer in PARADISE LOST had got an infection in his throat. I really hope that we shall be on tour sometime in the future! It isn't the first time a tour is cancelled for us!!!

HOW DO YOU DISCRIBE YOUR STRANGE MUSIC STYLE?

-I guess it's some kind of heavy metal with some death metal ideas in it, black metal? I don't know... Heavy/black/death metal or something, what do you think? (I just think it's very dark and cool heavy metal with great vocals!!! -ED)

ARE YOU INTO SATANISM???

-Well, "into" isn't the right word. I believe in the occult and I'm interested in Satanism, but satanism is described in lots of different books, so I cannot really identify myself with that word.

DON'T YOU THINK YOUR COVER ARTWORK IS A BIT COMMERCIAL AND TOO PROFESSIONEL???

-Well, it is, but I like it. The printing is brilliant and the lay-out is pretty killer, too. Everything fits our music and style. Too bad about all those spelling mistakes and such!

I SAY "MORTUARY MAGAZINE"??????

-Yeah, you certainly do! Great zine, faithful guy!

YOUR INFLUENCES FOR YOUR MUSIC:

Everything around us but especially all killer bands we are listening to! Mostly stuff like MERCYFUL FATE, QUEENSRYCHE, BLACK SABBATH, POSSESSED, ANGELWITCH, SLAYER and 10000 more...

I'm still alive: SHIT!!! Blood all over the sky, I try to die, Brutal Promotion!!! (Yo, that's pretty one!!! -ED)

DO YOU HAVE SOME NEW SONGS? WHAT WILL HAPPEN WITH THEM???

-Yes, we almost have got five new songs. In my opinion better than the old ones. Four of them will be released on our 2 EP's!!!

HOW MUCH COPIES OF YOUR DEMO DID YOU LEFT?

-We've sold almost 400 copies till now. I'm satisfied!!!

KRABATHOR, PO BOX 9, 68751 Nimice, C.S.F.R. NOTE: 2

DARK TRANQUILLITY-Trail of Life, decaved '91
-This band is also from Sweden, but no Swedish Death Metal sound, NO! They're playing totally great Death/Grind/Thrash Metal!!! Theyself call their style aggressive, fast and melodic Death Metal, and that's true!!! I think it's one of the very best bands coming from this country, really!!! You also can read an interview with them in this issue!!! **WATCH OUT FOR THIS KILLER BAND!!!** Anders Jivarp, Valebergsvägen 149, S-427 37 Billdal, Sweden. NOTE: 1+

-Hmm, how could I begin this review here? I don't know??? This tape here I got from this Swedish band here, which is playing very well Death/Thrash with a lot of cool Speed parts!!! But there's often the same problem with the bands, the Vocals!! The Vocalist of this band is really shitty, I hate these 33 Vocals!!! The demo includes 6 tracks in good production and is good made, so you should check them out!! I hope the Vocals will be next time a bit others as like as on this demo!!!! At the moment I don't know the price of the tape, but I think \$5 are doing it at: Magnus Barthelson, Norrsundastrand 22, S-194 51 Upplands Väsby, Sweden. NOTE: 2-

NOTE: 2-

AGONIZED-Gods...demo '91

-Not only in Sweden the scene is coming bigger, also in Finland from where I get this demo here! **AGONIZED** are playing Death Metal the slower way and whispering Vocals, very strange!! They don't play official together anymore, but for more info write to: Janne Kinnunen, Pihlittatu 5 C 39, 15500 Lahti, Finland. NOTE: 2-

ANARCHUS-Demo II

-These guys are from Switzerland. On this demo they play cool death metal, but their music is too clear, no real brutality!!! Also the production and the cover are very original!!!! But of course it's very good demo, the best that I got the last time from this country!!! Support them and write, I think \$4 (Europe) \$5 (rest of world) should reach: Matthias Pasinetti, Sekundarschulweg, CH-3752 Wimmis, Switzerland. NOTE: 2+

DEMISE-Inevitable exit demo '90

-Now to a American band which have send me their demo includes 4 tracks of Death/Thrash Metal!!! The Cover, music and production are normal, nothing special, I think!!! CENTINEX-End of Life '91

-The coming band is from Sweden, but nothing typical band like so many other Swedish bands!!! I think they play something like Grinding DeathCore stuff, and also some Hardcore influence, but very brutal!!! The production is OK, only the cover is very shitty!!! Send \$5 in Europe and \$6 overseas to: Martin Schulman, Winqvists Gata 6, 77600 Hedemora, Sweden. NOTE: 3+

MALEVOLENCE

MALEVOLENCE-The beginning... demo 1991

-This band here is very good one, they're from Switzerland and play very brutal and fast Death Metal!!! A very negative thing is the sound, it's too quiet!!! Maybe because they've send me a totally bad tape??? You can get it for \$6 or 10 \$Fr/DM at: Zuber Wenzel, Sonstr. 2, VS 3904 Naters, Switzerland. NOTE:2

SENTENCED-Rotting ways to misery demo 1991

-Finally I got answer from this band!!! Here they send me their demo, which is very good one, believe me!!! Of course they're from Scandinavia!!! I think they sound a bit like BOLT THROWER and DARK TRANQUILITY, but they have their own sound! When you read this, their debut LP should be out, buy it-it must be great one!!! Only the sound is a bit quiet, but who cares about that??? Write to: Sami Lopakka, Armitie 6, 91500 Muho, Finland. NOTE:2

GLENN-Visceral scab demo 1991

-I got a fucking GREAT demo from a band of the east side of Germany!!! They play brutal Death/Grind (which reminds me a lot of the German band DEAD) in the very fast way, absolutely fantastic!!! They're going to release a EP on a sublabel of NUCLEAR BLAST RECORDS, and hopefully on the Morbid symphonies of death CD on SLAUGHTER RECORDS!!! Also maybe a full LP on SLAUGHTER RECORDS!!! Write to: Max Grützmacher, Lindenstr. 26, Buckow O-1276, Germany. NOTE:1

LIFE ARTIST-Faith demo

Here we have a very strange band from Sweden, oh sorry, I mean Germany!!! It don't have anything to do with death thrash/speed or power metal, maybe absolutely no heavy metal, I don't know!!! Yes, it's heavy metal, so I wonder why this band have send me their demo, maybe they didn't know that I prefer death/grind/thrash/industrial stuff??? But of course I also like power/speed and heavy metal, but then it should be good!!! The tape is professional printed and good recorded, so a good piece for people who like quiet music stuff!!! Their address: Michael Lohmann, Steinstr. 35, 4700 Hamm 1, Germany. NOTE:4

RIISING NATION

RIISING NATION-Man's creation demo

This is Thrash Metal (with some death metal) stuff from Belgium. One of the guys is also doing the great (see the review about it anywhere else in this issue!) death/thrash/grindcore fanzine FINAL HOLOCAUST!!! The sound of this demo is very good, the songs, too and the cover have a gloomy cover, so it's really worth to check them out!!! The demo is available for \$6 worldwide, also there're shirts available for \$10, also worldwide at: Axel Bosch, Stendrich 34, 4700 Eupen, Belgium. NOTE:2

THOU SHALT SUFFER-Advance mini LP and ep

-Well, this begins with an very dark intro and turns then into brutal death metal parts with grinding riffs of hell!!! First they were called XERASTA, then EMBRYONIC and now their name is THOU SHALT SUFFER. At the moment I can't remember on which label the mini LP and the ep are going to be out, but I think the mini LP is coming out on their own label MUSICUM RECORDS and the ep should come out on my label, but they didn't answer my last letter, so I don't know what's going on now??? The sound of the mini LP is ok, but the sound on the ep is very bad all in all and Tomas told me that it have something to do with the place where they recorded it on tape and that's it going to be normal on the ep, I really hope so!!! Check out both releases when they're coming out and write now to: Tomas Haugen, 3812 Akkerhaugen, Norway. NOTE:2

VIOLENT DIRGE

VIOLENT DIRGE-Obliteration of soul demo

-This one I got from Michael (a Poland guy, I think he's doing a zine and a comp. tape, his address is anywhere in this issue!!!) It's professional printed all in all, full coloured cover and photo and printed tape, but the music is absolutely boring, too often heard riffs and stuff, I don't like this band that much! It came out on CARNAGE RECORDS who also have released the VADER demo, which are also from Poland!!! Write them to, I don't have the price of it, but something like \$4 or \$5: VIOLENT DIRGE, 01-754 Warszawa, Przasnyska 17/6, Poland. NOTE:4

BROKEN FEAR-Beyond the ... demo

-BROKEN FEAR comes from the Universe to show us their style of playing with their dicks!!!! Well, not really. They're from France and play death metal, but not that original. Anyway, the demo have full col. cover, printed tape, but a very bad production. Sometimes they remind of SEPULTURA in their early days, really. Sorry, but I'm very tired when I'm writing this and tomorrow is shitty school, so I must end up here with this review! I think it's available for \$6 from: Berger David, 111 ave des hameaux, resid. hameaux de la roche, 91130 Ris Orangis, France. NOTE:2

EMBRUONIC DEATH

EMBRUONIC DEATH-Dead rotten corpse demo

-Well, well. Do you know the Finnish DEMIGOD? Then you know what's this band sounds like, but I won't say that these guys here are a copy of DEMIGOD, only sound a bit like them. Anyway, this one here is very well played and have a GREAT full col. cover, but the sound isn't the best that I've heard so far, much more sound like a rehearsal tape!!! They play a style of brutal death metal with a lot of grindcore influences, which sounds pretty strange, but OK!!! Order the demo now for only \$4 (US) and for \$5 (anywhere) from: EMBRYONIC DEATH, 8 Clairedale DR., Hampton Bays, NY, 11946 USA. NOTE:2

LUBRICANT-Swallow the symmetric swab demo

-Vo, this here are the Finnish death grinders LUBRICANT with their debut demo! Before this tape they've already send me their rehearsal tape, but that was very bad sound and not that well played like this demo here! They were formed in the beginning of 1998 (I mean 1989) under the name OVD. Their music is very sick and strange with so called "puke vocals" which fit very good to the music!!! The production is alright, the cover have gloomy cover and the tracks are cool, so why don't you send right now \$4 (Europe) \$5 (elsewhere!) to: Sami Viitasari, Vihnuskatu 30 A6, 37150 Nokia, Finland. NOTE:2

ABSURD

ABSURD-??? title demo

-Here I got the great debut demo from the band ABSURD! And guess from which country it could be, when I say it's clear and brutal death metal??? Vo, right! These guys are from a very cold country where thousands of death metal bands coming up-Sweden, again and again: SWEDEN!!! I really must say the truth, these guys know to play their music, first they play slow and then they begin to play very fast parts and go over to powerful attacks of death metal! Write and support a cool band at: Daniel Kangas, Tabybergsv. 9, 183 79 Täby, Sweden. NOTE:1

POST MORTEM

POST MORTEM-Secret lunacy

-A very great demo I got here, from a band of the east side of Germany!! I don't know why, but every demo I got the last of this side was totally great!! They play death metal with some fast thrash riffs, the vocals are very brutal, but you can hear how they're mixed!! The sound of the recording is perfect and the music is well played, so what could you need more??? Hopefully they're going to release a vinyl for my label, we'll see!!! Send \$4 to: Marcus Marth, Badelschwingstr. 9, Hohen Neuendorf, 0-1406 Germany. NOTE: 1-

MAINED-Demo 1991

-Now I put this demo what I got today into my walkman and see what it's like. And I must say that it's very, very good sound and of course music!!! Their style of playing isn't that fast, more the slower way of death metal, but still great!!! The demo I got with out a cover, but they should have soon some. Maybe they're going to release something on my label?????

DEAD FETUS-Debut demo 1991

-This tape begins with very strange whisperings and growls and then go over to brutal death/grind attacks with 2 very extreme Vocalists!!!! The sound is very good, not very clear, but for that brutal and that's cool sound!! Their music is very powerful played, with slow parts and then a bit faster and then the fast stuff, that's cool way of playing, I like that!!! I think this demo is GREAT for a debut one, so please support these guys and write them, of course also ordering this demo here for \$5 or \$4 at:

REPUGNANCE

REPUGNANCE-Covetous divinity demo

-Vooaaaaiiiuuuuuu, tttt(???) this band is coming from Sweden! REPUGNANCE plays something like death metal with thrash influence, I think. Theyself aren't very satisfied with their demo, of course it's good, but I think it could be better!!! It isn't the typical Swedish sounding death stuff, and that is the good on this band, but I really think their 2nd release will be much more professional, better!!! Micke their guitarist/vocalist is also doing a fanzine, so please ask him about it!!! Write to: Micke, Stenbacksv. 10, S-772 04 Svedalen, Sweden. NOTE: 2

SINOATH-Forged in blood demo

-This demo begins with an cool intro and then turns slowly into the style of music they play, right: Death Metal!!! In my opinion this demo is very, very great, it have a acceptable cover, very good sound (maybe too good for a demo???) and of course the style they're playing is great!!! It's one of the very best Italian death metal bands that I know, for sure!!! What more to say? Check them out and write to: Rob Mes-sina, Via Cibeles 109, 95123 Catania, Italy. NOTE: 1-

THERGOTHON-Fhtagn-Naah Yoa-Sothoth

-What a strange demo title, hah??? I never could hear Doom Metal a long time, but this one is cool played. But if you hear more times it could be very boring, cause of all this slow parts, and I mean 'slow' parts!!! The Vocals are growled, but don't sounds good to the muse. Anyway, Their Vocalist is also doing a magazine called HAMMER OF DAMNATION, but I forgot to review here it. It's a great one, professional printed and written, not that much pages but even great!!! Write to this cool person at: Niko Sirkiä, Nurmiantie 6 D 3, 20780 Haarina, Finland. NOTE: 2

FESTER-The introduction demo

-From Norway comes this guys. Here they've send me their debut demo which includes tracks of total death/thrash power in good recording!!! The cover isn't best at all, but acceptable. They simply call their music metal which is slow, sticky, moody, heavy and aggressive they say, but I call it thrash/death with screamy vocals of heaven!!! It cost \$5 in Europe and \$6 elsewhere from: FESTER, Odinsvei. 20 b, 1800 Askim, Norway. NOTE: 2

MARDUK-Fuck me jesus demo '91

-Yeah, what a great band, really!!! They're coming from Sweden and play (of course) very extreme Death Metal, but with some Black Metal influences, sometimes like the great EDGE OF SANITY!!! Maybe cause they're good pals with Dan Swanö and the other guys of them, who know!!! Their drummer is also playing in the band DESPACIFIED!!! I really don't know what more I could write, only that you should check them out at: Morgan Hakansson, Hagebygatan 179, 603 62 Norrköping, Sweden. NOTE: 2+

PYATHROSIS-Fields of unceasing death '90

-And here have an Death Metal demo from a dutch band named PYATHROSIS!!!! I think it isn't the best demo that I've heard, but it's very cool!!! The band is playing something like Deathcore with the typical death-grunts!!!! Sorry, but I do not know what more I could tell about them! Interested maniacs should send \$6 for the demo to: Wiebe van der Veen, Goud-enregenplantsoen 5, 2404 EH Alphen a/d Rijn, Holland. NOTE: 2-

ORBITON-Lunatic demo

-This is a 2 (ONLY!!!!) track demo from a German heavy/speed band. This tape is now very old (1990) and I wonder the band haven't released something never till now, anyway I like the music much more like the vocals, cause they're very, very bad screamed!!! The sound is OK and the cover is only copied!!! Nothing for real deathheads, only for real openminded ones or speed/heavy metal freaks!!! Here's the adress: (Ohh, sorry, really: I lost the adress from them, maybe they're spreading flyers and there you can look at them!!!) NOTE: 4+

CARTILAGE

CARTILAGE-In godly flesh demo

-Again a death metal band from Scandinavia, but this time not from Sweden! But in the country from this band is also very graving up with much great death metal bands, it's Finland!!! The sound could be a bit more brutal, but it's good for a demo recording!!! Their vocalist is a very brutal one and the guitarists are playing very technical!!! On the other side of the tape Karri recorded me the songs again, but as rough mix and (I mean rough version!) much more brutal played!!! As always, I can't remember the price, but I think \$4 (of course it's also available by me!) are enough!! (Oh, I forgot something special!!) the demo have also a full coloured cover!!! Write to: Karri Suoraniemi, Kauppaquist-ikho 19-21, 65100 Vaasa, Finland. NOTE: 2+

VILE VTBES(PEACEVILLE RECORDS)Vol.2 tape

-This promotion tape I got from the English IMPALER I can't remember which member, but thank here for it!

First of all a track from DARK THRONE which begins with a very occult and strange intro then turns into a totally other style as on their debut LP! Their music is now not anymore the Scandinavian stuff, now much more Black Metal influenced, I think today they sound a lot better than the early days, pretty cool track, really! The song is taken from their upcoming LP/CD "A blaze in the Northern sky". Next band is the godz AUTOPSY with a track from their new Mini LP "Fiend for blood" which is cool one! It's much faster like on their 2nd LP, more like on their 1st LP! The production is very brutal and rough. Chris is still a very brutal and good drummer! What more can I say about this great band? Buy this mini LP when it's out!!!

BAPHOMET is next, they remind a lot of CANNIBAL CORPSE, cause they have the same fast grind parts and also a brutal Vocalist. The song is taken from their LP/CD/MC "The dead shall inherit"!

On the 2nd side there is coming MY DYING BRIDE (see interview and review about them anywhere else here in this issue!) with a track of their upcoming 12" Symphonies infernus et spera empyrium! which begins with an very disharmonic sounding intro. The song they play is cool one, sometimes they sound like PARADISE LOST and a bit like BOLT THROWER, but of course they have their own style of playing Doom/Death Metal stuff!!!! One of the best English bands besides CARCASS, PARADISE LOST, BOLT THROWER, IMPALER GODFLESH and some others. Yo, the following track is done by IMPALER which play very fast death metal with a little touch of grindness. But I don't know why, I don't like this one that much, of course it's pretty good song. Taken from their LP/CD MC "Channel deity". The 6th songband last is from ACCIDENTAL SUICIDE. It's a very good one which is taken from their coming LP/CD "Deceased". They play death metal the brutal way, of course, sounds similar to BOLT THROWER, but who cares about that??? They're cool musicians!!!

FLAMMING ANGER-Humaniced demo

-A very professional printed demo I got here, full color cover and a high quality tape! The music style they play is something like speed metal and power metal very well produced and played, but I don't like the Vocalist, he can't sing well enough to their music!!! The demo have a playtime of ca. 20 minutes, and only 4 tracks!!! Without these Vocals it would be a very, very good band, really! As always, I don't know the price of this demo, but I think \$4 or \$5 should do it: Frank Witte, Dreihügelstr. 75, W-4630 Bochum 1, Germany. NOTE: 2-

SCUM IN ACTION-Demo or rehearsal tape, I don't know???

-This is a brutal Grind/Noisecore act from East Germany!! The sound is very bad and the style they play is very cool, but sometimes too fast. I can't believe that this one here could be a demo, cause of this bad sound and not very well cover booklet, maybe a rehearsal one, I don't know??? There're some really cool powerful Grindcore parts in the music, but then the fast stuff which sounds like mega brutal Noisecore!!! Also there's some HC and Punk stuff in their music!!! Write to: K. Seiber, Fernerbachstr. 8, D-5800 Gotha, Germany. NOTE: 2-

HATRED-Live tape

-What a nice intro at the beginning, really! The music they play is kinda speed or power metal with some thrash influence. The sound is very bad, I think it could be better. The cover have full colour, but absolutely no info inside, like titles of the tracks, or a contact adress!!!!

25

INGRAIN-Beyond the path demo

-Cool death/thrash is what this band here is playing from Germany. It's very well produced, good cover-booklet and good music without these typical death metal grunts this time!!! The music isn't that fast, but with a lot of powerful riffs and parts!!! This guys are also doing a little service where they record you tapes and also distribute some cool demos to fair prices!!! Please ask them about a list!!! Available for \$4 (Europe) and \$5 (elsewhere) at: Thomas Jacob, Fürstweg 7, 3178 Calberlah, Germany, NOTE: 2

NECRMANTIA-Promo tape 1990

-I know, this tape is a bit old (a bit???) but till today they haven't released something others!!! Oh, of course, these days should come out their split LP, but I don't know with which band??? And short after the split the full LP, check it out when it's out, OK!!! The music on this tape is very strange and sick played black metal!!! OK, I'm going to end up this short review with their adress, hihihhi: NECRMANTIA, PO Box 79006, 17202 Himittos, Atchms-Greece. NOTE: 2-

EXCITING VISION-Demo 1991

-This are cool musicians from Germany, really! They do not play death metal, but for that very well produced thrash metal with speed influence!!! The cover is full coloured!!! The music is very well played for a debut demo. These guys were formed in 1989, they self call their style their playing Power Thrash, and that's correct!!! Write for more info to this adress: Matthias Wölffert, Hermsdorfer Damm 154, W-1000 Berlin 28, Germany. NOTE: 2+

GOMMORPHA-Rehearsal tape 1991

-This is alive recording from a German death metal band. The recording is the badest I've heard the last time, and that's the point what makes this tape really boring, cause you don't understand anything of their music style!!! The music is well played, only the sound you can totally forget!!! They don't wanna sell this demo, so if there's anyone interested must send them a blank tape with 1 or 2 IRC's as reply. Write to: Marco Fath, Haidfeldweg 2, 6702 Bad Dürkheim, Germany. NOTE: 3+

ADVERSARY-Darkened minds demo

-This one I got from the guy of OMINTOUS RECORDS who have released this tape on their label and doing the promotion. Their music is good played thrash metal the fast way, the Vocals aren't the best, but OK. The sound of it is also OK. I don't know really, but now they should have released a cassette LP on the same label, so please write any of both and ask about more info, OK!!! Here's their adress: ADVERSARY, PO Box 20937, Albuquerque NM, 87154 USA. NOTE: 2-

CATACOMB-Debut demo 1991

-From France is this band which is playing a kind of brutal death metal. But really, I don't like their stuff very much, cause there's too much stolen riffs, but maybe I'm wrong??? The sound isn't a killer, of course good. The tape has a full col. cover. They were formed from two other bands, DEATHWINGS and MACABRA. Sorry for this again soooo boring review, I self know that my intros for interviews and reviews aren't very creative, so SORRY again! I think it cost \$4 in Europe and \$5 elsewhere! Just write to: Moreau James, Parc des Tilleuls Bt BA, Bd des Amaris, 83100 Toulon, France. NOTE: 2

PURTENANCE AVULSION-Demo 1 1991

-What a brutal band, really!!! I don't know what's going in Finland, but there's always coming more great bands like these guys!!! Their style of playing is very extreme and brutal, just grinding death metal in clear production! Now they've changed their name only to PURTENANCE. Support a cool band and send \$5 for Europe and \$6 elsewhere to: T. Häyrinen, Satakieleentie 5a3, 371 40 Nokia, Finland. NOTE: 1-

ALCHEMIST-Demo '91

-Next one is coming from Australia which is playing a very strange style of speed metal. The demo and cover a totally professional printed, great quality for a demo!!! The sound is great, only the music isn't my preferred style of music, but of course it's good. So pals, that's it for this review! Price for this demo should be, \$5 and \$6 from: ALCASCHMUTZ, PO Box 1037, Dickson, A.C.T., 2602 Australia. NOTE: 2-

PYOGENESIS-Demo 1991

-PYOGENESIS is playing brutal death metal with a lot of grindcore influence. The sound have a very raw production which sounds very good!!! I don't know how the cover is looking, cause Oliver of GUT have recorded the demo for me. When this is written they should have out a lot of ep's on different labels, I guess something like 5 pieces or so. Hopefully there's coming a Split LP with them and GUT on my label SLAUGHTER RECORDS, we'll see!!! The demo is available for 10DM or \$7 by: Joe Azael, Kernerstr. 20, 6924 Neckarbischofsheim, Germany. NOTE: 2+

GUT-Drawing in female excrements demo

-This is band is also from Germany, and 2 of the members are also playing in PYOGENESIS. But GUT don't play brutal death metal, GUT plays grindcore. The Vocals are totally mixed and that sounds not so great, but cool anyway. OK, I must end up here with this review, cause I've to kick the juice now, hihhi! I guess \$4 and \$5 should do it if you want a copy of it!!! Oliver Roder, Klängenstr. 46, 7101 Erlenbach, Germany. NOTE: 2

NORDOR-Ceremony of demonic brutality demo
-Just another strange band comes from Greece which play like the most bands from this country, black metal. The music is very slow played with a lot of disharmonic sounding parts, just very strange band. They self say that it's death metal what they play, but I don't think so!!! It's black metal slow played, sometimes a bit like the Swedish black metal masters ALTOPSY/ TORMENT, only with much more riffs. It's available for \$4 from: NORDOR, Eptalofu 1 Nea Ionia, TK 14231 Athens, Greece. NOTE: 2-

LUMBERLACK-Reaching eternity demo
-That's here isn't a band who's playing death metal!!! LUMBERJACK (what a bandname!!) plays speed/power metal not very fast, maybe with a bit of thrash influence. The demo have a very professional format and a quality tape. A negative point is the vocals, they don't fit very well to their music, but who give a fuck??? I don't know why, but from Germany there're coming always a lot of speed/power metal bands, and not so much death/thrash bands??? Sorry, but a price of the demo isn't myself known, but here's their contact address: Dirk Thieme, Stralsunderstr. 15, 8400 Koblenz, Germany. NOTE: 2

ACCESSORY-Within your minds tape
-I've just reviewed their debut demo in my 2nd issue and now here I got their CD as tape which is a bit better as the demo, but one thing I still hate: the vocals!!! The music is fast and brutal thrash metal with a little touch of death parts. The production is very good I must say, really!!! With a better Vocalist this band would be very great. The CD cost only 22DM (ca. \$14), also there's still available the demo for 8DM and a white shirt for 18DM from: Elmar Keineke, Hohle str. 9, 5800 Hagen 1, Germany. NOTE: 2-

DESULTORY-Visions demo
-Yeeeeaaaaarrrrggghhh, the 3rd and best demo of these godly death/thrashers from Sweden!!! Most of you know them I think. It's recorded in Sunlight, but don't sound like all the bands who recorded there. This demo and the tracks of the 2nd demo should be come out on Vinyl when you read this, the label where it's going to be out is HOUSE OF KICKS in Sweden. I can't name you which song is best, cause every track on this demo is a killer, really!!! Please check out the interview that I've done with Stefan here in this sick issue. Without a doubt, this is one of the very best bands coming from Sweden, so support them and write to them, address you can find at the interview!!! NOTE: 1+

DAGON OF WINTER-Path of the worm demo
-Again a band from Germany! I think these guys are very strange (not themselves!!) but they music. At the moment I hear it and there're no vocals, only the music!!! Ohhh, Ahhhhh, Ehrrrrr: the vocals are there!!!! Really, not that stuff that I thought what would come, but anyhow the vocals fit to the music!!!! I absolutely don't know what's going on with German Power/Speed/Thrash Metal bands, but no one of all this bands have a good vocalist????!! Can't they scream like the vocalists of the great old HELLOWEEN, LIVING DEATH or RUNNING WILD??? Write to: Oliver Schramm, Königsallee 1, 7300 Esslingen, Germany. NOTE: 3-

DUNCE-Avr demo 1991
-I don't know if this is a demo or just a rehearsal, but it seems like if it's a rehearsal with a good sound!!! DUNCE play a mixture between cool speed/thrash with a little (very little) touch of death metal!!! This one was done at 4/91 and on the other side the recording was done at 4/90, very strange!!! Anyway, this tape is it worth to check it out, write to the bands management: Guillemet Alain, 16 Avenue de celle, 92360 Meudon la Forêt, France. NOTE: 2+

QUESTIONMARK-Useless? demo (remix-version!)
-This is the remix version of this demo, they wrote me that it now have a clearer sound and also includes new solo's of their new guitarist. The sound is good and the cover-booklet is also OK! The music isn't the best I've heard, but of course good. I don't like the vocalist, in my eyes he absolutely don't fit to the music, only the backvocals from Richard are cool to hear! SOOOORRRYYY guys who are interested in them, but I lost again a address, and it was the address of this band! You've to check out more flyers or reviews in other zines about them, OK!!! NOTE: 3-

MORAL GUTTER-Memento mori demo
-This tape I got from the same guy who also send me the VIOLENT DIRGE demo. On this demo it's pure Grind core played stuff, which sounds like a live or a rehearsal tape! The lyrics are written in Polish (I guess) so I don't understand a word. The music they're playing isn't the best Grindcore stuff that I've heard, but acceptable(???). Here's the address of the guy who send it me, he's the promoter and distributor of this tape, I guess! Write for info to: Michael Piekutański, Jagielonska 19/55, 05120 Legionowo, Poland. NOTE: 3

VINYL

CARCASS-Necrotism Descanting...(EARACHE REC.)

-Finally: The GOD lp of the year could be only from this guys!!!! Now they don't play that fast stuff that much anymore, but of course there're still fast parts. Now they have much more aggressive and powerful parts in their music, and I think that sounds just much more better. The production is very clear. The cover artwork, I mean photo, is just strange, but cool!!! Between the tracks are some very cool intros!!! The lp have a playtime from over 45 minutes, the music is fantastic, the cover is cool and the lyrics are still very strange, so if you shouldn't have this masterpiece of ultimate sick and aggressive death metal, or should I better say Heavy Metal???, then you have to go into your record store and have to buy it!!!! NOTE:1+

GRAVE-Into the grave(CENTURY MEDIA RECORDS)

-With UNLEASHED, TIAMAT and ASPHYX is this the best signing from CENTURY MEDIA, really! The sound and the production are sooo fucking great, it was totally unbelievable for me when I've heard this great longplayer!!!! Some tracks sounds like the other and always in the same fast way, but who cares that??? I self think that this lp is just a killer!!!! Although it's recorded in Sunlight Studio, it have his own sound!!!! I also wanted to do an interview with Jörgen in this issue, but he didn't reply, also some other friends of mine told me that they've written him, but also didn't get a reply??? So what's going on with Jörgen??? Anyway, buy this ultimate record!!!! NOTE:1

MORPHEUS-In the arms of...(OPIONATE! RECORDS)

-Another cool band from Sweden is MORPHEUS which have a short time ago released this Mini LP here on a new label which have just send me this one! The music they play is great death metal, reminds me sometimes of GRAVE stuff, but with more melody and just slower!!! I don't know for sure, but I think it's also recorded in Sunlight Studios!!! So, what more to say? Nothing! Buy this piece of pure Swedish death metal aggression if you have the chance to do that, OK!!!! NOTE:1-

GOREFEST-Mindloss(FOUNDATION 2000 RECORDS)

-What should I tell you about this great band??? I really hope that you already know them, cause it's the fucking best (and I mean best!) band from The Netherlands!!! GOREFEST have created an own brutal style of death metal which sounds very best, really. Producer was Colin Richardson who've also produced for CARCASS/BOLT THROWER, etc, so of course the production is GREAT!!!! There's only one new track, the rest are the songs from the 2 demos. Read the interview here in this issue that I've done with Jan-Chris their bassist/Vocalist!!! NOTE:1

IMMOLATION-Dawn of possession(ROADRUNNER)

-Finally came out this wonderful piece of great death metal vinyl!!!! After 2 cool demos now the debut lp. I think their tour with MASSACRE and MORGOTH had to be very successful, although most guys here didn't know them, cause the lp came 1st 2 weeks after the tour here in Europe out!!! Here in Fulda they played their 1st gig, but it was just a big boring, cause they only stand at the stage and played their songs, I wanted see more action in their show, but anyway. Here I've also did an interview with them and I forgot to write an intro there, but that's not the important, I think!!! I've read a lot of bad critics about this vinyl, but I'm still ask me why??? The production is clear, the songs are very brutal and the cover artwork is also very well!!! They've told me in the interview that I've done with them, that their 2nd album is going to come in September/October 1992, so you have to check it when it's come, OK!!!! NOTE:1

ICED EARTH-Night of the stormrider(CENTURY M:)

-Yo, the 2nd lp of these power metal guys from the USA!!!! I've never heard their debut, but maybe I should, cause this one is real good. It's recorded in the Morrisound Studio, so of course it have a very good sound. Sometimes the music reminds me of HELLOWEEN and QUEENSRÛCHE stuff, but they have also their own style!!! This lp is just nothing for people who like the brutal stuff, only for people who are much more openminded!!!! NOTE:2

PUNGENT STENCH-Been caught buttering(NUC.BLA.)

-Finally the 2nd lp of these dudes, but they don't play that godly death metal with extreme Grindcore stuff anymore. Now it seems like if they wanna do commercial stuff, now they play still death metal with grindcore, but totally others. What I really hate is, that they are now in many big magazines and everybody say that they're something special!!!! The cover is very shocking and fit very well to the title, cool!! I think the production isn't great, but OK. I also wanted to do an interview here with them, but I didn't get a reply!!!! NOTE:2+

CROWS-The dying race(CENTURY MEDIA RECORDS)

-No, really this lp is just not bad, but I don't like it at all. CROWS plays very cool power metal which sounds like HELLOWEEN. A very negative point are this shitty Vocals, I think they could be much more brutal and screamy!!! Of course (like every CENTURY MEDIA release!) the production is clear and good. The cover artwork is very stupid!!!! NOTE:2-

TIAMAT-The astral sleep(CENTURY MEDIA REC.)

-Just another release from C.M., and this release is totally GREAT!!!! I don't know how I could call TIAMAT's style, but I say it's dark and fast heavy metal. Some people say that they sound like PARADISE LOST, but I think that's totally wrong, cause TIAMAT have an own style created which is fantastic. I dig the cool melodies and riffs of the guitarists and the Vocals of Johan Edlund the person that I've made the interview with in this issue!!! Sad that their tour with PARADISE LOST was canceled!!!! But I hope that they're planning another new tour here in Europe!!!! This lp isn't something for a death metal freak, although it's dark and fast!!!! For myself, I like it a lot!! NOTE:1

DEATHSTRIKE-Fucking death(NUCLEAR BLAST RECORDS)

-Finally after a very long delay have N.B. released this legendary vinyl, but with 3 new tracks from Mr. Speckman. The A side is a killer and the B side is just shit, really!!!! Their old stuff is fucking great, but not the new ones!!! Now Mr. Speckman have 4 projects, and that are DEATHSTRIKE, MASTER, ABOMINATION and his own band called the SPECKMAN PROJECT!!!! NOTE:3+

MORTUARY MAGAZINE

PESTILENCE-Tsetimony of the ancients(ROADRACER)
-Here showed us rest line-up of PESTILENCE that they also can still play,also without Martin who is now playing in ASPHYX!!!Still very extreme,but now they play much more technical stuff!!!I really don't know what I could write now,cause at the moment I have a totally black-out???Sorry,don't check out this strange review,check out this note here,OK!!!NOTE:2+

NAUSEA-Crime against humanity(WILD RAGES RECORDS)
-Finally the lp of this legendary grindcore act,I think this lp is absolutely cool,although the playtime is very short!!!I would call their style Industrial grindcore music with a very brutal vocalist!!!!I think all of you know Oscar,cause he was the singer on the ultimate TERRORIZER lp!!! In the future there's coming a 12" or something like that from them on TURBO MUSIC,check it out!!! NOTE:1

JUMPING JESUS-The art of crucifyning(MORBID MUSIC)
-I don't know why,but I don't think that this is a real death metal band,although they play death metal,but I think they play it just for money!!! The cover is just strange like every cover that came out on MORBID MUSIC!!!!I wouldn't say that J.J. play only death metal,they play more thrash with some death metal parts!!!Sometimes they sound a lot like the German ATROCITY,but more hard!!!NOTE:3+

HOLY MOSES-Terminal terror(WEST VIRGINIA REC.)
-This is the best release(of course with their 2nd album!)of HOLY MOSES!!!Sabina is now much more growling,just like a beast!!!The music is now much more faster and brutaler,but just still thrash metal,only with some death metal influence.I also wanted to do an interview with Sabina,but I had to call her and I was just too busy to do it,for sure there will be an interview with this pussy in my 4th issue!!! This release is it really worth to buy it!!! NOTE:1-

INCUBATOR-Symphonies of spiritual c.(MORBID M)
-Just another release of the new death metal sublabel MORBID MUSIC of WEST VIRGINIA REC.!!! But this one is for sure a lot better than the debut of JUMPING JESUS!!!INCUBATOR plays brutal death metal and is from Germany.I hope to get an interview with them in my 4th issue!!! What could I tell you about their music?Nothing,just try for yourself this one,OK!!!NOTE:2+

ENTOMBED-Clandestine(EARACHE RECORDS)
-I think this review is totally unnecessary, cause all of you should have this fantastic one!!!!I think this lp is much more better than the 1st lp,for sure!The vocals are a bit strange,but GREAT!!!No more comment!NOTE:1

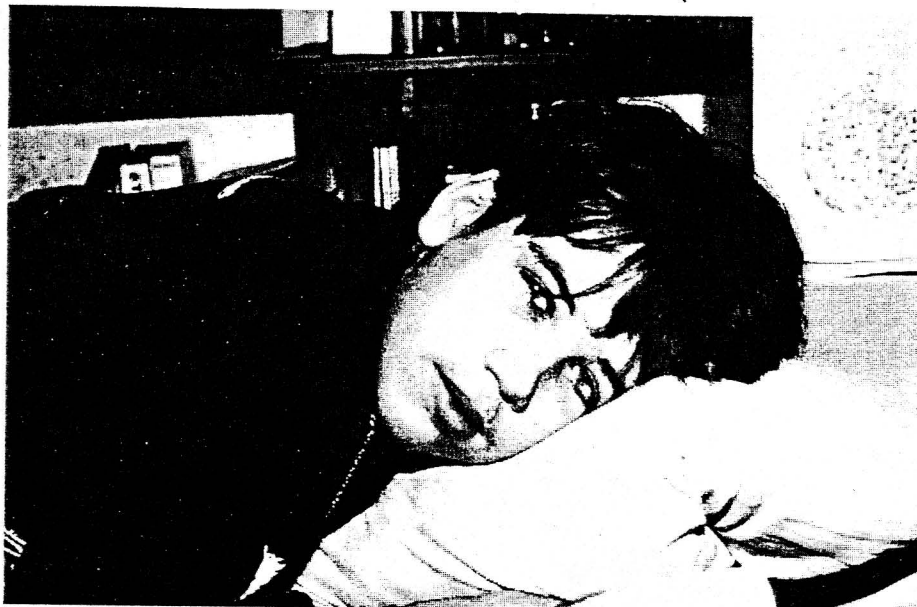

REPULSION-Excruciation(RELAPSE RECORDS)
-This is the best ep that I've heard the last time,really!!!!The final back of these US godz with this killer ep,fantastic!!!They still play this wonderful grindcore stuff with brutal death metal attacks!!!I can't await their 2nd killer album,hopefully out soon!!! NOTE:1+

FLESHCRAWL-Lost in a grave(MORBID RECORDS)
-Here's the 2nd release of the new German label found in a absolutely cool death metal band also from Germany!!!!You also can read the interview with them in this issue here!!! The sound is killer,the tracks are great and the cover is shit!!!!First they were called MORGOTH,then SUFFOCATION and finally now FLESH CRAWL.I must say it,FLESHCRAWL is one of the very best death metal bands from Germany,for sure.NOTE:1-

INCANTATION-Deliverance of horrific P.(RELAP.)
-Already the 2nd release of this guys,and again a single on RELAPSE RECORDS!!INCANTATION play one time very slow death metal and then fast stuff and then again slow parts,very strange!!!A lot of people think they're US ultimate godz,but I don't think so.Yes,they're good,but no godz!!!NOTE:3+

HOUSE OF USHER-On the very verge(OBSCURE P.)
-Again a new band from Sweden,but not death metal in any way.H.O.U plays thrash metal with a bit(!!!)influence of death metal.Something very strange is the vox,absolutely nothing typical for death or thrash stuff,but I think they fit very well to the music.The sound of it is good,the cover is totally unclear and the backside photo,too!!!Just read a bit more about them on the news&stuff page ,OK!!!NOTE:2

DEAD-Defeat remains(POSERSLAUGHTER RECORDS)
-What a killing ep!!!Brutal death/grindcore stuff as brutal as hell!!!The production is just perfect,the music is(as I mentioned before)very brutal death/grind stuff and the cover is just splatter.Hopefully this dudes are going to release their debut LP on my sick and morbid label,SLAUGHTER RECORDS!!! DEAD is the best and brutalst grinding death and gore band from Germany,for sure!!!!!! The 1st edition was in col.mamoured vinyl and just sold out,but of course Mr.Anti-Christian have still some copies of the 1st edition,so hurry up for a copy!!!And I really don't know if the label is going to press some more copies!!!NOTE:1+

NECROMANCE/ENSLAVED-Split ep(MORBID RECORDS)

-The very 1st release of this German label. I've already reviewed NECROMANCE's demo in my 2nd issue and till now their style haven't much changed. They still play the thrash/death metal which still influenced a lot by the old DESTRUCTION. The music is OK and the vocals not, just shitty!!! ENSLAVED is just better, but not much better. They play grindcore with grunchy vocals!! I think their disc would be a lot better if the production would be good and clear!!! NOTE:3+

MY DYING BRIDE-God is alone(LISTENABLE RECORDS)

-Also a 1st release of a label is this great ep from MY DYING BRIDE on the french label LISTENABLE RECORDS, the dude who's also doing the cool PEARDROP ZINE!!!! The ep was limited to only 1000 copies and Laurent (the label boss) have send me the absolutly last copies (997, 999, etc) of this wonderful piece of brutal doom/death metal!!!!!! So if you really want a copy, you have to order from my mailorder service, I guess I have still ca. 14 or 15 copies of it!!!! Please read the interview with Aaron their great vocalist in this fucking issue, OK!!!! Soon there's coming a 122 and short after that their debut lp on DEAF RECORDS! WATCH OUT FOR THEM!!!! NOTE:1

ACHERON-Deprived of afterlife(CORPSE GRINDER)

-This isn't ACHERON from the USA, this are the guys from Australia!!!! This ep includes 2 tracks of fast and brutal death metal in good sound!!! What more could I tell ya? The cover is gloosy and the record is in good quality!!! NOTE:2+

SWEDISH DEATH/SPEED/THRASH COMP.EP(OPIMOMATE!)

-This ep begins with the band APPENDIX which play very cool speed metal with vocals that fit this time, yoo!!!! Next is NIRVANA 2002, a brutal death metal band in the NIHILIST/BOLT THROWER vein. The promo tape that I've reviewed in my 2nd issue of them was totally ENTOMBED influenced, but this song here is nothing like this 2 tracks. I don't know if it's a new one or just a old??? Anyway, NIRVANA 2002 is very great band, but I cannot find their adress, so please if someone have it, send it me, OK! On the B side there's AUTHORIZE which most of you know them of their debut CD. This song here is thrash metal with just a few death metal influences, not that great, but cool!!!! Next is FALLEN ANGEL with the last song of this ep. They play a kind of power/speed metal, the music is OK, the vocals are not very well, too weak!!! NOTE:2

EXMORTIS-Fade from reality(RAGE RECORDS)

-I think this should be the last release of this cool US band, cause they've split up!!! The 2 tracks on this ep have a playtime of more than 12 minutes!!!! The production is great and the music, too but the vocals are very strange! Too much mixed, and that you can hear, anyway. If you want a good recorded vinyl, then buy this!!!! The coverartwork is done by Drew Elliot and the ep also comes with info-sheet inside!! NOTE:2-

SINISTER-Debut ep(WITCHHUNT RECORDS)

-This isn't the split ep with MONASTERY, this is their 1st full ep. Both tracks are taken from their demo "Perpetual damnation", just only in a new recorded form. I think both sounds a lot better than on the demo, cause of the production. SINISTER play brutal and fast death metal if it's interesting somebody!!!! About more info and news please read about them on the news page, OK!!!! NOTE:2+

KAZJUROL-Bodyslam(BURNING HEART RECORDS)

-This ep includes only cover versions, from SOD, VENOM, CRO-MAGS and I guess BAD BRAINS. All songs are well played and recorded, most coverversion I like is from VENOM "Countless"!!! A cool record for everyone!!!! NOTE:2+

MACABRE END-Consumed by darkness(CORPSE GRIN.)

-The very 1st release on CORPSE GRINDER REC. was this very cool record, from a Swedish death (what else???) metal band. I've also done an interview with Per their vocalist in my 2nd issue and since then I never got answer, so I totally don't know what's going on with them now??? I only know that they've changed their name to GOD MACABRE and are going to be on a comp. LP/CD of MBR RECORDS!!!! This ep includes 3 killers of death in the typical Swedish art and of course produced in Sunlight Studios!!! NOTE:2+

EXIT 13-Spare the wrench...(RELAPSE RECORDS)

-A very shitty produced release I got here from RELAPSE!!!! The music is maybe OK, but of this mega-bad production I can't understand anything!!!! 4 tracks of grindcore chaos of these sickos from the USA!!!! With a better and clearer production this release would maybe good, but this one is shit!!!! NOTE:3-

FUNERAL NATION-After the battle(TURBO)

-I didn't like their mini LP that much, but I must say that this LP is 100 times better!!! Very, very great thrash/death metal with a lot of heavy parts, not like all this other stuff in the scene, just something others, new!!! The vocals are no growling or so, just brutal. NOTE:1-

EXCRUCIATE/EPITAPH-Split lp(INFEST RECORDS)

-This 2 bands are from Sweden, and guess what are they playing??? Of course, death metal and I think recorded in boring Sunlight Studio, EXCRUCIATE and EPITAPH sounds very same, nothing special different. I haven't seen the cover, cause I only got a promo tape. The sound of it is well done. EPITAPH plays very well for their really young age, I guess they're between 14-16 years old, maybe they'll come out very big in the future!!! NOTE:2

BEHERIT-The oath of black blood(TURBO MUSIC)

-I really liked listening to their Picture ep, but this one is very boring. The sound is bad, the songs I've already heard more times on some comp. tapes and it's not very well played. I'd call their style satanic grindcore with noisecore attacks, but of course there're also some cool death metal parts!! I thought that this debut LP would be much more better and evil, but it isn't. I've also done an interview with BEHERIT before this one came out!!! NOTE:3+

MISANTHROPE/TORTURER-Split CD(INFEST RECORDS)

-Another promo tape from INFEST RECORDS, so I cannot say anything about cover and stuff, but about the important: the music. MISANTHROPE plays thrash/death metal, although they play more thrash the brutal way. I think if they've brought out this Split one a bit later for more time to rehearse, it would be sound nice! TORTURER plays also thrash/death metal, but a lot better than MISANTHROPE!!! NOTE:2

PHLEGETHON-Fresco lungs(WITCHHUNT RECORDS)

-This is a very, very strange band from Finland coming up with this mini LP. You already could hear them on the comp. LP of WITCHHUNT RECORDS and now they have released on the same label this here. They play a kind of technical death metal with so called psycho parts!!! It comes with good production and both side printed info sheet if you should order it!!! Pretty cool!!! NOTE:2

GOATLORD-Reflections of the solstice(TURBO MUSIC)
-One of the very best albums that came out on this label, really. I've also done an interview with Joe their guitarist, in this issue of a big chaos. The production is great, the music they play could be described as doomy and heavy death metal from Las Vegas. So, that's it. Read the interview anywhere to find here!!! NOTE:1

BUTCHER ZINE issue 2

-Finally I got this zine from Norway. It have interviews with CARCASS, SARCOFAGO, BOLT THROWER, MINOTAUR, DARK THRONE, MERCILESS, IMMOLATION, etc. A very negative point here is the English, but of course you can understand it. The printing is good. It have a lot of articles and reviews!!! The layout could be better. Available for \$5 from: Jim Mellebyveien, 1720 Greaker, Norway. NOTE:2

GATEWAY-Gateway to insanity demo

-From Holland comes this band and plays no death or just thrash metal. GATEWAY plays speed/power metal very professional. The music is cool, the production good the cover is printed, but only one problem: VOCALS!!!
Contact is possible at: Tijn, Rembrandtstraat 24, 2526 PZ Den Haag, Holland. NOTE:2-

AFTERLIFE-Rehearsal tape 4/1991

-The sound of this tape is very weak, if it would be better I guess that AFTERLIFE would be a great band!!! AFTERLIFE play cool death metal with a nice grindcore influence!!! I think their debut demo will blow a lot in the scene away sure!!! I think it cost \$4 or just \$5 from: AFTERLIFE, 1609 Lincoln way west, Apt. A, Mishawaka, In 46544, USA. NOTE:2
BRUTAL ENEMY-Environmental infection demo
-Another band from the USA is this one. BRUTAL ENEMY plays very brutal death metal with a very brutal drum sound. The Vocals are not the best, just something others for death metal. The 1st track is very heavy, cool to mosh up, hihihih!! The production sounds like a well recorded rehearsal, but is very bad for a demo!!! Now they're working on a 2nd demo with a better sound they've said. Well, I really hope so!!! Bad sound, but great music!!! Order it for \$5 everywhere: Mike, 1062 SE 56th Court, Ocala, FL 32671, USA. NOTE:2

HELLBOUND-Apocalyptic visions reh. demo

-Again a band from the USA, but this time with a much more better sound. The music they play I would describe as very thrashy death metal. The vocals are screamy, not growled like all these death heads around. The music is well played but nothing too special for me. They said that they're in contact with FC, I guess that's ROADRACER RECORDS. It cost \$5 from: J.D. Valladares, 35 E. 208 th ST. #11, Bronx, NY 10467, USA. NOTE:2

LIBATION-Sanctimonious offering demo

-Finally this time no death metal and also no grindcore stuff, although fast played. It's dark black metal from Singapore. LIBATION is the best band together with MUTATION from this country that I know. The sound is not very good, but OK. The music they play I like a lot really. Maniacs who like BLASPHEMY or BEHEMOTH should check them out!!! One of them is also the editor of a cool zine, but I can't remember who?? Write to: DISCIPLINES OF DARKNESS, BLK 268, #03-254, BT. Batok East Ave. 4 Singapore 2365, Republic of Singapore. NOTE:2+

DAMNACY-From within demo

-And just again another band from the USA is this. DAMNACY they're called and play brutal death metal. Only one thing make me nervous when I hear this demo, and that are these vocals that don't fit to their music. The production isn't a killer, just only good. The cover is pressed on quality paper and soon they're getting also quality tapes!!! Stan the guy who've send me their demo, told me that he met Dirk the ultimate growler of the German death metallers MALAFAR the last summer in New York and that he's cool dude. The demo is available for \$5 from: Stan Zielinski, 586 East RD., Be Ilford, NY, 07718, USA. NOTE:2

HYPOCRITE-Ruler of dark demo

-Oooooohh, ch, ch: A very bad sounding demo I got here. I don't mean the music, but the production! Although it's recorded in Sunlight!!! But it could be that it isn't the demo, I guess it's just the bad tape that they've send me here. The demo is recorded on a Swedish sound track recording from the year 1983, so it must be the reason for this sound. The music is technical death metal with a great vocalist. The music is absolutely typical for Sweden, but with a bit of own identity(???)! Now they're working on their 2nd demo, should be a real killer!!! This demo cost \$4 in Europe and \$5 rest of the world: Johan Haller, Storskites V.100, 145 60 Norsborg, Sweden. For orders is this adress: Nicke Åberg, Kristall V.94, S-126 78 Hagersten, Sweden. NOTE:2+

AUTOPSY

And now to an interview with a really dark and evil doomy death/black metal band from Sweden, called AUTOPSY/TORMENT. It was formed in '89 as a one-man band, but at this time it only was bored Noise core. In May '91 then they formed to a full band and recorded their 1st real demo "Darkest rituals" which is fantastic! GOATLORD

This interview here I made with Joe Franklin, the Guitarist of the Doom/Death/Black Metal band GOATLORD!!! The band started to play music for about 5 years and have released 2 demos and one full LP (Reflections of the solstice) for TURBO MUSIC here in Germany. If you don't have their LP, then you should go to your record store and buy it!!! I think it's great, believe me!!

TELL ME SOMETHING ABOUT THE CREATION OF GOATLORD:

-The band formed about 5 years ago in Las Vegas area. The members are: Ace Still-Vocals, Jeff Nardone-Drums, Joe Franklin-Guitar, and Jeff Schwob-Bass. We have released 2 demos which are: "demo 87" and "Sodomize the goat".

HOW DO YOU FEEL TODAY?

-I feel like snorting and ounce of cocaine, licking some rotten pussy and masturbating while sitting on top of a horse in a barn.

DO YOU KNOW IF YOUR GREAT DEBUT LP IS SELLING GOOD AT THE MOMENT?

-I'm not really sure. It has only been out a few weeks. I hope it selling good. What I heard from TURBO MUSIC, it's doing good.

WHAT DO YOU THINK ABOUT VIOLENCE AT GIGS???

-I think it's stupid! People should try to have a good time at gigs!!! People can still stage dive and slam dance without getting hurt. So why does there have to be violence??? It's dumb!

I say GRAVE???

-I don't know what the Hell you just asked?? (Hm, I wanted know what you're thinking about the cool Swedish band GRAVE and what you would say about them!!!-ED)

DO YOU LIKE PORNS???

-Only if they include a horse, two cows, a pig and some ketchup! (Damn animal fuckers!!!!!!-ED)

WHAT DO YOU BELIEVE IN, IN GOD OR IN SATAN???

-Neither! Nobody in the band believes in Satan. Jeff Schwob is an Atheist, Jeff Nardone and Ace don't know what they believe in (Maybe yet in Satan???-ED) and myself is trying to understand the Christian point of view. (Häh? Why that???? I think there's nothing that you could understand!!! People should more believe in themselves and not in any stupid God, cool Satan or something like that!!! But I better don't think too much, ha ha-ha-ha-ha...-ED)

DO YOU HAVE NEW MATERIAL? WHEN DOES YOUR 2ND LP COME OUT?

-We have about 3 new songs for the next LP. They are so fucken heavy!!! Our next LP won't be out until maybe sometime next year.

YOUR INFLUENCES:

-Our influences are mostly older bands such as old CELTIC FROST, old SODOM, POSSESSED, EVOKED DOOM VITUS.

FUTURE PLANS:

-Short more cocaine and tour.

LAST WORDS BEFORE BRUTALLY DYING:

-Do cocaine and go to Hell!!!!!!

MORTUARY MAGAZINE

Burgi-91

And now to a really perfect Death Metal band from Finland, yeah, of course it's DEMIGOD!!! I've also done an interview with them in my 2nd issue, but I thought it's time for a 2nd one!!! I don't know so much about their band history, but I know they've done a rehearsal tape, then a great demo "Unholy domain" and now they have done a 2nd rehearsal with 5 new killers!!! But now to the interview that I've made with Esa their guitarist and Vocalist:

YOUR FIRST COMMENT:

Hello Christian! How are you? (Oh, thanks for asking! At the moment I feel me really OK, I'm hearing the new PESTILENCE LP which is of course very good and do writing this interview! -ED)

WHICH ZINES FEATURED YOU TILL NOW?

Well, we haven't been in many zines yet, but we'll soon. I have answered to very many interviews. We have been featured in PUTREFACTION, MORTUARY MAG (what's that?) (I don't know??? I think it must be a very great Underground Mag!!! -ED), ZULMAT, MAGGOT ZINE, ISTEN, NUCLEAR GORE, ANATHEMA, DROWNED and some others. Just wait and you'll be sure we'll be featured in many zines soon.

HAVE YOU NOW SOLD MORE THAN 500 COPIES OF YOUR DEMO "UNHOLY DOMAIN"?

Yes, we have sold 800 copies in 8 months. Quite amazing or what? I think it's very much for a debut demo from a unknown band. We won't take more copies from it anymore. Only way to get it is to send a blank tape and postage if possible (it's not a must, but we would really appreciate it)! Of course there's a second way to do it. You can send me \$5 (Europe) or \$6 (Elsewhere) and I'll buy a blank tape and record our stuff on it. You'll get our newest (10th of September) rehearsal tape on it, too!!!

DO YOU GET MUCH MAIL THE WEEK?

Sometimes I only get 15 letters or something like that, but I have got more than 30 letters in a week sometimes and that's fucking cool!! All you cool people out there write to me - OK! I'll answer all my mail personally!!!

GET YOUR DEMO GOOD RESPONSE? I THINK IT'S GREAT!

Yes, response has been very good! Cool that you like it!!! I think we're overrated in the underground. Anyway it's great that people likes our stuff - it makes us try even harder!!!

DO YOU LIKE FUCKING WITH YOUR GRANDMA???

No way man! DO you??? (Yeah! Sometimes, but most I do it with Elfride, that's a corpse at the graveyard here in Petersburg, when I'm hot!!! -ED) I prefer nice little bitches more! (Yes, bitches are OK, but I think to fuck with my favcorpse is much more better!!!! -ED)

DO YOU GET SOME DEALS FOR A 7"EP OR MAYBE FOR A FULL LP?

We have got more than 10 offers to do a 7"EP but we won't do any. Cause every Death Metal band will do one. Only things you have to do is to make a demo and you'll get many offers to do a 7"EP. I don't find it cool anymore. Yes, we have got two offers to do a full LP, but we aren't ready for it yet. I know I have said to everyone we'll do a 7"EP and a Split LP, but we won't do. We want to work harder on our song and try to get all tighter. After that we'll do something - I don't know yet what but it won't be a 7"EP, that's for sure!!! We won't be back until '91.

I say MASSACRE???

Very cool band from the USA. One of the first and godliest. I like them a lot, especially Kam Lee is an excellent Vocalist. Everyone should buy their debut LP.

HOW LONG IS YOUR NOSE???

I can't even think about it!!! (Why not??? -ED)

I say NUCLEAR BLAST RECORDS???

Well, I don't like all bands they have. Fucking too big label for DEMIGOD!! We would never like to be so big band that NUCLEAR BLAST would offer us a deal. If we'll sometimes do an LP we'll do it for a small Underground label and not for a big label! (NUCLEAR BLAST, EARACHE)!!!

FUTURE PLANS:

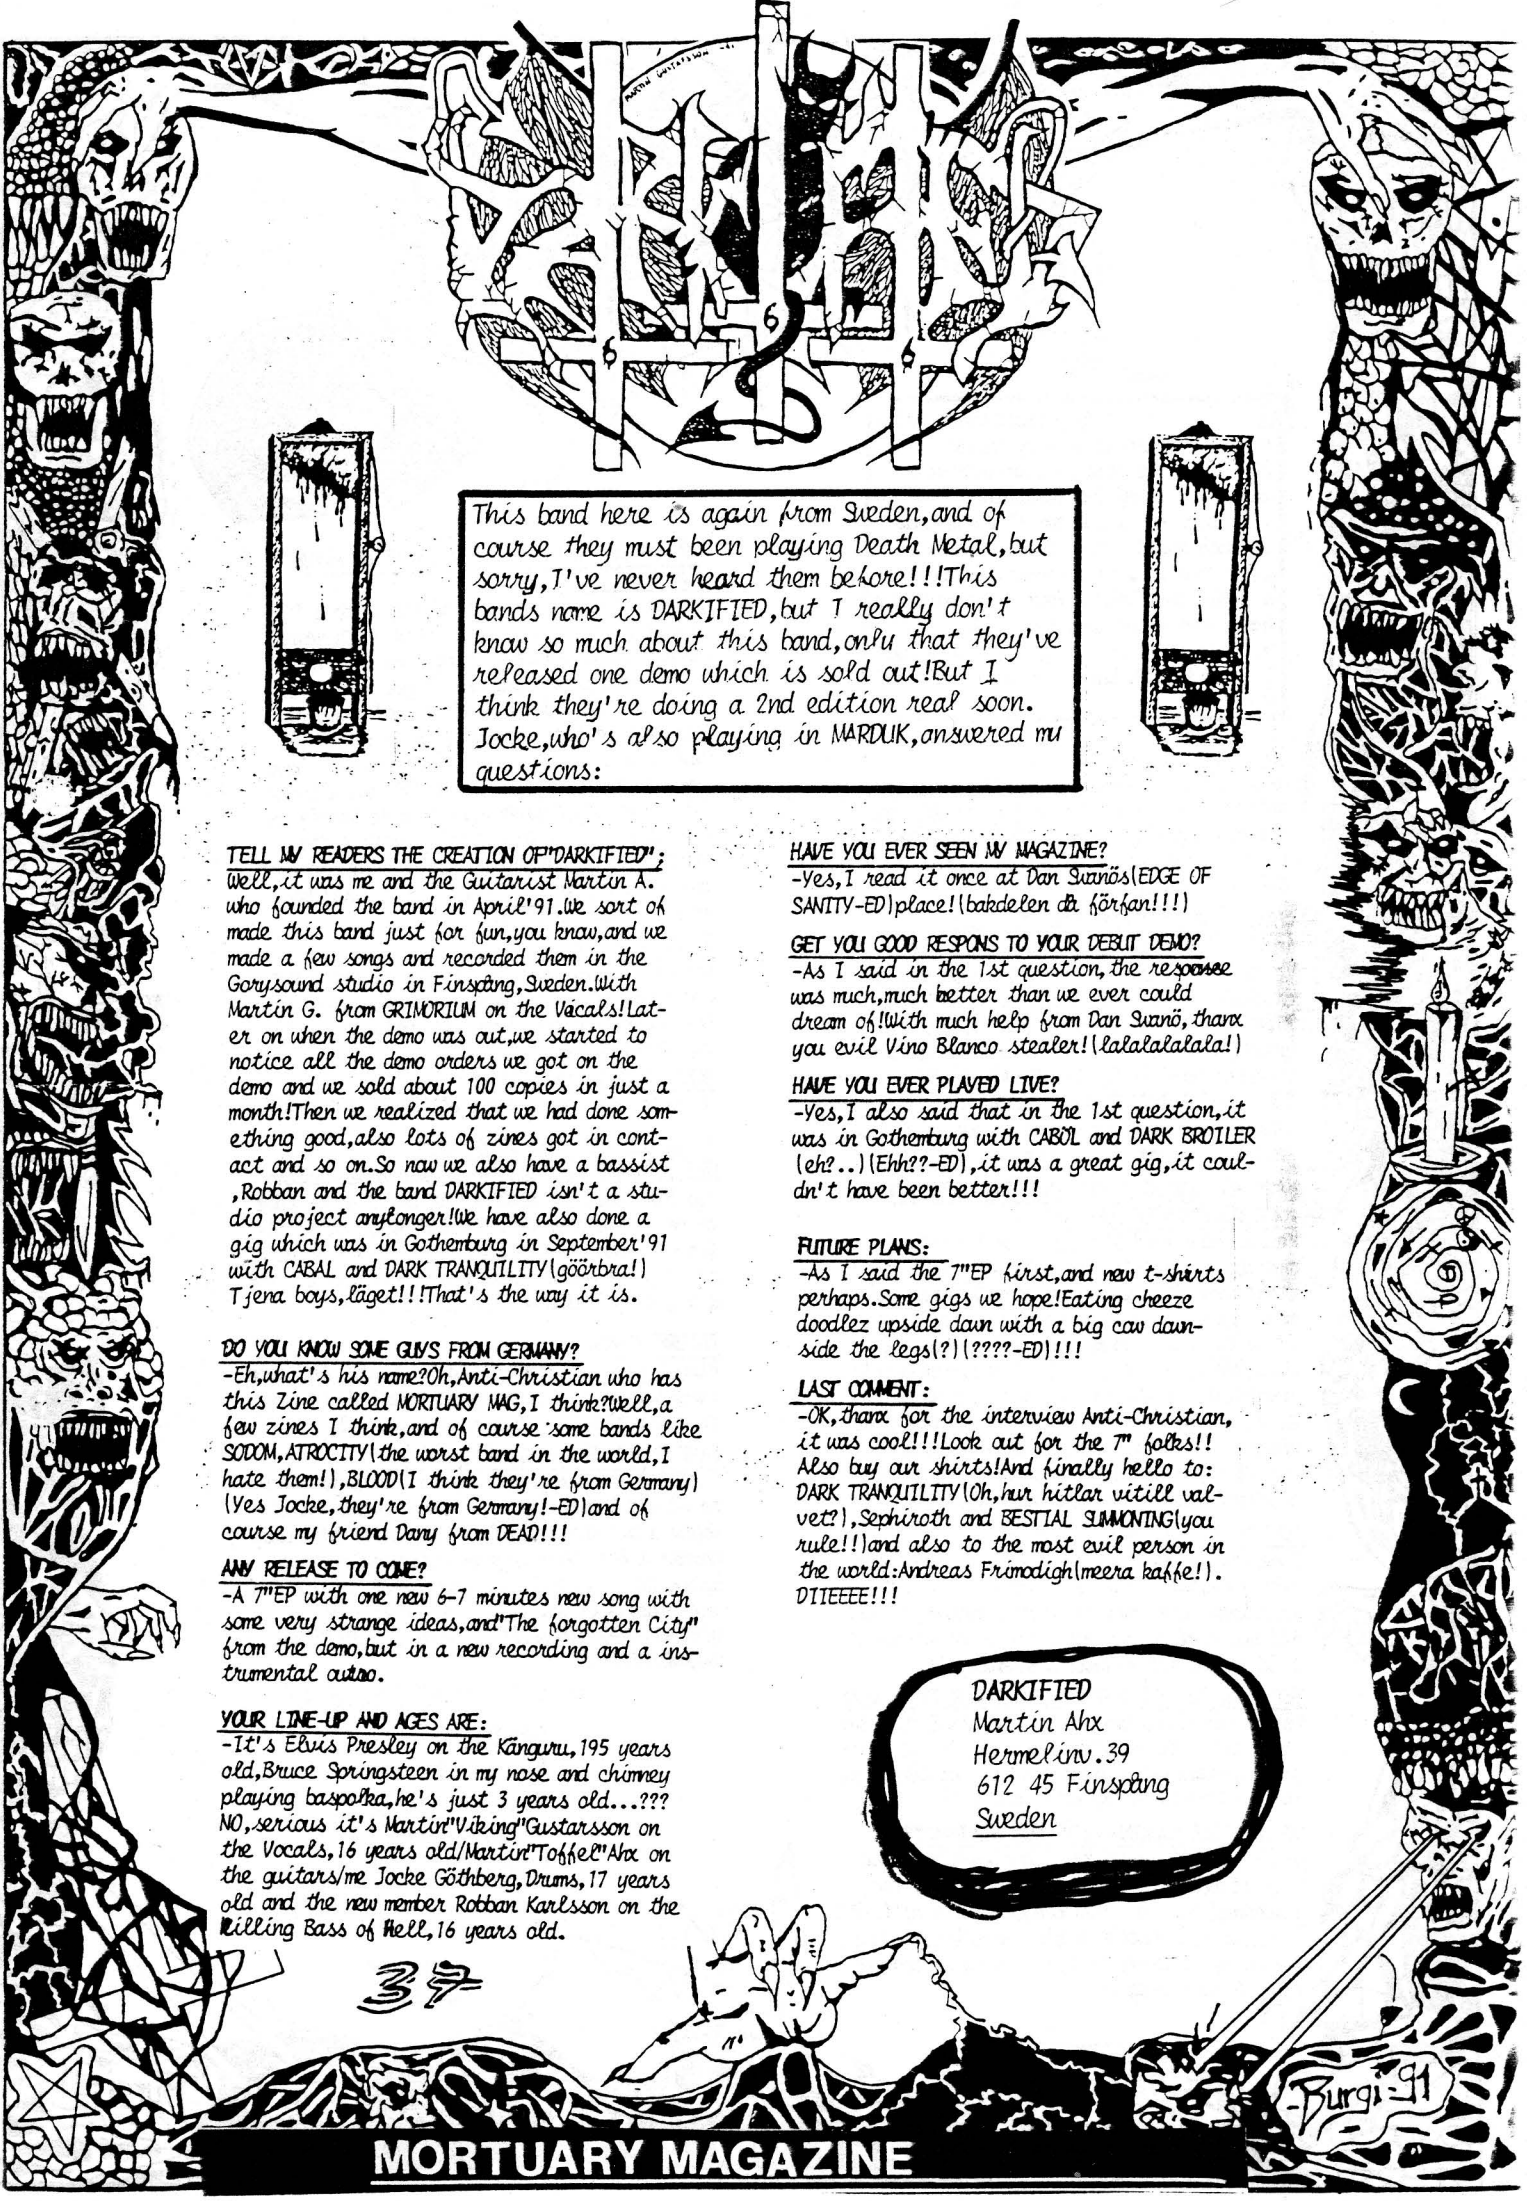

Play 2 gigs in Germany with FLESHCRAWL and some others. I hope it'll be great time! I don't want to think about our future releases yet.

LAST WORDS BEFORE GOING TO HELL:

Well, I'm not going to Hell. (Why not? I go often to it, and I must say it's really great there!! Maybe a bit too hot, but who cares!!!! -ED) Anyway thanks a lot for making an interview with us again. (No problem! I hope there will come an 3rd interview with you in my 4th issue!! -ED) MORTUARY MAG rules!!!!!! (I know... -ED) ETERNAL DARKNESS!!!!!!

This band here is again from Sweden, and of course they must be playing Death Metal, but sorry, I've never heard them before!!! This band's name is DARKIFIED, but I really don't know so much about this band, only that they've released one demo which is sold out! But I think they're doing a 2nd edition real soon. Jocke, who's also playing in MARDUK, answered my questions:

TELL MY READERS THE CREATION OF "DARKIFIED":

Well, it was me and the Guitarist Martin A. who founded the band in April '91. We sort of made this band just for fun, you know, and we made a few songs and recorded them in the Gorysound studio in Finspång, Sweden. With Martin G. from GRIMORIUM on the Vocals! Later on when the demo was out, we started to notice all the demo orders we got on the demo and we sold about 100 copies in just a month! Then we realized that we had done something good, also lots of zines got in contact and so on. So now we also have a bassist, Robban and the band DARKIFIED isn't a studio project anymore! We have also done a gig which was in Gothenburg in September '91 with CABAL and DARK TRANQUILITY (göörbra!) Tjena boys, läget!!! That's the way it is.

DO YOU KNOW SOME GUY'S FROM GERMANY?

-Eh, what's his name? Oh, Anti-Christian who has this Zine called MORTUARY MAG, I think! Well, a few zines I think, and of course some bands like SODOM, ATROCITY (the worst band in the world, I hate them!), BLOOD (I think they're from Germany) (Yes Jocke, they're from Germany! -ED) and of course my friend Dany from DEAD!!!

ANY RELEASE TO COME?

-A 7" EP with one new 6-7 minutes new song with some very strange ideas, and "The forgotten City" from the demo, but in a new recording and a instrumental outro.

YOUR LINE-UP AND AGES ARE:

-It's Elvis Presley on the Känguru, 195 years old, Bruce Springsteen in my nose and chimney playing baspolka, he's just 3 years old....??? NO, serious it's Martin "Viking" Gustarsson on the Vocals, 16 years old/Martin "Toffle" Ahx on the guitars/me Jocke Göthberg, Drums, 17 years old and the new member Robban Karlsson on the Killing Bass of Hell, 16 years old.

HAVE YOU EVER SEEN MY MAGAZINE?

-Yes, I read it once at Dan Svanö's (EDGE OF SANITY-ED) place! (bakdelen är förban!!!)

GET YOU GOOD RESPONSES TO YOUR DEBUT DEMO?

-As I said in the 1st question, the response was much, much better than we ever could dream of! With much help from Dan Svanö, thank you evil Vino Blanco stealer! (lalalalalala!)

HAVE YOU EVER PLAYED LIVE?

-Yes, I also said that in the 1st question, it was in Gothenburg with CABOL and DARK BROTHER (eh?..) (Ehh??-ED), it was a great gig, it couldn't have been better!!!

FUTURE PLANS:

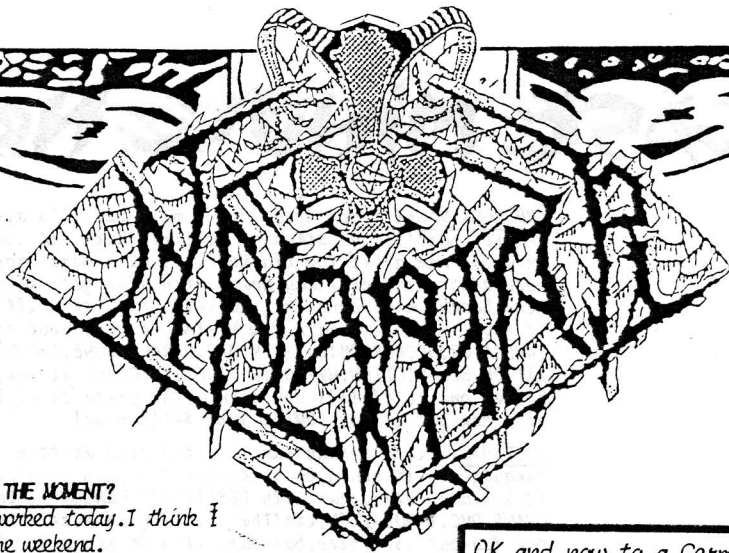

-As I said the 7" EP first, and new t-shirts perhaps. Some gigs we hope! Eating cheese doodles upside down with a big cow downside the legs! (????-ED)!!!

LAST COMMENT:

-OK, thank for the interview Anti-Christian, it was cool!!! Look out for the 7" folks!! Also buy our shirts! And finally hello to: DARK TRANQUILITY (Oh, hur hitlar utill valvet?), Sephiroth and BESTIAL SUMMONING (you rule!!!) and also to the most evil person in the world: Andreas Frimodigh (meera kaffe!). HOW DO YOU FEEL AT THE MOMENT?

-Bad, because I've worked today. I think I feel better at the weekend.

DO YOU LIKE TO WATCH PORN MOVIES???

-Yes, of course. Do you know a boy who don't like porno films?

FROM WHICH COUNTRY DO YOU GET THE BEST RESPNS?

-I don't know from which country we get the best respons, but we get respons from France, Sweden, Mexico, Germany, USA, Italy, Poland, etc.

HOW DO YOU SEE THE WORLD IN THE FUTURE?

-I don't know. I hope we live together in peace times without a war, because war is stupid.

DO YOU LIKE TO ROT IN TOMATO SAUCE???

-Yes, why not? It's better than rotting in a coffin.

WHY DO YOU CALLED YOUR BAND 'MALAPHAR'???

-That's very easy. We called our band MALAPHAR, because not everybody know the meaning of this name. Malaphar is the name of a ghost out of the book "Necronomicon".

YOUR FAVE BANDS, MAGS AND MOVIES:

-My fave bands: INCANTATION, UNLEASHED, CANNIBAL CORPSE, IMMOLATION, GOREAPHOBIA, NORBITO ANGEL, DERKETA, ACHERON, CENOTAPH, BAPHOMET (NY), DARK THRONE, NAPALM DEATH and so many others. My fave mags are SPIKEHEAD, PUTREFACTION, HERETIC, STENCH OF BLOOD, GORE DEATH, PEARDROP, FINAL HOLOCAUST, EVOKER, of course MORTUARY MAG and many more.

My fave movies: Hellraiser, Hellbound, Evil Dead I, Nightbreed, The Silence of the Lambs, Terminator, Predator, Bad Taste and so many other Horror, Splatter, Porno, Fun, Action and Gore movies.

ARE YOU A PERVERS GUY???

-Yes, I am. Because I think everybody is pervers in his own kind.

ARE YOU INTO OCCULTISM?

Yes, I do! I read books or watch movies about Occultism.

OK, and now to a German band called MALAPHAR, which is playing realy cool Death Metal!!! They don't have any demo or EP out, but an very interesting Promo demo with three tracks! I think it's one of the best German Death Metal blands, so check them out! Oliver answered the following interview:

NEXT RELEASE:

-We wanna record a demo soon. Perhaps we'll release a 7" inch EP on SERAPHIC DECAV REC.. But we have heard that SERAPHIC DECAV is a ripp-off! (Yes, they're a stupid ripp-off label!!! I know a lot of people who wrote them but never get any answer or no money back, like me!!! -ED) We'll write to other 7" inch labels too and then we'll see what's going on.

FUTURE PLANS:

-Oh, I don't know. We hope that we play many shows, make good songs and get much respons on our Demo or 7" EP.

LAST COMMENT:

-Keep the Underground scene alive! Thank you for the interview! Good luck with your MORTUARY MAG (Oh, thanks! -ED)!! If some body is interested in our three song tape shall send a blank tape and one IRC. BYE!!!

LAST MINUTE NEWS

TRECHOMA MAG#2 I got today and I must say it's a real killer, for sure!!! I've already reviewed their 1st issue, but this one was a bit too old. Now it's much more professional done, also in a better way. Now Morten also gets help from Kent Baden which done the LACERATION MAG (or still do it!). It have interviews with Paw Nielsen (a very cool drawer!!), INVOCATOR, NECROPHOBIC, ISTEN MAG, DARK THRONE, INCUBUS, IMMOLATION, BENEDICTION, HYPNOSTA ZINE, etc! Check it out, it's a killer one, really!!! I don't know the price of it, but you also can get it for 7DM (or just \$4) from me!

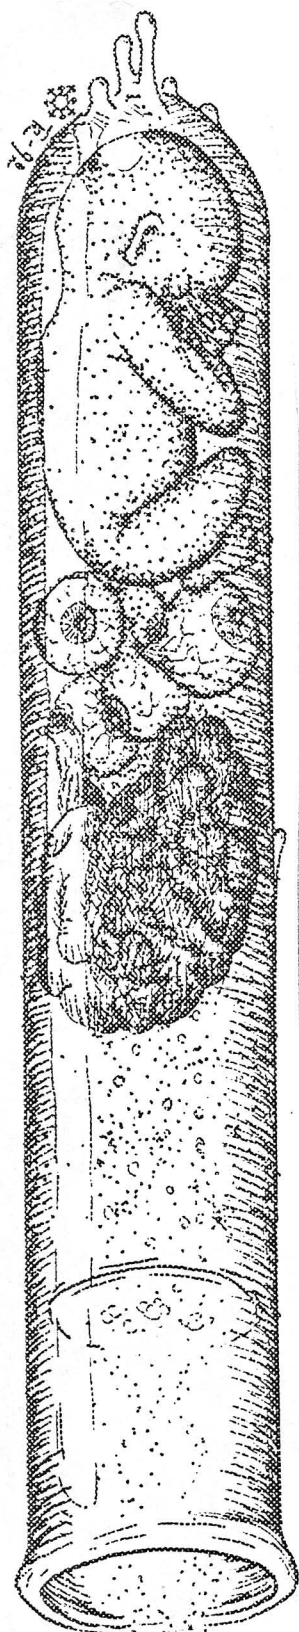

KULT MAG#2 is a German fanzine, it's also written in this language, so it could be a problem for guys outside of it!! It feature interviews with PESTILENCE, PUNGENT STENCH, FLESH-CRAWL, DVC, IMMOLATION, etc! The printing is really bad and the lay-out is stolen, but sure it's OK for a 2nd issue!!! I've seen that they have 3 or 5 contributors, so I think it could be A LOT better with so much helpers!!! Available for only 3DM and package I guess, from: Carsten Herder, Felixstr. 27, 4407 Emsdetten, Germany.

F.V.A.F.T ZINE issue 2 is also out!! I've also reviewed the 1st issue from them here. I mean their 2nd issue is a lot with everything, but it have still this bad printing. It includes interviews with BOLT THROWER, MAYHEM, DESULTORY, DECADENCE, PRESTIGE, ATROCITY, NECROPHOBIC, etc! What more should I tell ya?? Buy it, it's very cool!!! Available for \$4!!!

PUTREFACTION MAG#1. This isn't the Swedish death/black metal fanzine, this is the German version! But this mag don't feature the usual death/grind/black stuff, this one features very cool and sick stories told by the contributors! It's well xeroxed and written, in German!!! It also includes cool artworks, flyers and addresses! I think it cost between 3 and 4DM plus postage+package!!! Martin Brinkmann, Pferdémühlendamm 19, 2852 Beddrhesa 19, Germany.

PUTREFYING MASS ZINE have put out it's 2nd issue a longer time ago, so here's the review about it!! It have interviews with UNLEASHED, NECRONY, ASPHYX, MASSACRA, SAMAE, CANNIBAL CORPSE, PARADISE LOST, DESULTORY, etc! It's good xeroxed and cool done, but it really reminds me a LOT of PUTREFACTION ZINE and my 1st and 2nd issue! Wilbert (the editor) also does a comp. tape under the same name, it have lots of great bands featured!!! His 3rd issue will come very soon, so watch out for it, OK! Here's his new address: PUTREFYING MASS PRODUCTIONS, Rooth 77, 5993 Maasbree, Holland.

Alright, let's come over to the demos. First one is a 3 track tape from BAPHOMET. I also have reviewed a song of them on the 2nd volume of the DEAF RECORDS compilation, but these songs here are much more sick and brutal, the song of the DEAF Comp. tape is also featured. BAPHOMET also played on the "Michigan Death Fest", "A day of death" and they also did a lot of other shows around in the whole States! Their debut LP should be out now when you read this here, so if you like brutal and extreme death metal in the vein of CANNIBAL CORPSE, GOREAPHOBIA, etc, then is this band the right thing for you, BUY THE LP!! I'll also do an interview with them in my 4th issue! Here's their address: BAPHOMET, PO Box 1063, BFLO. NY 14220, USA. The newest tape I got is the new SADISTIC INTENT EP which should now available by WILD RAGS RECORDS! The sound on the tape isn't the best, but it could be that it's the tape or that's abd recorded, or whatever! The songs are very good, I think. Now they're working on songs for a full LP!!! This EP here is very limited, to only 1000 copies, so hurry if you want this cool vinyl, OK! Rick/Bay Cortez, 6251 Casitas Ave., Bell-Ca. 90201, USA. From Finland comes MIND RIOT, a death/thrash band with their debut demo called "Exit severed". It's professional packed and have a strange cover. The music is well played, but the vocals are very bad, he tries to sing brutal, but he doesn't sound like it! This band is cool besides the Vocalist! and if you're into something different, write to: Tuomo Saikkonen, Virkkilä, 54100 Joutseno, Finland. OK, now to 2 very professional and cool comp. tapes! The 1st is DEFACED#1, it's done by Dave Rotten who also does the DROWNED MAG and who also released some nice demos, and soon very nice records!!! This tape includes tracks from UNLEASHED, FUNEBRE, ABHORER, AMPUTATION, BLUUURGH, HUMAN WASTE, GOREFEST, etc! It have a full colour cover, gloosy paper and a inlay adress paper!!! The sound of it is OK, but could be better!!! He's also doing a distro, another reason to write him at: DROWNED PRODUCTIONS, PO Box 39048, 28080 Madrid, Spain. The other one is MORBID NOISE which have already it's 6th Volume out! Now it isn't done by Thierry Prince anymore, cause he was sooo lazy guy, and now it's done by a friend of him; I think. This comp. tape is much more better than DEFACED, cause there are better bands featured (like SUFFOCATION (WG), SPITHEAD, LUBRICANT, SINOATH, INVERTED, SUPURATION, NECRONY, ACHERON, etc) and it have a better sound, I think. He's also doing another comp. tape called HELLRAISERS, I guess a new volume could be out now!!! Write to: Van Lancker Pierre, Residence De L'Ambleve-12, 1300 Limal, Belgium.

Ah, I can't give it up to cry, because the PUTREFACTION TOTAL DISTRO is on ice now, aaaaah....! But don't worry, we'll come back with it when we've enough things for the next list, OK! Here're now some things we still have on depot which we must sell very fast, so the extra cheap prices!!!

Here I've done an interview with the coolest and best Zine editor on earth: Metalion!!! I don't know why, but his last issue (8) was so unbelievable fantastic!!! This issue have influenced me a lot, so it's no wonder that my issue here looks a bit like his!!! Metalion is also great penpal from me!!! I really hope that his 9th issue is out as soon as possible!!! READ ON!!!

HEY, HOW DO YOU FEEL TODAY?

-I guess I feel good. It is Sunday, I listen to LARD, I don't have a headache so things could be much worse. Oh course I'm pissed and sad about the current Death Metal trend and how commercial!!! Everything has become, but besides that, I feel OK, something like that.

HOW MUCH COPIES HAVE YOU SOLD FROM YOUR 1ST TILL YOUR 8TH ISSUE?

-I sold about everything I printed so far, so I must say I'm satisfied. I have about 200 copies left of SLAYER#8 and according to my conclusions they will all be gone about X-Mas. I have printed 1000 copies of each of issue 5, 6, 7 and issue 8. Issue 1 and 2 was only printed in 200 copies, and issue 3/4 was a big double issue which we printed in 500 copies!!!

WHAT SAY THE NAME "METALION"?

-It's a nickname I had for about 10 years or so. You know, I always been into metal and my name is Jon and with some tricks and stuff it all ended up to be Metalion. And it stuck since that, I'm still Metalion!!

HOW OLD ARE YOU COOL GUY?

-I'm older than time itself!!! Well, not really, but I'm something like 24 years old. What about you cool guy? (I had birthday some month ago and now I'm 666 years, and I must say I had an real hard life with the mankind till now, no seriously! Now I'm 14 years old! (young)!!!!!!-ED)

HOW MANY LETTERS DID YOU GET LAST WEEK?

-I think I'll get about 30-40 letters a week, but it depends. I get sometimes more, but I get letters every day and I also try to mail some everyday. But I don't have time to answer all mail properly.

YOUR FAVE BANDS, MAGS AND MOVIES:

-Movies, I don't see much as I don't have a Video or a TV, but some worth are SHOUTIZ (Norwegian), BEYOND, I don't see much movies anymore, but I used to like EVIL DEAD, DAY OF THE DEAD, HELL-RAISER but it is ages ago since I saw them. I still have them somewhere I think. Funny movies are nice. Oh well, I'm sorry. Fave zines: There is a few ones worth to read, ISTEN, ULTIMATUM, PYTON, SEPULCHRAL NOISE (RIP) and others. Must I say MORTUARY MAG??? (No, oh course not!!! Only when do you like it really, but I think you should say now, cause I think this issue is much better than my 1st or 2nd issue, isn't it???-ED) Fave bands, everything that is extreme and not trendy. Stuff like the 3 first BATHORY LP's, MANTAS, VENOM, DESTRUCTION (old stuff), HELLHAMMER, INCUBUS, (demo '87), CELTIC FROST. Oh the bands today I mostly like stuff like ROTTING CHRIST (which rule totally with their 12") SAMAE, SATISTIC EXECUTION,

MAYHEM, NECROMANTIA, CATHEDRAL, ABRUPTUM, etc.
I also like tons of others more state of the art bands like PARADISE LOST, BOLT THROWER, DISMEMBER, also GODFLESH is great. And I like millions of others stuff like EIN-STÜRZENDE NEUBAUTEN, ASHRA, TANGERINE, DREAM, PSYCHIC TV, BDN, APOPTYGMA, BERZERK, NORTH-OND and millions others. I love music, but I'm not so much in the trendy Death Metal of today. Bands recording at Morrisound loose identity and become lame, the same with Sunlight and those million ENTOMBED clones. A new band well worth to check out is MY DYING BRIDE!!! (yes, that's right! -ED)

SAV'HELLO TO SOMEBODY;

-Yes, I would say hello to Savros and Jim Mutilator!! See you soon! And other nice people: HELLO!!!

ARE YOU DOING ALL ALONE WITH SLAYER MAG?

-Yes, more or less. I do the lay-out, typing, etc. as well as most of the writing. But I've got some serious help for SLAYER#9 by some good friends.

DO YOU LIKE FUCKING WITH CATS AND DOGS???

-NO!!! Do you? Is it normal in Germany? (NO, it isn't normal in Germany, but I know some real pervers people who are doing that and they're think it's better to do it with a girl or a boy, so why don't you try it, Metalion???) -ED) Perhaps! It must be better than listening to MORGOTH, hahahahahaha...

DO YOU KNOW SOME RIPP-OFFS?

-Nah, don't think so. Not that I can think of any way. But it depends on what you mean. Sometime a major label can be considered as a ripp-off! Or people selling extreme expensive shirts.

TELL ME MORE ABOUT YOUR NEXT ISSUE:

-I don't wanna say much, sorry! But I try to make it more original and more articles!!! Wait and see, of course the usual stuff...

I say DEAD???

-I say hail and RIP! Great person!!!

WHAT DO YOU THINK ABOUT THE DEATH METAL SCENE TODAY?

-I don't like it so much. Everyone seems to be stuck and the ultimate dream is to record in Morrisound. It was exiting at the beginning with MORBID ANGEL, NASTY SAVAGE and DEATH, but now it is like a joke. Everyone records there everyone sounds the same. I wonder why bands are blind enough to record there???(Yes, I'm also wondering how so many bands can be so stupid and record there???) I think every 3rd LP is recorded in Morrisound or in Sunlight, and all sound the same, that sucks!!! -ED) Is it the crystal clear production and the money that counts? I have big problems in separating those albums. Does anyone remember that time when almost every week there was a LP out by a Guitar god? The same is happening here. Problem also is, Death Metal has become Mainstream. There is nothing shocking, extreme, revolting about Death Metal anymore. That is so bad. I hate it. Some bands are OK, like MASTERS HAMMER, ROTTING CHRIST. But I feel the scene is killing itself with ENTOMBED and MORBID ANGEL on MTV!! Fuck it!!! I prefer more and more the ancient bands and no 2nd rate MORBID ANGEL clone. People should be more extreme!!!

DO YOU HAVE GOT A JOB ANYWHERE?

-I used to work some in a record store (SLUSK) but it seems like it is going straight to hell!! UHH!!! I still work there, but it doesn't look good! Maybe I will join Occultus and Euronomus in their record-store "Helvete" (=Hell), we'll see. At least I will try to help them guys out a great deal with records, demos, etc.

I say MORTUARY MAG???

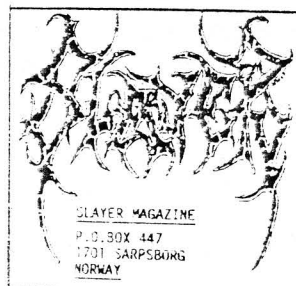

-I say why not! But why you put MORGOTH in your Mag? It was so stupid how they put down DISMEMBER in your last issue (Nr. 2-ED) Well, DISMEMBER's lp might not be the most original ever, but it sure kills "everything" what MORGOTH ever have done. MORGOTH is nothing but a 2nd rate DEATH clone and how they put down a fine band like DISMEMBER is unforgivable!!! What MORGOTH said must have been in pure jealousy! Or what do you think? I think it's really unfair from them put down DISMEMBER and the Death Metal today and also how they are, they think they are the biggest, and I hate that!!! But I must say they music that they play is real cool, but not so good like DISMEMBER!! -ED)

PLANS FOR THE FUTURE:

-To live in harmony with myself and the wonderful world of music. Don't except to much. Have a good time with your friends. Make some more issues, buy some records.

LAST WORDS:

-Yeah, don't slit your wrists unless you really want! THANXXXXX Anti-Christian!!!

PAN-THY-MONIUM

Well, here I have interviewed PAN-THY-MONIUM, a Swedsih (again) Death Metal band which is very cool one, really!!! Benny their drummer, which is also playing in the well known band EDGE OF SANITY, have answered my boring questions!! So, if you want know about em, read on:

HI BENNY, HAVE YOU ALREADY TODAY FUCKED WITH YOUR GRANDMA???

-I'm sorry if I dissappoint you when I say no, but you should have asked me that yesterday, cós I did it then!!!

PLEASE TELL MY READERS OF "MORTUARY" MAG SOMETHING ABOUT THE CREATION OF PTM:

-PAN-THY-MONIUM was formed one boring day in May '90 by me, Dan and Robert. We did a few songs and decided to record em probably. So we added Robert II as Vocalist and then we recorded our "...Dawn" demo in July '90, so it's quit old.

WHY DO YOU HAVE A SO STRANGE BANDNAME??

-It depends on that one of our main influences. CELTIC FROST did a very strange on the album "Into the Pandemonium". And then we changed the name a bit to not get connected to the band PANDEMONIUM.

ARE YOU STILL SATISFIED WITH YOUR DEMO?

HOW WAS THE RESPONSE AND SELLINGS OF IT?

-Yes, I'm still satisfied with it, but as always there are things that could have been better. PTM represent a more dark Death/Black Metal, so I'm a bit surprised that we have had this great response that we have got!!! I thought that you had to play like ENTOMBED to get good respons. The sellings of the demo has reached up to 300 copies and it's very much when you think about that I've copied it all by my self at home! Not too funny!!!

DO YOU KNOW SOMETHING ABOUT GERMANY?

-Yes, I know some good and some bad things but let's take the good things! Our record company with EDGE OF SANITY (BMP) has it's headquarters there, there's also good beer and that I've got a friend there called Oliver and not a least MORTUARY MAG!!! The bad thing is all those new Nazi parties there right now!!! Nazis! GO AND DIE!!!!!!

ISN'T IT HARD TO PLAY IN TWO BANDS? DO YOU STILL HAVE ENOUGH TIME FOR "EDGE OF SANITY"?

-To play in more than one band is no problem anyway. Right now I play in four (4) bands!!!!!! (ED) Well, if you don't seems to know, EDGE OF SANITY is the main band. There's always time for it with PTM. We do not rehearse so much and it's good, I think.

TELL MY READERS A BRUTAL SPLATTERSTORY:

-OK, I'll try! It was the finest day every on earth. Peoples were smiling and everything had peace! Is that enough, or? (haha-I think so-ED)

WHAT WILL BE YOUR NEXT RELEASE?

-The next PAN-THY-MONIUM release will be an EP called "Dream IT" on OBSCURE PLASMA RECORDS. It contains four new songs of black wierdness! Tghis time we are satisfied to 99% with the sound and the songmaterial, it will spread chaos!!!! (I hope so!!!-ED)

ASK ME SOMETHING:

-DO YOU HAVE A SPIDER PHOBIA?

+No, I don't have!!! Maybe I'll got it one day?

ASK YOURSELF SOMETHING:

-WHAT WAS THE 1ST RECORD YOU EVER BOUGHT?-It was "Overkill" from MOTORHEAD!! (hey Benny, the 1st record that I bought was also a record from MOTORHEAD, but I can't remember which???-ED) It's still one of the best I've got!!!

WHAT DO YOU THINK IS A REAL SATANIST?

-I think that a real satanist is just like us who's not satanist. He's probably an shy man/ women who don't like to tell everybody he/she meat, that I'm a satanist coz he wanna keep his believe for himself!!!

DO YOU THINK THAT UNDERGROUND MAGAZINES SUPPORT THE SCENE?

-Yes, of course they do that! I don't think the underground would exist without 'em. I also admire those who makes (not all of 'em) 'Zines, cós it must be a lot of handwork! that it is Benny-ED) KEEP IT UP!!!

FUTURE PLANS:

-As I said, release the 7" ep and then do songs for our LP! What more? In spring we'll probably start up our hobby Football team (Bilöset!) again and it will be fun! (I hope so for you-ED) Await the new CELTIC FROST album when it comes and hope they'll return to "Into the Pan..."!!!

ANYTHING MORE TO SAY?

-Yes, PAN-THY-MONIUM shirts are out now for \$16. Thank to you my friend! (also thank to you Benny for the answers-ED) also thank to those who includes IRC when they write!!! Thank to all tape traders (we are you a lot) and of course I want to say sorry to "IT" of ABRUPTUM for breaking his beerglasses!!! Bye!!!

GOREAPHOBIA

PLEASE TELL ME THE FORMATION OF GORE-APHOBIA:

-Well, me and our Bassist/Vocalist started the band in 1988, playing NECROPHAGIA and DEATH covers. We weren't a professional band at the time. By 1989 we became a real band. To make a long story short, we've gone threw a couple different line-up changes. Today the line-up is: Me on guitars, John Arcucci-guitars, Chris Gamble-Bass/Vocals, and our newest member Kenny Masteller on drums. He just replaced our ex-drummer Craig Smilowski who now plays in IMMOLATION.

HOW MANY COPIES OF YOUR DEMO "MORBIDIOUS PATHOLOGY" HAVE YOU SOLD TILL NOW?

-A couple of hundreded!!!

HAVE YOU EVER PLAYED LIVE? WITH WHICH BANDS?

-Yes! Many times! We've played with bands such as IMMOLATION, DEATH, INCANTATION, NOCTURNUS, DECEASED, AUTOPSY, REPULSION, NAPALM DEATH, MORTICIAN, SUFFOCATION, PROFANATICA, REVENANT, DISHARMONIC ORCHESTRA, VITAL REMAINS, CARCASS, GODFLESH, EXMORTIS (RIP), PRIME EVIL, FATAL (RIP), etc....

DO YOU HAVE GOT WRITTEN SOME NEW MATERIAL?

-Yes, much new material! You'll hear from them on the LP. Some new songs are called: Necropolis offerings, Elemented men of masicisim, The unearthly keeper, etc.

YOUR LINE UP AND AGES:

-Alex Bouks-Lead Guitars=18, Chris Gamble-Bass/Vocals=22, John Arcucci-Lead Guitars=19 and Kenny Masteller-Drums=18.

I say CARCASS???

-I say MERCYFUL FATE.

HAVE YOU MORE GREAT BANDS IN THE USA?

-No! Not many real Death Metal bands, except for: IMMOLATION (the godz!), AUTOPSY, INCANTATION, MORTICIAN, MASSACRE, MORBID ANGEL, DIABOLIC (Ex-EXMORTIS members), PROFANATICA and that's about it. To many band wagers! False Death Metal sucks!!!

HAVE YOU GOT A JOB???

-Yes, I play guitar and sleep.

SAV'HELLO TO SOMEBODY:

-Hello to Laurent Merle from PEARDROP ZINE! How's MADONNA?

DO YOU LIKE THE CHURCH???

-The Church is just a organized scum! There is nothing wrong with heaving your own beliefs, but religion is not for me. I think most Christians are a bunch of feeble hypocrits. I live the way I want to live. No one knows what's best for me, but me!!! (Yeah, the same way that I go!!! -ED) That's answers your questions.

ASK YOURSELF SOMETHING:

-OK! (And what's the answer to this really sick question???) -ED)

ASK ME SOMETHING:

-No!!! (Real cool question, what are you thinking, reader of this magazine???) -ED)

SOME OTHER INTERESTING NEWS?

-We're probabley going to sign with RELAPSE/NUCLEAR BLAST RECORDS. We should to be Sweden in the fall at SUNLIGHT STUDIOS to record our debut LP entitled "The unearthly Keeper". In case no one knows, our ex-drummer Craig is now in IMMOLATION.

MERCHANDISEING:

-We have demos for \$5, 2-sided shirts for \$12 also hpts and long sleeve coming soon. All in US Dollars.

ANY LAST WORDS:

-Thanks a lot for the interview! Support true Death!!!!

Yaaaaaarrrrrrhhhhh, this are TRAUMATIC the Death Grinders from Sweden!!! I've already done an interview with them in my 1st issue, but that was really boring, so here's a new that I've done with Totte, their drummer! Now they've finally found a bassplayer!! Hopefully they're going soon to release a mini LP on SLAUGHTER RECORDS, my own label!! OK, enough of talking shit, read now the interview!!!

-Well we were formed in March '90 and released our debut demo called "The process of raping a raped cadaver" in late October '90. After a while we came in contact with DISTORTED HARMONY RECORDS and they released our 7" ep called "The morbid act of a sadistic rape incision". We have also been into the studio again to record our new song called "A perfect night to masturbate". This songs plus an old one from our demo will soon be released as a 7" on a Swedish label called CBR. And we have now finally found the fourth member that we've been searching after for a very long time. The new bassplayer is called Jocke and are also playing in a band called FUNERAL FEAST!!!! We are now hoping that we can do a few more gigs than we have done so far. But we'll see!!! By the way, the line-up is now: Larsson (18) - Vocals, Manuel (17) - guitar, Jocke (18) - bass and me Totte (17) on ~~drums~~ drums! That's it!!!

-I think they're OK!

-I'm sorry, I've stopped counting how many demos we have sold, but I guess that we have sold over 500 copies by now!!! I'm still I don't know about the other guys!) quite satisfied with it, even if there are a couple of shitty things about it. But you know, it's our debut demo!!!! (And it's the best debut demo on earth, it's FUCKING GREAT MEGA-KILLER!!! -ED)

-Yes,our lyrics are quite CARCASS influenced, but not so much that people can call us CARCASS ripp-offs just because of that(of course they can't do that-ED)!!! There's have been quite many that have accused us to be CARCASS rip-offs and that's just nonsense.Our music isn't a bit influenced by CARCASS and we don't even play grind.As I said,our lyrics is quite inspired by CARCASS but you know,it doesn't matter what you write about there have always been someone there before you who have written the same shit!!!!

-That's really varying, I've got letters from people that likes our older songs more than the new songs, but also the other way round. So it's very various, but I most say that I prefer the new songs more than the old.

Fave bands: BLACK SABBATH, ABBA, RIGOR MORTIS, CORNER, FATAL KSI, B, TERRORIZER, KING DIAMOND, MACABRE, PARADISE LOST, DEATH, BAD BRAINS, VOIVOD, BATTALION OF SAINTS, BOLT THROWER, etc. Fave mags: PUTREFACTION ZINE, HYMEN, SLAYER MAG, BRUTAL MAG (Hi Fettbro...Hm sorry! Hi Herbie) Fave labels: None!

-Yes, as I mentioned before we have been into the studio lately, to record our song "A perfect night to masturbate". But we are working on some new ones.

-No, I prefer humans!

-No, we haven't got any influences, we are trying to work out an own style and the easiest way to do that is not to be inspired by other bands. Well, of course we got inspired by other bands when we listen to them even if we want it or not, but we're atleast trying.

-He mother!

-Why do everybody love REPULSION?-Yo,first I asked myself the same question,and now I'm also enjoy to listen REPULSION!!!But I don't know why???Maybe of their very extreme and grinding style of Death Metal!!!They're American GODZ!!!

-Play live and take it easy!

-Well, thank a lot for the interest and support, I'm sorry for my lame answers but I'm so damn tired of all this writing (nothing personal). If anyone wants to buy our 7" "The morbid act of a sadistic rape incision" then send \$6 to me!!! Thank again and bye!!

EARACHE

STRIKES AGAIN

Here I have done an interview with a absolutely fantastic record label, of course you know it: EARACHE RECORDS from England!!!! I know, the interview with Pete is a bit old, but still fresh! This label have released so much great stuff the last time and it will hopefully release a lot more great stuff!!! Here's the interview:

HOW DO YOU FEEL TODAY?

-I'm feeling pretty good today. I'm still on a high from going to see DE LA SOUL. They're fucking godly!

WHEN DID EARACHE RECORDS START?

-EARACHE started in 1986 by Dig on his own. From that it has grown and grown to the label it is today, with 18 godly bands.

WHAT HAVE YOU RELEASED TILL NOW?

-Released so far on the label have been by ACCUSED, HERESY, NAPALM DEATH, UNSEEN TERROR, SPAZZTIC BLUR, SORE THROAT, INTENSE DEGREE, CARCASS, MORBID ANGEL, BOLT THROWER, GODFLESH, TERRORIZER, ENTOMBED, FILTHY CHRISTIANS, HELL-BASTARD, NOCTURNUS, LAMNMOER DETH, SWEET TOOTH, NAKED CITY, MASSACRE, MIGHTY FORCE and FUDGE TUNNEL. We've got new albums in September by CONFESSOR, and PATINKILLER. In October CATHEDRAL and OLD and in November the 2nd album from ENTOMBED.

ARE YOU INTO PORNO MOVIES???

-Yes, I'm into porno films as well, but only good ones with sick sex scenes and good looking women that make me laugh! Porno films always get boring to quickly though. I'd rather watch cartoons or go to a live gig, then do the real thing. It's always funnier doing it rather than watching it. If you can't see the humour in covering people in yogurt and ice-cream and then making love to them, you're doing it wrong!!! Have you got any well trained animals?? (only joking) (Hah, why fka joking? Of course I have well trained animals, hihihihhi-ED)

DO YOU LIKE ALL YOUR SIGNINGS???

-Yes, I like all the signings. It wouldn't be any good if I didn't would it! We are always in contact with the bands, it is really important, otherwise records would never get put out.

DO YOU GET MUCH DEMOS?

-We got millions of demos. Most of them are death metal, but we get the odd different style.

TELL ME A BRUTAL CORE STORY:

-Tell you what, I'll tell you a brutal story about CARCASS! Some kids in America were listening to a CARCASS record, and thought it would be cool to dig up a real dead body. They went to the grave yard and one of them didn't want to do it, so they threatened to beat him and his girlfriend up with a shovel. They dug up the body and they got arrested. Serves them right-they sound like wasters who believe they here on a JUDAS PRIEST album!!!

YOUR FAVOURITE BANDS, MAGS AND MOVIES:

My fave bands are VENOM, ENTOMBED, MASSACRE, GODFLESH, UNLEASHED, DE LA SOUL, PUBLIC ENEMY, BUTT-HOLE SURFERS, FRANK ZAPPA, LAMNMOER DETH, PIXIES, DICKIES, etc. My fave films are "Silence of the lambs", "Hot cookies", "Shaver head", "Electro Fux", "Bad Tatse", old Hamer Horror movies. Fave mag is MORBID MAG.

WHAT ARE YOU GOING TO RELEASE SOON?

-Read question 3 again, but also there will be new album of CARCASS and we are also going to release the official version of MORBID ANGEL's "Abominations of desolation" as everybody keeps bootlegging it.

ASK YOURSELF SOMETHING:

-Am I godly???

ASK ME:

-Can you answer the above question? -No, sorry. Because I don't know so much about you, but I really hope so, Pete!!!

FUTURE PLANS:

-EARACHE, more death metal, drinking, more death metal, gigs, etc.

LAST WORDS FOR FINALLY FINISH:

-Cheers for the interest in the label, anything you need, you know where I am!

TURBO

MUSIC

TURBO MUSIC, one of the best German death/thrash/grind and black metal labels, and I have interviewed them!!! But they don't have only a label, they also have a very professional magazine called VAMPIRE and they also have a mailorder service!!! This interview was answered by Olli, I guess it's the brother of the "big bossy" Roland Kaiser, oh, sure, I mean Roland Schaffelhuber!!! So, read this short interview if you really wanna know more about these guys, OK!!! PS: They have now a new address!!!

HEY, HOW'S LIFE GOING ON WITH YOU?

Shit! We are very busy at the moment, because we have some trouble with our new releases, mailorder and our magazine VAMPIRE.

TELL ME SOMETHING ABOUT YOUR LABEL, HISTORY, ...

We started TURBO as a Speed/Power/Thrash Label. But from time to time, all of TURBO are more interested in Death/Grind and Noisecore, so we released some Grind and Noisecore singles. Now we have only one Powermetal band: COLD STEEL (like ANTHRAX, TESTAMENT). All other bands are in the style of ultra-brutal Thrash/Black and Death Metal!!!!

DTD YOU SELL MANY COPIES OF YOUR LAST RELEASES?

Yezzzz... the BEHERIT Pic-7" is a fucking great Topseller!! We sold more than 5000 copies of it in the last few months and that's OK for a single. The GOATLORD album sold also very good. But the next releases are very killers: FUNERAL NATION, COLD STEEL, and of course the new BEHERIT LP!!!!

WHAT WAS WITH YOUR BAND "ULCEROUS PHLEGM"?

We have canceled the deal with ULCEROUS PHLEGM, because they're stupid guys. We are no millionaires. No more comment!!!

DO YOU LIKE RIPP-OFFS???? DO YOU KNOW SOME?

Nooooo... I don't like ripp-offs!! I know some guys in the fucking whole world and in the underground Scene, but who cares? Anyway, we are not a ripp-off Company. (I hope so!!!! -ED)

I SAY "BEHERIT"????

I say SATAN!!! BEHERIT rules. We signed BEHERIT, 'cause they're cool and nice guys!!!!

WHAT ARE YOUR FAVE BANDS/MAGS AND MOVIES?

My (Olli) fave bands are: FUNERAL NATION, BEHERIT, MASSACRE, SEPULTURA, ENTOMBED, PUNGENT STENCH, MAYHEM, NAUSEA, NUCLEAR DEATH, etc. Fave bands of Roland are: METALLICA (the new LP), FUNERAL NATION, OBITUARY, COLD STEEL and some others. The best German magazines are VAMPIRE and ROCK HARD.

YOU ALSO DO A MAILORDER AND A GREAT MAG CALLED "VAMPIRE". TELL MY READERS MORE ABOUT IT:

We started the VAMPIRE MAG, because we have only the ROCK HARD (HG)??? Here it also give it an really cool Mag called MORTUARY which includes a lot of great Death Metal stuff, and also 2 or 3 other cool underground Fanzines!!!! -ED) with some articles of Death/Grindcore bands with a cool lay-out, and so we released the 1st issue in June. Now it's out the 3rd issue with a circulation of 20000 copies and I think that's great. (I also think that's great!! -ED) We have a mailorder with hundreds of Death/Thrash/Black/Grindcore and Noisecore LP's, EP's, CD's, Shirts...!!! Brutal stuff only. Uuarrghhh!!!!

ASK YOURSELF SOMETHING:

Fuck!! I don't know.....

NEXT RELEASES TO COME:

FUNERAL NATION LP/CD/MC/PD, COLD STEEL LP/CD/MC/PD, BEHERIT LP/CD/MC, MACERATION LP/CD/MC/PD. all killers!!!!

FUTURE PLANS:

To release some fucking great killer-Albums of much good bands!!!! (I hope!!!! -ED)

YOUR LAST COMMENT:

Christian, thanks for this interview, MORTUARY MAG rules!!! (Oh thanks, really cool to know that MORTUARY rules!!!! TURBO MUSIC is also really great!!!! -ED) I think TURBO will kill all Poser-Bands and we will never release a Sleaze Rock album or so!!!!

INVERTED

The coming interview is made by myself with the Swedish band INVERTED! Yeah, and of course they are playing Death Metal, but not the typical Swedish Death Metal with melodies, they play more the ultra-brutal way!!! I really don't know what I could write about this band??? I really hate to write intros about bands, so I'm going to stop here. The questions was answered by Kristian, their brutal drummer:

HAVE YOU EVER HEARD FROM NW MAG "MORTUARY"? WHAT HAVE YOU HEARD ABOUT IT?

-I've only heard that you aren't a ripp-off and that MORTUARY is a real good mag.

TELL ME SOMETHING ABOUT "INVERTED":

-To make a long story short, we started to play in February '91. In the beginning it was only meant to be a hobby-project, but we thought it sounded quiet good so we got serious. We have all (except for Jocke) played in other bands before, like CABAL, MITTIL-ATOR (RIP), ABORTED (RIP).

HOW HAS BEEN THE RESPON TO YOUR DEMO?

-The respons has been great! We have sold a lot of demos and we have got hundreds of letters from all over the world. And almost everybody likes the demo, fucking great!!

DO YOU LIKE PORNOS???

-Only a few of them are good, my favourite actor is Candy Erans, she is gorgins!

ARE YOU INTO SATANISM/OCCULTISM?

-I don't believe in either, God or Satan, so I can't call myself an Satanist, but I think that Occultism and Satanism is quiet interesting and I mostly see it as a protest against the church.

YOUR LINE-UP (AGES) ARE:

-It's Lars Håkan, Guitar (18)
Mats, Guitar (17)
Dan, Bass (19)
Jocke, Voice (19)
Kristian, Drums (19)

HOW LONG IS YOUR DICK???

-Det vet inte du! Well, I can't see the end of it, because it's too long. Runka knäckemacka varje dag. (???-ED)

WHAT ABOUT YOUR NEXT RELEASE?

-Well, a few small 7" EP labels has showed some interest, but nothing is set. We are going into the studio again in November '91 to record new material (3 new songs). It will be released as a 7" EP or a demo, we don't know. But it will be out in late December hopefully.

I say DEMIGOD (GOODLY D.J.M. BAND FROM FINLAND)???

-Sorry, never heard them, but I'll say MEGA-SLAUGHTER rules!!!

FUTURE PLANS:

-Drink more beer, get longer hair, try to spread the name INVERTED, release some new material, eat more food and buy more LP's, tapes, zines and so on.

LAST WORDS BEFORE OPERATION:

-Hail BRUTAL PROMOTION! Thanks to you Anti-Christian for your great support, you rule! If anyone want to have the demo, write to me or to BRUTAL PROMOTION! The demo cost \$5 or 3 pounds. We also got some shirts left (only a few left) can be ordered from me. Price is \$16 (Europe) or \$18 (rest of the world). Bye!!!

HEY, HOW DO YOU FEEL TODAY???

I'm OK! Right now I have no money, so I can't pay for food, the rent of my apartment. That's not good. Our demo, on the other hand, is selling really good, so I can be happy about that instead. Haha!

WHAT ARE YOU THINKING AT THE MOMENT??

Eeh, what do you mean by that?? I guess I have drunk too many beers in my life, so there's no more brain-cells left to think with. I can always answer it in this way: The sun is shining at the moment and I'm listening to the debut album with IMMOLATION right now. It's so godly and brutal!! Hi Ross!!!

HAD YOU ALREADY TODAY FUCKED WITH A GIRL???

No, not today. Right now, my dick is swimming in Östersjön!! He thought he could take a break today. Kom hit, kucksate!!!! (?????-ED)

WHY WAS THERE YOUR LOGO ON THE "DEMOLITION HAMMER" TOUR SHIRT???? DID YOU TOUR WITH THEM??

It was great!! No, seriously, we did not tour with them. It was like this (Johnny of UNLEASHED told me the story behind that). DEMOLITION HAMMER were supposed to do a Tour-Shirt and our demo were there at their Label (CENTURY MEDIA). Some guy told another guy that the dates should look like the letters in our logo, coz he thought our logo letters looked cool. Anyway, they misunderstood each other. The printing dude printed our logo on the backside of the DEMOLITION HAMMER Tour-shirt. Where did you see the shirt? I know a guy who was on a gig from DEMOLITION HAMMER and bought a shirt from the tour. So I looked at the backside and saw your cool logo!! (-ED)

DO YOU HAVE SOME FAVE BANDS AND MAGAZINES?

My faves are MORBID ANGEL, ENTOMBED, GOREFEST, UNLEASHED, IMMOLATION, BOLT THROWER, and lots more. Favemags are SLAYER MAG, ISTEN MAG, THANATOGRAPHY, LACERATION MAG and some more. I can't write down all of them.

DO YOU LIKE THE BANDS IN YOUR COUNTRY???

I like ENTOMBED, UNLEASHED, DISMEMBER, GRAVE, MERCILESS, HETSHEDS, DISSECTION, MORPHEUS, EXCRUCIATE, CREMATORY!! MORBID (RIP), CARNAGE (RIP), AFFLICTED, GENERAL SURGERY: This was boring!!!

SAV'HELLO TO SOMEBODY:

I say: Hi Richard. Great work on our demo!! What do you say? (Yeah, Richard (WILD RAGS) did great work on your fantastic demo!!! -ED)

Yeah!!!!!! Now to an interview with another Swedish Death Metal band, but not a usual ENTOMBED copy like the most other Swedish bands, but their new demo was also recorded in the Sunlight Studios!! NECROPHOBIC was formed in 1989. They recorded their 1st demo "Slav Assassination" in March '90, which got a lot of cool responses. Ca. 1 year later they recorded their 2nd demo "Unholy prophecies" which includes 3 absolutely Death Metal killers!! Order it now for \$5 from Joakim! I made the interview with him or from WILD RAGS RECORDS!!!

DO YOU HAVE ALREADY WRITTEN NEW MATERIAL?

We have 2 new songs when this is written. They are called "The ancient's Gate" and "Call from beyond". They're in the same brutal way as the songs on the "Unholy prophecies" demo.

NEXT RELEASE:

Maybe a 7" ep. Who knows??

FUTURE PLANS:

We want to find new members. We're also going to play on a dutch festival together with GOREFEST and 2 more later this year! That'd be cool! We also hope that a Label want to sign us!! (Yeah, I'm really interested to sign you on my Label SLAUGHTER RECORDS!!!! -ED)

ANY LAST COMMENT:

Thank for this interview Christian. Thank for your support. Read the review of our "Unholy prophecies" demo somewhere else in this issue, order our new demo and t-shirt. Hi to all my friends. You're great dudes!!

MASSACRE

This interview here I've done with a very cool dude called Kam Lee!! Most people who read this now, know this guy, I think!! Because he's singing in the "great" band MASSACRE and he's also doing a zine with a friend (Jim Pederson) called COMATOSE!!! How you can see the interview is very short, but who cares??? OK, here's the interview:

COULD YOU PLEASE TELL ME SOMETHING MY READERS ABOUT YOUR BAND HISTORY?

-MASTER formed back in 1985, later I joined the band and released 2 demos. We played a lot of shows and begin to be popular in the Underground. And then we contact EARACHE.

DO YOU KNOW WHAT'S UP NOW WITH "DEATH"?

-Chuck has now no full bandmembers! Several bandmembers for studio, also studio session members. I don't know basically when come the new LP.

ARE YOU SATISFIED WITH EARACHE RECORDS?

-Yes, I like them a lot!!!

IS IT RIGHT THAT YOU'RE DOING A MAGAZINE CALLED "COMATOSE"?

-Yes, the 1st issue is out. Me and my friend Jim Pederson started this year. It's all about Death Metal.

DO YOU LIKE FUCKING WITH MONKEYS???

-Only when they've tails!!!

ARE YOU INTO THE GODZ CARCASS???

-Yes!!!

DO YOU HAVE SOME NEW SONGS?

-We have an old song, but it's basically new.

YOUR FAVOURITE BANDS AND MAGS:

-I like all Swedish Death Metal bands, especially UNLEASHED, DISMEMBER, GENERAL SURGERY, NECROPHOBIC, etc. And I like to read SLAYER.

DO YOU WANT ASK ME SOMETHING?

-Hm, can I have your t-shirt???: I was wearing the ENTOMBED shirt with the guy from "Shining on it!!" -No, of course not, 'cause I like a lot!!!

LAST COMMENT:

Thanks to everyone who support the Scene!!!! Stay bizarre!!!!

DESULTORY

HOW ARE YOU AT THE MOMENT?

-I'm fine, the rest of the band too, I think. And how are you? (I'm OK when I'm writing that interview. At the moment I hear the OBTUNATION (Holland) demo which is really great!!!-ED)

HOW MUCH COPIES DID YOU SELL OF YOUR 2ND DEMO "DEATH UNFOLDS"?

-Yeah, so far we've sold about 1000 copies and about 400 copies of the 1st one "From beyond". And we're very, very pleased with that.

IN WHAT DO YOU BELIEVE, IN GOD OR SATAN?

-No, I don't believe in either God or Satan.

HOW MUCH LETTERS DO YOU GET THE WEEK?

-I get about 5-10 letters each week, and Klas and Jens gets about 20-30 letters each every week!

TELL ME SOMETHING ABOUT YOUR REHEARSAL ROOM:

-Our rehearsal room is about 3x10 meters big, it's in a quite new built place and there is about 15 rehearsal rooms there. We have a room just for ourselves, so we can rehearse when and how often we want to. We moved into the room this year (summer) so we haven't had so much time and money to buy equipment. But we have enough equipment to rehearse.

DO YOU HAVE WRITTEN NEW STUFF?

-Yeah, in August this year we've recorded 3 new songs in Sunlight Studios, that will be released on a 6-track EP together with the songs from our 2nd demo. And we'll also release the new songs as a demo, that'll be entitled "Visions". We've also working on some new songs at the moment. One is almost completed, except for the lyrics and the guitar solo.

HOW MUCH TIMES HAVE YOU PLAYED LIVE?

-I don't really know how many times we've played live exactly, but I think it's about 15-20 times or so! We've played with bands such as DISMEMBER, THERION, EXCRUCIATE, LOBOTOMY, VADER, IMPERATOR, PANDEMONTIUM, and more. We should have played with PARADISE LOST in Poland, Russia and Sweden, but they cancelled the whole European Tour, for what reason, I don't know. We should also have played with AUTOPSY, SADUS, ENTOMBED, GRAVE, but it didn't work out either. Maybe we'll play with ASPHIX later this year.

ANY SPECIAL FUTURE PLANS?

-Well, we'll do new songs, rehearse, try to play live as much as we can, and also try to get a good record deal.

This band here is one of my absolutely fave bands coming from Sweden!!! DESULTORY have released so far 3 demos and soon there is coming out the 2 last demos on Vinyl from HOUSE OF KICKS RECORDS!!! They don't play only Death Metal like the most Swedish bands, more mixed with a lot of aggressive Thrash riffs, which sounds fantastic!!! This band have the right spirit to come out very big like DISMEMBER and UNLEASHED, I think!!! Stefan their guitarrrist have answered some questions, READ ON!!!

ASK ME SOMETHING:

WHEN DID YOU START "MORTUARY MAG" AND HOW MANY COPIES HAVE YOU SOLD SO FAR? -I start it a year ago (Nov./Dec. 1990) when I read the 3rd issue of PUTREFACTION ZINE which was my biggest influence. From the 1st issue I sold ca. 150 copies and from the 2nd one I sold all, printed in 300 copies!!!

LAST COMMENT:

-First of all, I would like to thank you Christian for this cool interview and for showing interest in DESULTORY. And I also wanna thank all who have/will bought/buy our demos and t-shirts, you rule. If somebody is interested in hearing us, don't hesitate to order our demo/s for just \$5! Support the underground and stay DEATHLY!!!

GOREFEST

TELL ME SOMETHING ABOUT YOUR DEBUT LP:

-Well, what's there to tell part from that we recorded it in Holland in June in 10 days and mixed it in Sheffield, England on the 4, 5, 6 th of July. It was produced by a guy called Colin Richardson and we're all quite pleased with it, for an debut album that is! Some of the songs were quite old and maybe a bit outdated, but we wanted record our 1st 9 songs on album, the next 8 or 9 will be on the 2nd one!!!

HOW MUCH COPIES DID YOU LEFT OF YOUR 2ND DEMO? ARE SATISFIED WITH THAT?

-We sold about 1200 copies of it, I think that is quite a lot for a demo!!! (Vo, that it is-ED) So yes, we're pleased with it, but we don't sell it anymore, too busy with other things concerning the band.

DO YOU ANSWER ALL YOUR MAIL???

-I try to! Sometimes you receive letter in in which they almost ask your life, so sometimes something isn't answered 99% is, although it sometimes takes a long time, especially when we are on tour, but I hope that the people who write me can understand! And if not, sorry for them, I'm only human.

I SAY "TRENCH MAGAZINE"???

-Nice Zine.

YOUR FAVE BANDS, MAGS AND MOVIES ARE:

-Bands: CARCASS, BOLT THROWER, NAPALM DEATH, BAD RELIGION, REM, NITRANA, and loads of others! Mags, I'm not sure, I like most of 'em, some are crap!!! Movies, I saw "Presumed Innocence" the otherday, a great movie, I like Harrison Ford as an actor!!!

WHAT DO YOU THINK OF THE DEATH METAL SCENE TODAY?

MUCH PEOPLE SAY IT'S DYING AS FAST AS IT'S CAME.

-Yeah, sure. I think that it's a shitload of bollox people spreading around, telling that death metal is dead. (well, that's obvious, isn't it?) (Yeah, it is so!!!-ED) I think that's crap!!! Sure you can't do the same thing over and over again, but it's easy to be innovative and play death metal! Anyway I don't care, we play death metal and we're just finished 4 new songs for the 2nd album. I think that they're 100 % better than the songs on the debut album, but I think that that's obvious when you play some songs for over 1,5 years, and yes, we still play death metal! To be honest it's getting heavier every time and not using speed metal riffs that have also been used before and claim that you're such a good guitarist and pretend you're no I'm making death metal new, leave that to CARCASS!!! (who are really original!!!!!!)

PLANS FOR THE FUTURE:

-Do our European tour starting on the 8th of November and lasting 24 dates till the 1st of December. Take January off. Write 4 or 5 new songs in February, do a small dutch tour in April and record the 2nd album in June again with Colin Richardson and do a European tour again.

LAST COMMENT:

-Well, check us out when we're on tour, buy our album, support us, we need you!!! Thankx for the interview, Anti-Christian!!!

GOREFEST

PO Box 2209
4460 ME Goes
Holland

Aggressive, fast and melodic death/thrash is what this band plays, it's DARK TRANQUILLITY! Although they're coming from Sweden, they do not sound like all the other bands there!!! Especially their guitar sound is very different and Vocals!! Soon they're going to bring out a 2 track EP on SLAUGHTER RECORDS (my one!) and after that hopefully a full LP/CD/MC and limited Picture Disc!!! Martin their Bassist have answered my boring standart questions, READ ON...READ ON...READ ON...READ

ARE YOU SATISFIED WITH YOUR GREAT DEMO? DOES IT GET GOOD RESPONSES TILL NOW?

-Yes, we are! The songs are still good and the sound is very good! Maybe the solos could have a better sound, but for a demo it's great, I think. Most people really likes it, but some think it's not too brutal because we have much melody in our riffs. They only want hear brutal stuff which some times isn't aggressive at all, but that's OK with me as long as we play the style I want. (Aggressive fast and melodic)!!!

YOUR FAVE BANDS, MAGS AND SHOES:

-My fave bands are ROTTING CHRIST, BLIND GUARDIAN, MERCILESS, AT THE GATES, DARKTIFIED, METALLICA, HELL-QUEEN, SADUS, SAMUEL and other original and good Metal stuff. ISTEEN is the best mag I've seen and, well, I don't know about shoes. I guess any shoe will do for me!

I say TRAMATIC???

-I say great as latjola/banlidan and Gorbörska-rbas!!! Bajs-Larsson!!!

HAVE YOU SOLD MUCH COPIES OF YOUR DEMO?

-The first 3 month we sold about 150 copies which I think isn't that good, but it's not bad either. Now (October) the orders are beginning to drop in, so I think we'll sell some more before our next release!

WHAT WOULD YOU DO IF YOU MEET ME IN DARKNESS???

-I would examine your tits to see if you were a girl so that I could play some nice games with you!!! But, now I happen to know that you are not a girl (may be a boy?) and I can't think of something nice to do with you!

DO YOU GET MUCH MAIL THE WEEK?

-Well, I get about 8 letters a week, but the other guys in the band also get some mail, so together we get about 20 letters a week. I think that's quite normal for such unknown band as wee

WHAT ARE YOU DOING AFTER ANSWERING THIS INTERVIEW HERE?

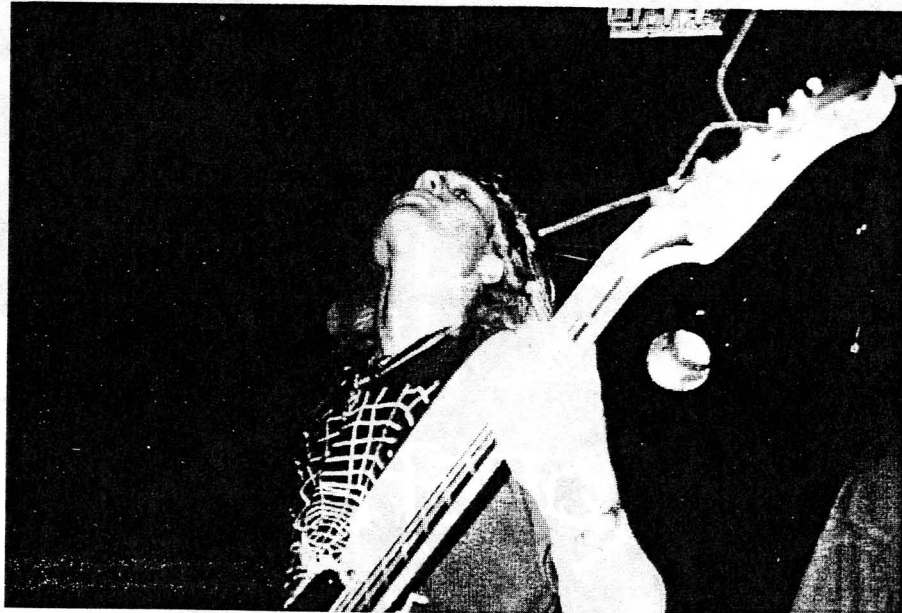

-I'm not sure, maybe I'll play the guitar or watch some TV!!! Other things I do in my life are: Studying, rehearsing with the band and listening to music.

ASK ME SOMETHING, MARTIN:

OK, what kind of motive do you have on your milkporce ls??? -Uhh, what a question!!! I really don't know at the moment Martin!!! Sorry for that!!!!

FUTURE PLANS AND LAST COMMENT FOR READERS:

-We are rehearsing, making new tracks and playing live as often as we can, so we are quite busy!!! We are hoping for some kind of good LP/Mini LP deal and we will probably record some stuff in the beginning of 1992. In the meantime we have our demo "Trail of Life decayed" for sale for \$5 Buy it if you like aggressiveness mixed with melodic!!! Interested zures please send a tape (and something for the postage!!!) and we'll record our demo and other new stuff for you! THANK!!! Take care!!!!!!

SAMAE

OK, here we have the Black Metal godz SAMAE from Switzerland! Their debut LP which came out last year was the best Black Metal album that year, I think!!! No more intro, only that you have to check this guys!!! Vorphalack was interviewed with some very strange questions, and he gave very strange answers:

DO YOU HAVE ALREADY EATEN A CORPSE FULL OF MAGGOTS?
-No, I don't

GIVE MY READERS A LITTLE BACKHISTORY ABOUT "SAMAE":
-I've formed SAMAE back to April '87. At first with another drummer, Pat, now in MISERY. He left the band on June '88, he was replaced by Xytraguptor. On October 1988 we recorded a 7"ed "Medieval prophecy" sold out after 12000 copies. Next year we produced a promo tape "From dark to black" which received a very good answer into the underground scene. In March '90 we recorded our debut LP "Worship him" which was released one year after on OSMOSE PRODUCTIONS!!! In May '91 joint Masmiseim the band.

ARE YOU SATISFIED WITH OSMOSE PRODUCTIONS? DON'T YOU GET SOME OTHER COOL OFFERS FROM BIGGER LABELS?

-We've received some offers from other underground labels, but most interecent came from OSMOSE PROD. Untill now we're glad with that deal!!!

WHAT DO YOU THINK ABOUT CELTIC FROST NOWADAYS???

-Nothing, I'm not into the latest stuff they've released!!!

DO YOU KNOW HOW MANY RECORDS YOU SOLD TILL NOW, ANY TERMS???

-I'm not sure, I know the first press is sold out since 3 month now (2000) but I don't know how many copies of the 2nd press we've sold.

ARE YOU INTO OCCULTISM? ARE YOU ALSO DOING SOME BLACK CELEBRATIONS???

-Yes, I do!!! Every SAMAE's gig is a black celebration!!!

YOUR FAVE BANDS, MAGS AND CARS:

-Bands, old VENOM, DANZIG, BLASPHEM and tons of others. Mags, HOLOCAUST MAG, SLAYER MAG, VAMPIRE MAG, etc!!! And car, HEARSE.

DO YOU LIKE FUCKING WITH YOUR CAT? OR DID YOU ALREADY SACRIFICED IT???

-I haven't a cat!

ASK ME SOMETHING:

-Tell me how the stinking pussy of the bitch you come from? -I think it's smelling absolutely fantastic, really I like this smell a lot, aaaaaaahhhhh. GODLY!!!!!!

I say BEHERIT:

-Cool Black Metal stuff, good friends.

WHAT WILL BE YOUR NEXT RELEASE? DO YOU HAVE SOME NEW KILLER-TRACKS?

-I don't know when will be our next LP out, for this moment we haven't enough songs. Some of our tracks are: Blood Ritual, Maccabre Operetta, Bestial Devotion.

PLANS FOR THE FUTURE:

-In three weeks we'll start a mini tour in France together with MASSACRA. We'll also looking to do an European tour in the beginning of '92. After we'll complete the songs for our 2nd album.

LAST COMMENT:

-Hail to all the Black Metal maniacs who are reading this fucking interview, stay evil, praise Satan WORSHIP HIM!!!

BOLT THROWER

Well, I really guess you should know this band here! They're from the same country like CARCASS and play variety Death Metal, right: it's BOLT THROWER!!! When you're reading this should be on tour with BENEDICTION and ASPHYX!!! I think I shouldn't give more intro to this fabulous band, so read now the interview with Karl their brutal Vocalist:

HOW IS LIFE GOING?

Not too bad, but I'm a little bit pissed off at the moment, because we had all of our equipment stolen from us on our last tour. All our speaker cabs (8 in all), a full drum kit and set of cymbals, effect pedals, smoke machine, a lot of merchandise, all our backdrops. The lot around 7000£ of stuff. Apart from that things have been really great!!!

HOW WAS YOUR LAST TOUR?

Yeah, the UK Tour we did in September was good although we had to cancel a couple of shows due to, our gear being stolen in Newcastle. So we only had 6 shows in all. We are going to do another 6 at the end of September beginning of October. All the gigs that we did were really great. The audiences over here have got better, a lot more enthusiastic. We had our biggest turnout to see us alone (MY DYING BRIDE supported) in London of 650 people which is really good for the UK.

ARE YOU SATISFIED WITH EARACHE RECORDS?

Yes! They have done a pretty good job at promoting the band and the last lp. We were not too chuffed with EARACHE before the release of "War Master". But they've proven to be the best label to be on. Especially when compared to the alternatives!!!

FROM WHAT COUNTRY DO YOU GET THE MOST AND BEST MAIL?

The people that write to me are people that I have been in contact with for the past few years. And have met up with a couple of times on tours, they are friends more than correspondants!!! I think that it's got to be Holland because we been there twice and met a lot of cool people!!!!

BENEDICTION????

BENEDICTION are great pals of mine, we are good drinking partners and all hang out together at our local pub in Birmingham "The Gostermongers". They are also a fucking great band. Their new LP kills!!!! (I did some backing-vocals for a dross) They will be supporting us on our next European Tour which will be the best European Tour that anyone will ever see. I am really, really looking forward to it. It's going to be in late January to mid March!! (YEAHHH!! I hope we can meet us on any gig here in Germany, that will be totally great!!!! -ED) So come along and support us!!!!!!

HOW MANY COPIES OF "WAR MASTER" HAVE YOU SOLD?

Good question, we should be getting a sales statement from EARACHE pretty soon. I'm not too sure but I reckon it's done about 40,000 in Europe and around 30,000 in the USA. I know that it's sold really well and that sales have kept fairly constant.

YOUR FAVE BANDS, MAGS AND MOVIES:

There are so many and they all change around so often. I just went to see "Terminator 2" which was excellent and I still love "Terminator 1". I really like Scion Fiction, Fantasy Films. I'm not really into the Gore stuff at all. As for mags. There is a lot of good mags around. Off the top of my head there is SLAYER MAG, ISTEN MAG, PUTREFACTION ZINE, ULTIMATUM (USA). There are also a lot of cool mags from South America!!! As for bands, at the moment I'm listening to UNLEASHED, ASPHYX, BENEDICTION, NOCTURNUS (new stuff is killing!!), DISMEMBER. I've heard some pretty cool demos lately from CRYPT OF KERBEROS, AWATHEMA, and NECROPHOBIC.

DO YOU HAVE ANY NEW SONGS?

Not just yet. We are writing new stuff at the moment but have nothing completed as yet. We have some real cool ideas and some totally awesome riffs which are being developed into songs.

PLANS FOR THE FUTURE:

Well, we go Stateside in mid October until around mid December. So that will definitely be keeping us busy. When we return we plan to do a European Tour (with BENEDICTION) which will take us until mid March. All through this time we will be writing new stuff which hopefully we will record in April and will be due for a June/July 1992 release followed by more touring!!!!

LAST COMMENT:

Cheers Anti-Christian for the interview. I hope that the mag does well. For fan club or merchandise details contact MILLENNIUM MERCHANDISE!!!

DARK MILLENNIUM

The following band is called DARK MILLENNIUM and is one of the absolutely best German Death Metal bands ever!!! I've only heard their demo, but that's so fucking great! Soon they'll release their 2nd demo, WATCH OUT FOR IT!!! What more shit could I write only that 've done the interview with Christoph drummer and keyboarder:

WHAT'S THE HISTORY OF DARK MILLENNIUM?

-The band was founded by guitarist Hilton Theissen and me in the beginning of 1989, but a constant line up wasn't found until summer 1990. After the recording of "The apocryphal wisdom" demo in February 1991 this formation was changed several times. We haven't signed a record deal so far.

HOW ARE YOU AT THE MOMENT?

-I think I feel pretty good though I've got many things to do like this interview, for example, but it still works.

HOW MANY COPIES DID YOU SELL OF YOUR DEBUT DEMO?

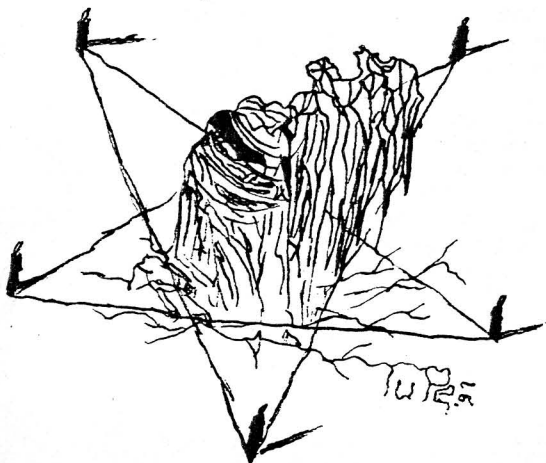

-We have sold about 200 tapes so far and about 50 ones we have sent to different magazines, companies and musicians. The response has been very pleasant, I think.

YOUR FAVE BANDS, BOOKS AND MAGS ARE:

-My faves are PARADISE LOST, FEAR OF GOD, POSSESSED, BLACK SABBATH, SLAYER, and FIELDS OF THE NEPHELE. As my fave books I'd mentioned Tolkien, Lord of the Rings, Name der Rose (Don't know the English title for this!), Eco, Silence of the Lambs. My fave mag is ROCK HARD!!!

WHAT DO YOU THINK ABOUT IMMIGRANTS???

-I have no prejudices against foreign people, doesn't matter, if they belong to other races or if they prefer different cultures. I despise all kinds of racism or classifications of society.

DO YOU HAVE ALREADY PLAYED LIVE?

-We have played a few small gigs so far. But in the future I assume in November, we'll play some shows together with MORGOTH and perhaps other well known bands.

ARE YOU INTO SATANISM/OCCULTISM???

-No, we aren't aiming at a certain subject because I find it pretty ridiculous or naive to preach a kind of satanism or occultism in music. But you can say, that our lyrics deal with certain obscurity or mysticly, cause we like fantasy and mysticism but without concrete religious intentions.

YOUR LINE-UP AND THE AGES OF MEMBERS:

-Hilton Theissen (17) - Guitar, Michael Burmann (22) - Guitar, Torsten Gilsbach (19) - Vocals, Jörg Dinstühler (22) - Bass, Christoph Hesse (19) - Drums. That's our current line-up!!!

DO YOU HAVE SOME NEW TRACKS WRITTEN?

-We've got a lot of new songs and you can expect a new output of DARK MILLENNIUM the next time. I suppose that we will release a demo, because I think it's too early for our 1st LP, though there are several offerings to record one.

FUTURE PLANS:

-As many live presentations as possible and the recording of another demo or our first LP, I don't know yet.

LAST COMMENT BEFORE GOING TO HEAVEN:

-What am I to say? Good luck for your fanzine and THANK to all those who made this gigantic rise of the Death Metal scene possible! Even without violence, Peace shall rise!!!

ISTEN

Here's an interview with another Zine editor, and the Zine is called ISTEN MAG!!! It's one of the professionalst Zines that

I've seen so far, really!!! I really don't know when this Zine was born, but a long time ago, I think!!! It's already the 5th issue out of it, maybe that's the reason why the Zine is so professional??? The 6th issue of it will be out real soon, so watch out for this wonderful killer one!!! Mikko answered my questions ultra-long!!!

YOUR FIRST WORDS?

Omi god, that's pretty tricky! How about "Let there be rock"? Seriously though, as you probably know, it's Mikko here of ISTEN ZINE and unfortunately I just ran out of brutal slogans. Actually I'm totally speechless at the moment, 'cause I'm listening to IMPALED NAZARENE's "Taog Eht Fo Htao Eht" demo and it put my spine out of place. Nothing serious though. The question is, why should I have some sort of "first words"? I thought I'd be your duty to come up with a mind-blowing introduction, where as can. What do you mean, this is a question? (Yeah, I think it's a question! Maybe you wanted say something to my readers!!!! -ED) Oh, well, I guess this will have to do for "first words", like it or not.

TELL ME SOMETHING ABOUT YOUR MAG:

Well, I'm told ISTEN is a very good zine, and who am I to disagree? Now, I do think that we are doing something a bit different from the norm (even more so with our future issues) and I sure as fuck put a lot of time and effort into the zine, so it's great to hear that people like what we're doing. Our most recent issue (# 5) is still available and I'd like to think that with 92 pages (A4), professionally printed, and featuring some of your favourite Death/Grind and Thrash bands, it is a good read! As for future issues, not much is definite. ISTEN is published on non-regular and not for profit basis and we're mostly interested in Death/Grind/Thrash/Industrial/some Hardcore and some good Heavy Metal, so bands who think they have something to offer, please get in touch! Oh yeah, and before you ask, Istén is the Hungarian word for "God", but don't take that as a gospel! It doesn't really mean anything in particular, it's just supposed to make you go: "Istén? What the fuck does that mean?" And so far, it has worked perfectly.

DO YOU LIKE THE CHRIST RELIGION???

Assuming you mean what I think of Christianity, well, I have nothing against Christians, unless they try to force their ideals beliefs or something down my throat. I think it's the same case with any religion be it Christianity, Satanism or whatever. I don't know if you can view Satanism as a religion, but I think it's just another cult and I hate cults, because they encourage dependency and conformity, neither of which I believe in. As for Christians, I find their "blasphemy" plot pretty hilarious. I mean, if you believe that there's God somewhere who has created everything (us included), how can we blasphemy somebody or something like that? And as Jello Biafra says, Jesus was a terrorist - he died for his beliefs, and people like the PMRC or other organizations, etc treat bands, authors, film makers, etc just like the Romans used to treat the Christians. Who really is in a position where he/she can say what's wrong or right, and create dogmatic laws for others? Are we all so insecure and plain stupid that spiritual peace and freedom of speech are sheer impossibilities?

I THINK YOU GOT GREAT RESPONSE FOR YOUR MAG, IS THIS TRUE?

Hmm, yeah I guess you can say so. It has all been a bit of a surprise to me really, although as I mentioned earlier, I do think that in some ways ISTEN is different from some other Zines. I think our writing style, our interviews especially, are somewhat original, and that's pretty important as far as I'm concerned. I'm not saying that ISTEN is everyone's cup of tea or anything, that's impossible of course, but if you are into underground Death/Grind, etc I think you should check it out. So all in all I'm more than happy with the response we've gotten so far.

6-1

DO YOU LIKE YOUR WORK?

Do you like your work? I'm not exactly sure of what you mean, but usually I'm not very satisfied with anything I do. I'm quite content with our issue #5, but never really satisfied. I mean self criticism is good to an extent, but when it comes to a point where you write your reviews over and over again, and spend several weeks on lay-out and such things. Well, it all becomes a bit ridiculous really. But I believe we've gotten better with each issue, and to me that's very important. You're able to notice an improvement from issue to issue, and right now I've plenty of ideas for issue #6, so I think it'll be good.

HOW OLD ARE YOU? WOULD YOU LIKE TO BE YOUNGER OR OLDER MAYBE???

I'm 19 years old, and I'll turn 20 in November this year. I'm pretty happy with my age really, thanks for asking!

YOUR FAVE BANDS, MAGS AND MOVIES:

I thought you'd never ask this one. Phew, I have shitloads of fave bands, and they change constantly, so it's difficult to say, but just to give you some clue. I like CARCASS, XYSMA, early CELTIC FROST, ENTOMBED, AUTOPSY, LARD, PARADISE LOST, MERCYFUL FATE, THE ACCUSED, MY DYING BRIDE, BAD RELIGION, DISMEMBER, UNLEASHED, ROTTING CHRIST, MINISTRY, CORONER, GODFLESH, etc. I stress that these were just mentioned as examples of my musical taste. Some of my fave Zines are SLAYER MAG, PEAR DROP, ULTIMATUM, NUCLEAR GORE, DYING TERROR and UNIFORM (the last two now sadly defunct as you may or may not know), but I enjoy most zines, and would like to advice all of you deathsters to support zines, rather than spend all your money on rock ords sold at a fancy price. Hmm, as far for movies, I think "Eraserhead" and the "Shining" would be the ones. I do like things like "Bad Taste", "Psychos in love", "Re-animator", what ever, but I'm hardly a gorehound, a splatter freak or movie fanatic. So the two mentioned are probably my faves.

DO YOU GET A LOT OF MAIL?

Well yeah, sometimes it's like "Whew, how am I going to get through all this?", but sometimes it's more like "Is this all?!" I enjoy getting and answering mail very much, but it is hard every now and then, or what do you think? (Yeah, it's really hard to answer mail fast enough, because it cost a lot of time and money!!!!-ED) But everybody should feel free to drop me a few lines if you need info on ISTEN or something like that.

I say MORTUARY MAG???

I wish you fuck!!! (Oh, thanks!!! I can need it, really!!!!-ED)

HOW LONG IS YOUR DICK???

Is this the obligatory "joke question"? (Yes, it should be a joke question, but why didn't you answered it??-ED) Here's another one: What's your IQ? I don't know for sure, but I think it should be something like 220!!!!

HOW HAVE YOUR ISSUES SOLD?

The first three issues were written in Finnish, so who cares? The first one sold 100 copies, and issue #2 and #3 sold 200 copies each. Issue #4 was the first one in English and the print run was 500 copies, which was sold out in no time. The current issue (#5) is still available (the print run was 1000 copies) for 4\$ (Europe) and 5\$ elsewhere. Cash or international money order only, thanks!!!

SOME PLANS FOR THE FUTURE?

Well, we hope to have our 6th issue out as soon as possible (whatever that might mean..) ISTEN is designed to blow some minds (just kidding!), and it's excellence shall only increase in the near future and in future editions. Nope, I don't think I have any future plans in particular really, we're just going to continue doing what we've done so far, and that's it, basically. We're going to remain down-to-earth and out-of-this world, and I'll spend even more of my time looking at books, probably. Ohm, don't ask!

YOUR LAST COMMENT:

Many thanks for this interview! I hope it was worthwhile. To everybody out there, thanks for reading this. Do what thou wilt, but don't let others form your opinions! If you think you'd like to read some honest underground journalism, please consider ISTEN as an alternative. I know it does sound stupid, but we're here for you!!! All the best with MORTUARY MAG! (Yeah! And all the best with ISTEN MAG!-ED) Take care!!!

MY DYING BRIDE

This here are MY DYING BRIDE from England! What could I tell you about this great band? Hmm... I think they play a bit like their neighbors PARADISE LOST and BOLT THROWER, but with an own style which is very good!!! Soon they're going to release a EP (Symphonies infernus et spera empyrium) on PEACEVILLE RECORDS!!!! They've released a demo and a EP (which is sold out, only 1000 copies were pressed!) on LISTENABLE REC.!! Their full LP should come out a few month later after their EP, also on PEACEVILLE!!!! My mega-boring questions are answered by vocalist Aaron:

HELLO AARON, ANY FIRST COMMENT:

-Yes, hello to our friends out there, especially Peter Krugel and DEAD!!!

IS IT RIGHT THAT YOU'RE A SIGNING OF PEACEVILLE REC.?

-Yes, we do. It's a 4 LP deal with them, starting off with a 12" out in February 1992.

ARE YOU SATISFIED WITH YOUR EP OUT ON LISTENABLE???

-It was OK, I suppose. We didn't really get the sound we wanted, but still it's quite good. The deal was only to press 1000 copies and now it has totally sold out.

DO YOU HAVE ALREADY WRITTEN NEW MATERIAL?

-At the moment we're working on the LP and we are keeping our new songs a bit of a secret for a while. They will be quite different from the usual Death Metal style though.

DO YOU ANSWER ALL THE MAIL THAT YOU GET?

-Yes, definitely. Sometimes we get letters from people saying "I wrote to you a long time ago but got no reply" if this happens it means we didn't get there first letter!!!

YOUR FAVE BANDS, MAGS AND BOOKS:

-My fave bands are ACURUS, MEFTISTO, CGFH, DEPECHE MODE, and most Death Metal. Mags are PEARDROP, SLAYER, LISTEN, THRAS'N BURN and tons more. Books, I love Terry Pratchett he's my fave author!!!

SAV'HELLO TO SOMEBODY:

-Hello Calvin you fat mother fucker student daigo wop portercian cock suckions cunt smelling hot dang ugly bastard from hell!!!!!!

ARE YOU INTO PORNO MOVIES???

-Of course I am, nearly all the time, hehehehehe...

ASK ME SOMETHING:

-I used to live in Wönnchengladeback (Germany-ED) when I was a kid, has it changed much in the last 10 years? Sorry Aaron, but I was never in Wönnchengladeback!!!! But I think there haven't much changed the last time, like here in this shitty land (Petersberg/Fulda)!!!!!!

FUTURE PLANS:

-Do the LP's, tour the world, live forever, knobbing endlessly hahahahaha...

LAST WORDS:

-Well, thanks very much for your time and space and support, I wish you all the best!!!! ENJOY THE DARKNESS!!!!

RISE ABOVE THE NOISE!!

This band is called FLESHCRAWL and is coming this time not from Sweden, FLESHCRAWL is from Germany!!!! It's a five piece band and so far they've released a demo and a EP on !!! They style of playing music is very variety Death Metal stuff with a lot of different influences!!! They got a lot of LP offers (like PEACEVILLE, CENTURY MEDIA, etc) and hope soon to bring out their debut LP!!! Watch out for them, they're cool!!! Markus answered the interview for me and you, the reader of MORTUARY MAG:

WHY HAVE YOU CHANGED YOUR NAME FROM 'SUFFOCATION' TO 'FLESHCRAWL'?

-It was really no easy decision to change the bandname again. (Our name before SUFFOCATION was MORGOTH!!!) But due the ROADRUNNER band SUFFOCATION from the USA, there was no other way possible than to find another cool name, and now I'm really pleased with the new name FLESHCRAWL. I think it's really cool name, and it was better to change the name before the release of the new 7"ep than afterwards!!!

HAVE YOU SOLD MUCH COPIES OF YOUR DEMO? ARE YOU SATISFIED WITH IT?

-We've sold about 600 copies till now and I think we can be satisfied with that fact. We got orders from nearly every country on this fucking earth!! From Mexico, Brasil, Japan, Costa Rica, Spain, etc. the most of course from the USA and from Germany!!!

YOUR LINE UP AND AGES:

-Our current line-up is: Stefan Hanus-guitar (22), Bastian Herzog-drums (20), Markus Amann-bass (18), Christian Hanhart-guitar (19), Alex Pretzer-Vocals and is 21 years old!!!

HOW MANY TIMES HAVE YOU PLAYED LIVE SO FAR?

-I don't know how many gigs we had till now, really a lot I can say. We played gigs with INCUBUS, DIS-HARMONIC ORCHESTRA, some with NECRONY, really a lot with ULCEROUS PHLEGM and DEAD, also DEMIGOD here in Germany!!! In summer we did a small tour through Hungary. Was really a cool time!!! Other bands we played with were RI DEAD?, PATHOLOGICAL INSTITUT (Noise-Grand Godz!), NECROPHANTASTIC NIGHTMARE (now ENSLAVED), PARRICIDE (RIP), CEMETERY, TORCHURE, etc., etc...

DO YOU THINK THAT YOU'VE CREATED AN OWN STYLE???

-I don't want to say that, but if you say so, it's OK. We mix some Industrial elements into our music, also if you look closer to the music you can find some HC like parts (Infected subconscious, Lost in a grave), we also like doom parts (we're great MELVINS fans, sometimes you can hear that, hahaha) and if we play fast we use Grindcore parts to do that, which are a bit in the style of ATROCITY or MORBID ANGEL. And if you mix that stuff together, you really get an own style that couldn't be described exactly. You've to find it out for yourself!!!

I say DEMIGOD???

-DEMIGOD are one of my fave bands in the current Death Metal scene. They're really original, I like their stuff! Although I listen more to HC, Industrial or even Rap. My fave death bands are CARCASS, MORBID ANGEL and especially AUTOPSY. DEMIGOD came also for some gigs to Germany, we played with them in Illertissen together with PATHOLOGICAL INSTITUT, RI DEAD? and DEAD. It was cool to have them here, Stefan (our guitar player) made this possible!!

WHAT'S YOUR LYRICS ABOUT?

-The usual death philosophy and gore lyrics. Nothing special, we think that the music is more important than the lyrics, especially the feeling that comes with the music. Most of the lyrics were written by Stefan, they're just gore, but I like them. I don't know why, hahahaha...

FUTURE PLANS:

-Now our 7"ep is released and surely spread by mailorder NUCLEAR BLAST, MALIBU, FRONTLINE, etc. And we'll see, perhaps we'll get a good deal for the future. I hope! Soon there will be also shirts, we'll see...

LAST COMMENT:

-If someone wants to order the EP, their demo or just to get information, write to my address! (demo \$6/10 DM, EP \$5/8 DM) For info please enclose 1 IRC (or \$) That would help us a lot!!! Special greetings to: Richard of NECRONY and Bernd from ULCEROUS PHLEGM! Would be boring to list up my girls, hehehehehe... THANK Christian for the interview!!!

RISE ABOVE THE NOISE!!!

DEATH METAL

CENETARY are coming from Sweden and play (of course) Death Metal, but with more doom parts! So far they've released a demo "Incarnation of morbidity" and will soon release a EP out on WILD RAGS RECORDS!!! Read the interview if you should be interested in them!!! Their adress: Mathias s Lodmalm, Övre Kvarngatan 67, S-502 44 Brås, Sweden.

WHAT ARE YOU DOING AT THE MOMENT?

-Hear sluts screaming from my torture chamber withing the crypt of Dagon, and I hear the Hellish sounds of NECROPHOBIC's "Unholy phrophecies".

HOW CAME YOU TO THE IDEA TO CALL YOU "CENETARY"?

-Well, me and the guys from the original line up, all lived in the same house, and this house lies next to a Cemetery, notice though that we spell it the ancient way "cemetary"! instead of Cemetery, some people think that our way to spell is wrong, but both are correct! By the way, there's a movie about our house, guess which movie it is...

WHAT INFLUENCES YOU MOSTLY?

-Well, musically it's mostly old stuff like DESTRUCTION, POSSESSED, HELLHAMMER, MERCYFUL FATE, JUDAS PRIEST, BATHORY, but we don't sound like them, we're trying to be as original as possible and that's quite hard this days with all good bands around. Another cool thing is classical and folk music, people really should be more openminded in the scene and not just listen to what's the most brutal! Movie soundtracks rules, too!!!

HOW OFTEN HAVE YOU PLAYED LIVE?

-So far we've played live five gigs and there's more coming.....

DO YOU HAVE SOME NEW SONGS?

-Yeah! We've got around 11 songs by now and some titles are: "The forgotten!", "They dance at the end of time", "Where the rivers of madness stream!", "Dead, but dreaming", "To the winds of silence", etc....

ARE YOU INTO SATANISM???

-Yes, you could say that, but the word Satanism is usually connected with groups like DEICIDE, etc. And that is not what I'm about. I'm really serious, but what I write in my lyrics and it's not to be cool, etc. Though I never use the words Satan or Hell or stuff like that in my lyrics, it's too basic. I really enjoy Lovecraft, Crowley, Castaneda, Lovey, Alhazred, Vincini, Oaklynn and Morell, and I've been into this thing for quite a while so I think I know what I'm talking about!!!

FAVE BANDS, MAGS AND MOVIES:

-Bands, POSSESSED, MERCYFUL FATE, VENOM, BATHORY, CELTIC FR OST, etc. Mags, ISTEN, MEGA MAG, SLAYER, PUTREFACTION, CLOSE UP, etc. Movies, Terminator 2 beats all, Arnold rules!!!

ASK ME SOMETHING:

-Can I have your Stereo? -No way man, I need it for myself! Go on and save money to buy a new, OK!!!

ARE IN SWEDEN COMING MORE GREAT BANDS LIKE YOU?

-Oh man, there's soon many (too many???) good bands coming up here, but it's too bad that many just try to copy their fave bands, but there's lots doing their own thing, too!!!

FUTURE PLANS ARE:

-Well, we hit a 24 channel studio soon to record 5 new tracks, and some of them will hopefully turn up on Vinyl. Play gigs, get drunk, read books and staying alive.

LAST WORDS BEFORE MESSAGE:

-Thanks a lot for the interview and your support! Please buy our demo and shirt. All cool! true! people should get in touch with us now!!! Live forever!!!

 or maybe the Post lost as always the letter from me or from the person. OK,
 lets go on with it (maybe some are going to write this time, I don't know?):

 Most of the above named people I've written 2 times or I've just enclosed
 one or two IRC's for reply!!! In all my future issues there's going to be
 a list like this, so you can see which people don't answer letters at all!!!

HATE GOES TO: All ripp-offs on earth, my parents, all teachers our school,
 Lenny Kravitz, Die Wildecker Herzbuben, and some other stupid people!!!

My 2nd(4th) real issue is going to be much more different, better in English, interviews, reviews, lay-out, artworks, designs, news, typewriting, etc!!!! There will be one word very big written: PROFFESIONEL but as I said in my foreword, nothing like MORBID or ISTEN MAG, just still a very nice underground magazine for the underground maniac!!!! I really hope to get interviews with CARCASS (again with the godz of extreme heavy metal!!) EDGE OF SANITY (with Dan the cool dude!!), MONSTROSITY, DEAD (Germans brutalst grinding death gore metallers!!!!), DISMEMBER (in the hope that Matti answer my questions this time!!), MAYHEM (Norwegian black metal godz still alive also without a cool dude named "Dead"), GODFLESH, AT THE GATES, UNLEASHED, DARK THRONE, ASPHYX, MORTICIAN, AUTOPSSY, HOLY MOSES, REPULSION (legendary grindcore godz are back!!), INCUBATOR, PARADISE LOST, SINOATH (Itaaians new death metal hope!!!!), FUNERAL NATION, DEAD FETUS ABSURD, NOCTURNAL RITES, MARDUK, CEMETERY, CONVULSE, AFFLICTED, HEXX, OLD FUNERAL, POSSESSED (finally back with Vinyl!!!), XYXMA, IMPETIGO, HOUSE OF USHER/REQUIEM MAG, LOBOTOMY/RUPTURED ZINE, SPIKEHEAD ZINE, SLAYER MAG (to see what dude Metalion have to tell this time!) FALLEN PAGES MAG, MORTUARY MAG (Yo, I'm going to be interview by my new co-editor Joshua Oliver de Jean!!!!), PEARDROP ZINE/LISTENABLE RECORDS, ATMOSFEAR ZINE/APROCTOUS, DIVUS MAG, HOLOCAUST ZINE, NUCLEAR BLAST RECORDS (Germans cool record label speaks out!!), OBSCURE PLASMA RECORDS, POSERS/SLAUGHTER RECORDS, RELAPSE RECORDS, CENTURY MEDIA RECORDS, WILD RAGS RECORDS, etc also there's going to be the usual news, more than 200 demo reviews, articles, lay-outs, gory artworks, adresses, photos, logos, etc and just new stuff like the splatter and gore story page, horror movies reviews, tape traders page, photos of MORTUARY MAG readers, etc and of course 2 new posters!!!! You see, MORTUARY MAG issue 4 will be totally fullpacked of stuff more than 50!!!! interviews, 300 tape-vinyl-zine reviews, 50 articles and hopefully more than 100 proffesione l off-set printed pages with a gloosy cover!!!!!! I'm still and always looking for some cool contributors from all the world who could send me their artworks, lay-outs, articles, reviews, logos, news and other interesting stuff till September 1992 when there's hopefully coming the new issue!!! It will be have a edition of 5000 copies and will be avaiable through some very cool distributions and maybe some stores here in Germany!!! Please check also out my releases on SLAUGHTER RECORDS and the stuff in my mailorder list PUTREFACTION TOTAL!!!! Ohh, I forgot something: Hey, reader of this magazine, if you have any criticism what should be better in the next issue or whatever, please write a letter and maybe it's going to be released on my readers page, and it would be cool if people who writes me could send me a photo of themselves!!!!!! More or less, I think that's all for this not so proffesional issue!!! Please supporting more reading underground zines and mags, OK!!!
