VORTEX

Hell...oo ! Berjumpa lagi kita dlm issue ke-11 VORTEX FROM THE EAST fanzine. selepas issue keluaran ke-10 iaitu tiga bulan yg lepas. Seperti biasa issue kali ini memaparkan sedikit perkembangan, berita dan interview dgn band band underground dari Malaysia dan oversea. Selain terdapat articles yg disumbangkan oleh readers, banyak juga aku menerima 1 akaran kartun tapi tak kesemuanya dpt. disiarkan kerana walaupun terdapat unsur unsur humor tapi ianya tak ada kena mengena langsung dgn muzik ni. Nanti kalau dah terlambat banyak kartun fanzine ni jadi macam humor'zine pulak. Yeatak ? Lagi satu kebanyakkan articles yg dihantar pd aku ialah semata mata nak, menghentam sesuatu pihak, lepaskan geram, tapi kalau la betul kena caranya dan dgn idea-idea yg munasabah tu ok la. Rasanya kurang berfaedah kalau aku terus menyiarkan benda macam ni lagi ! Jadi lain kali aku harap kalau nak hantar articles tu biarlah yg mempunyai unsur membina dan juga sedikit pengetahuan ok ? Aku rasa ada banyak'benda'yang. ada dlm kepala hotak kita ni yg belum kita keluarkan lagi dan berfikirlah dgn cara yg lebih positif ok ? Macamna yg. dikatakan positif tu ? Contohnya cuba la engkorang tengok perkembangan senasa muzik black metal yg tengah heboh diperkatakan sekarang nidimana ada pihak yg berfikiran sempit mengatakan kalau yang 'true'black metaller's mesti buat macam apa yg BURZUM, MAYHEM dan EMPEROR buat tu ? Macam tu true ke ? Macho sangat ke ? Kalau betul nak tunjuk ganas masuk ajela Wrestling ke apa ke...kenapa musti nak dikaitkan dgn muzik ? Kita nak dengar lagu' dan bukannya nak fight !!!! Bagi aku black metal muzik is not the way of life ! Ok la lagi satu surat yg. hendak dihantar pd aku musti disertakan dgn stem 30c dan jangan lupa tulis alamat sendiri sebabnya aku ni bukannya buleh ingat semua address engkorang ok ?

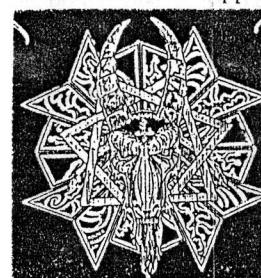

Tape traders ?!? Dialu-alukan ! Kalau nak exchange tapes hantarkan aje list yg engkorang ada dan nanti aku akan hantarkan pd. engkorang kesemua list-list collection aku (Over 1500 titles of worldwide underground Punk, Hardcore Thrash, Grind, Black/Death Metal bands) Kalau ada yg nak beli tapes hantarkan saja RM2 utk mendapatkan kesemua list collections aku. Harga buleh diruindingkan.Untuk issue ini tiada gigs-review sebab sepanjang issue ini disiarkan tiada sebarang concert diadakan kecuali concert SIIKHANNAZ di Pena ng awal bulan lepast tapi aku tak dapat turun sana. Sesiapa yg nak cari penpalz & tape traders bolehlah hantarkan nama, alamat dan sedikit pesanan utk ruangan penpalz yg mungkin akan diadakan di issue yg akan datang mingkin ! Sesiapa yg hendak menghantar duit dlm jumlah yg banyak aku nasihatkan gunakan wang pos yg hanya perlu ditulis nama aku sahaja iaitu ABD.AZIZ dan ruangan lain lain tu biarkan aje kosong dan nanti aku akan isikan sendiri ok ? Kalau boleh jangan gunakan surat berdaftar kerana aku malas nak pegi tuntut di post office ok ??? Nampaknya sekarang ni tengah'deman'dengan muzik Alternative sampaikan ramai editor fanzine jenis ni tumbuh macam cendawan lepas hujan.walaubagaimanapun VORTEX FROM THE EAST fanzine akan terus menumpukan kpd muzik Black dan Death Metal tapi masih lagi 'open' utk lain lain jenis muzik underground. Insyaallah, issue ke-12 fanzine ni akan tetap diterbitkan tapi mungkin agak lambat sedikit 5 atau 6 bulan dari sekarang,mungkin ! Ok itu aje untuk pendahuluan kali ini dan aku harap engkorang enjoy baca issue kali ini dan terima kasih kpd semua yg supportt fanzine ni dan yg telah menghantar surat pd aku. Jumpa lagi di lain issue ! Peace ! Support underground muzik ok ?

DARKLORD - Return to the Black Forest Demo 1994 (Malaysia) **

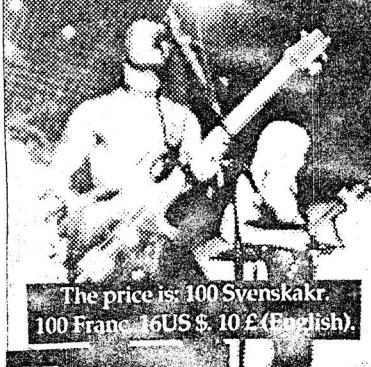

Nocturno Prince of Black Abyssia-Guitar/vox, Black Raven of Mayhemic Curses-guitar, Seventh warrior of Armageddish-bass/keyboard dan Inferno Lord of Nocturnal Kingdom-Drums adalah anggota band DARKLORD yg baru sahaja ditubuhkan. Demo spt tajuk diatas yg mengandungi 4 buah lagu serta intro dan outro, yg dlm lingkungan 28 minit. Demo ni telah dirakamkan di AMERAH STUDIO pd bulan Mac yg lepas. Harga demo ni ialah rm6. Keseluruhan sound yg dihasilkan boleh tahan juga dgn influence Gothic/Dark/Doom/Black Metal. Terdapat juga lagu yg dimasukkan alunan keyboard yg agak bermelodi. Tapi aku rasa dgn rentak muzik yg perlahaan banyak menampakan'kekosongan'dlm susunan lagu muzik band ni dan contohnya ketukan drums dlm demo ni 'lurus'aje stailnya ! Bila aku dengar demo yg diorang hantarkan ni aku teringat dgn Swedish Pagan Black Metal band iaitu PAGAN RITES yg mengelarkan diri mereka orthodox black metaller's. Interview dengan band ni aku ada buat tapi masih belum lagi ada jawapan dan kalau sudah ada nanti aku akan siarkannya di issue yg ke 12 nanti ! Aku difahamkan bahawa vocalist band ni adalah adik kpd Agathos Daemon of NEBIRAS. Muzik jenis DARKLORD ni kalau kekurangan melody yg menyengat akan membuatkan kita cepat boring ! Kalau ada sesiapa yg berminat sila la utk menghubungi band ni melalui alamat diatas ok ? Nak interview ke, berkenalan ke, beli demo kedan sebagainya asal jangan mintak demo free-sudah la ok ? Support DARKLORD ok ?!?!?!?!

WARCOLLAPSE - Demo'93 (Sweden) ***

Bagi aku muzik 'warcollapse' adalah adunan muzik Thrash/core dan sedikit Death Metal. Tak jauh beza dgn muzik band **DISCHARGE** di mana mereka banyak mengambil unsur unsur muzik 80-an contohnya drpd segi riffing gitar dan juga soundnya. Demo ni memakan masa selama 18 minit sahaja. Harganya cuma US\$6 Dollars sahaja. Soundnya agak memberangsangkan dgn printed tape dan photostat cover. Sorry aku dah hilang address band ni dan di cover demo juga tak ada address. Contact aku utk bagaimana cara mendapatkan demo ni drpd aku ok? Great band !!!!!

ECTOPIA - Hate Release Demo'93 (UK) ***

More, Ground Down, dan Abuse adalah tajuk untuk ketiga tiga lagu dlm demo ni, yg cuma utk 15 minit sahaja yg dijual dgn US 5 Dollars. Thrash/Death Metal muzik dgn gaya vocal ala crossover. Sound, susunan muzik dan production cukup membanggakan. Terdapat juga sedikit kelainan utk band ni drpd segi bentuk muzik tapi drpd segi sound macam biasa aje! Mereka ialah Jim-vocal, John-drums, Ben-guitar dan Toby-bass. Alamat mereka ialah **ECTOPIA @ 20 Compton Rd. London N21 3NX ENGLAND.** Write to them ok ?!?!?

SATANIC SINGER FACES JAIL AS CHURCHES BURN !

Satanic heavy metal singer Count Grishnacht leader of Norwegian black metallers BURZUM was arrested last week in Norway on charges of arson following a spate of fire attack on churches. The real name of the 18 years old has yet to be revealed. The count has allegedly confessed in an interview with a prominent Norwegian newspaper to torching several churches in town including Oslo, stavanger and the singer's hometown of Bergen. If found guilty the count may face a jail sentence of up to 20 years. A total of eight churches have been damaged by fires since June 1992. Several burnt to the ground. The count was pictured in Norway's national press being taken into police custody wearing a VENOM 'black metal' t-shirt. Another photograph showed the singer posing with a long knife and a bizarre close contact weapon with spikes and a curved blade. Both the count and his girl friend are outspoken satanists. BURZUM GUITARIST SAMOTH (an agram of his real name Thomas) was also arrested on arson charges but was later released. Samoth also played in EMPEROR and has proclaimed himself 'The lord of Silence'. He rarely speaks and apparently never smiles or laughs! Eccentric behaviour is rife in the Scandinavian death metal scene among bands like Norway's DARKTHRONE and MAYHEM and Finland's IMPALED NAZARENE. MAYHEM bassist Euronymous is the father figure of Norwegian black metal and runs the Deathlike Silence label to which BURZUM are signed. BURZUM and several other Norwegian black metal bands have material released in the UK soon via the fledgling Candlelight label. BURZUM eponymous debut album will be issued in late spring preceded by ENSLAVED 'Hordanes Land' (Battle metal with lyrics in ancient norse!) and an eponymous album from EMPEROR in the epic style of Sweden's legendary BATHORY!

Selepas sahaja VORTEX FROM THE EAST'zine issue yang ke-10 yg lepas memaparkan men-gejala pengaruh Neo Nazi yg sudah mula berakar umbi di KL ni aku banyak me-nerima surat kutukan dan tak kurang jug-a ancaman drpd segerintir'hantu'pengacau ni. Aku tak nampak langsung diapunya r-asional la apsal diorang ni nak tunjukan sangat lagak diorang nie sampai suka-sangat nak buat Anarchy tak tentu pasal! Tak bersebab langsung ! Funny sangat ke, kalau dok jumpa mat mat Indon lepas tu-pukul sana,gaduh sini.Kalau nak tunjuk-kuat pun biarlah bertempat yea tak ? Aku pun tak tau apa salah yg dah aku buat sa-mpai diorang marah sangat pada aku nie. Bagi aku bukan aje mat mat Nazi ni aje yg selalu buat kecoh tapi mat mat Black-Metal yg mengaku kononnya 'true'nie pun d-ah mula nak buat hal yg sama jugak. Aku-pun tak tau apa nak jadi dgn underground scene kat Malaysia ni. Terkejut tak tentu pasal ! Man man la brothers jangan la nak tunjuk Macho tak tentu pasal ok????? Aku pun tak tau sampai bila lagi underground scene kita ni boleh nampak matang sikit ! Kalau kita fikirkan balik semua-benda benda stupid macam ni tak bagi apa apa faedah pun pada diri kita sendiri ap-a lagi pada orang lain. Yeaolah,cuba eng-korang fikir kalau kegiatan kegiatan atau perangai macam ni tak dapat dibendoing atau semakin menjadi jadi kesudahannya kita juga yg susah nanti. Yealah kalau gigs untuk muzik underground macam yg ad-a sekarang tak dapat diadakan lagi atau seterusnya kaset kaset tak dapat dijual-dikedai kedai lagi lagi,apa nak jadi ??? Kita nak tengok concert apa ? Nak dengar lagu apa ? Tengok concert WINGS ? Dengar lagu SPRINGS ? Boring la kalu macam ni ! Kalau jadi benda macam ni salah kita ju-ga sebab yg selalu buat hal contohnya ma-sa gigs...etc tu geng geng kita juga !! Boleh ke sebab mat mat Nazi buat Anarchy di tempat concert maka concert Rap akan-terus diharamkan dan sebagainya ?

NEWS NEWS NEWS NEWS NEWS NEWS NEWS !!!

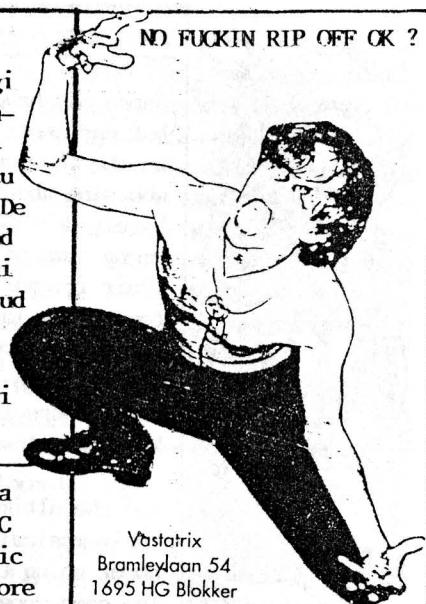

Y.Occultus lead guitarist NEBIRAS dah pun pergi untuk selama lamanya setelah terlibat dalam satu kemalangan jalan raya pada 10 February 1994 yang lepas.Kini anggota NEBIRAS yang tinggal cuma Agathos Daemon (Bvocal & guitar) dan Omen De Nefarious (Bass), dan buat masa sekarang ni band ni telah menggunakan pemain drum BAZZAH sebagai sessionist.Walaubagaimanapun NEBIRAS tetap wujud lagi walaupun tanpa Y.Occultus yg sememangnya banyak menyumbangkan jasa dan bagi aku dia nie tenaga terpenting NEBIRAS sejak ditubuhkan dari dulu lagi.

PUNK ROCK, JAPANESE STYLE !

Japan may have exported thousands of stereos into United state but has contributed little to the pop and rock music played on them. Now, out of Osaka comes Shonen knife a trio of women who sing about jellybeans, pot scrubbers and catnip in giddy, barely decipherable english. That's made them cult favourites among some of the worlds most prominent salternative rockers. Their friends in Nirvana invited Shonen knife to open a few tour dates last fall. Sonic Youth's Thurston Moore plays on their new album. Gumballs Donald Fleming helped produce the LP. More than 30 American groups recorded cover versions of their songs for the tribute album, "Every bands has a Shonen knife who loves them".

And the ultimate; Bass player Michie Nakatani swears she hears their musical heroes, the Buzzcocks joke on their latest album about going to a karaoke bar with Shonen knife in Tokyo. The camp appeal of such songs as 'Flying Jelly attack' and 'Tortoise brand pot scrubbing cleaners theme (sea turtle)' is obvious even to Shonen knife. But they don't care if you laugh at them or with them, as long as you listen. "We are not trying to make people laugh" said Nakatani who formed Shonen knife more than a decade ago with college classmate Naoko Yamano and her younger sister Atsuko Yamano.

"But if some people think our music is funny, fine. We don't care" she said. "We take our music seriously". Our music and lyrics might seem very stupid sometimes but we put very serious problems and ironical points underneath the songs. If you listen to it over and over you will find it! Nakatani and Naoko Yamano are comfortable with English if not fluent. Atsuko is less comfortable and did little more than giggle 'hello' in a recent telephone interview. Shonen knife named for a Japanese brand of jackknife is one of a countless numbers of bands that took the do it yourself spirit of late 1970s new wave bands such as XTC THE JAM and THE BUZZCOCKS to heart. Nakatani said she took up the bass because it had two less strings than a guitar. Their music can best be described as a crude marriage between THE RAMONES and SHIRELLES with a Japanese accent. Its undeniably catchy.

Their parents used to tell them to hide their guitars so the neighbours wouldn't see. Now their parents give away CD's to their friend she said.

THY SERPENT satu lagi band Black Metal yg berasal dari Finland dan cuma dianggotai oleh seorang anggota sahaja. Setakat ini cuma satu demo sahaja yg sempat dikeluarkan iaitu Demo 1994 yg dirakamkan beberapa bulan yg lepas yg mengandungi 5 buah lagu Unholy black metal music. Sound sederhana sahaja bunyinya dan production yg agak professional juga drpd segi penghasilan cover dan kaset. Bagi aku stail music THY SERPENT agak terdapat sedikit kelajinan drpd segi penonjolan sound dan riffing guitar drpd yg pernah wujud seljarang tapi dari segi gaya dan lengkok vocal masih terikut ikut gaya Quorthorn off BATHORY. Macam dah tak ada suara atau gaya lain pulak dia! Demo ni dijual dgn harga \$US6 Dollars in CASH pada alamat THY SERPENT OK? Ada kat atas sekali alamatnya! Mungkin THY SERPENT nak mencari sedikit kelainan.

NEBIRAS 'As The Sky Turns Black' black t-shirt ada dijual dgn harga RM30 (termasuk harga post) dialamat dibawah dgn cara menghantarkan WANG POS yang cuma perlu ditulis nama ABD AZIZ sahaja dikertas wang pos tersebut manakala ruangan lain biarkan sahaja kosong. ASSASSIN - ? Album (China)

Ini adalah band yg pertama yg pernah aku dengar datangnya dari Taiwan CHINA. ASSASSIN bagi aku satu band speed metal yg spt juga HALLOWEEN dan tajuk album ni dan tajuk lagu lagu dlm album nie aku pun tak faham sebab ia dlm bahasa Mandarin tapi ada satu lagu Inggeris yg bertajuk TIME IS COMING. Aku tertarik juga dgn sound album ni yg agak berat dan suara vocalistnya mengingatkan aku dgn KING DIAMOND dan HALLOWEEN. Album ni diedarkan oleh BMG di Taiwan. Alamat mereka ialah ASSASSIN 180 Lane 415 Kwang Fu S Road Taipei. Taiwan REPUBLIC OF CHINA. Walaupun tak faham dgn lirik yg dinyanyikan tapi dari segi muzik dan sound yg heavy kita enjoy jugak dengar album ni, dan setau aku album nie tak ada dijual di Malaysia nie .

THOM ROBB - LEADER OF THE KU KLUX KLAN.

Pergerakan Klan mula aktif di Amerika sejak tahun 1866 lagi. Ditubuhkan di Utara Amerika dimana ia bermula sebagai kelab social untuk tentera bersekutu selepas perang civil Amerika dan ia terjadi juga sebab tertubuhnya pertubuhan politik yg mementingkan bangsa tertentu sahaja. Ahli klan kebanyakannya terkenal dengan nama yg buruk dengan sejenis pakaian tudung kepala dan juga dgn salib terbakar. Moto klan adalah AMERIKA ADALAH UNTUK AMERIKA dan ini adalah target mereka. Kejayaan klan biasanya bergantung kpd pemimpin yg dinamik dan satu drpd pemimpin yg berkarisma ialah David Duke dari Louisiana yg juga berkempen sbg bakal presiden republican tahun ini (1992). Dia kemudian gagal dan jatuh dan sekarang digantikan oleh Thom Robb yg juga merancang spt semua lain lain ketua klan yang sebelum beliau yang mahu membuat tekanan diatas arus besar poliytik Amerika !!. Thom Robb tahu dimana ramai orang yg pergi berjumpa dgnnya menyangka membencinya.

Bendera Amerika berkibar megah dlm taman beliau dan juga sign yg berbunyi WELCOME FRIEND pada pintu depan rumah kabinnya. Singkat dan tidak menarik dan agak kecil pemikiran dimana spt seseorang yg macam kita jumpa dlm 'Charge Thriving' stor barang besi. Pada asalnya tidak kelihatan spt seseorang yg berauda dihadapan sesuatu pertubuhan yg spt membunuh orang ! Dia bercakap dgn lembut dan tidak mengejai social Amerika atau masalah spiritual dan tajuk yg digunakan lebih kpd belas kasihan sehingga dia mula menyalahkan orang orang yg tak berkenaan dgn agama. Belia memberitahu penulis majalah BBC ENGLISH bagaimana orang kulit putih marah pd kulit hitam dan mereka yg tolong bayarkan bil perubatan utk beberapa tahun. Bagaimana orang kulit putih memberi makan pd kulit hitam dan mereka ada lebih banyak perkongsian adil dari kebijakan christian kulit putih dan katanya lagi beliau tak pernah dengar orang kulit hitam mengucapkan terima kasih !!!!!!

Polisi beliau untuk membetulkan adalah mudah iaitu pemisahan antara kulit putih dgn kulit hitam dan pemulangan kulit hitam semula. Begitupun beliau berkata dlm nada lembut walaupun bila menerangkan tentang bahawa seluruh bangsa yahudi adalah anak haram dan kemudiannya cuba pula utk membenarkan bahawa kenyataannya diambil dari Bible. Jelasnya pertubuhan klan ni juga berunsurkan perkauman dan bolehlah dikatakan mahu menyerupai spt di Afrika selatan walaupun yg herannya sepatutnya orang orang kulit putih disana yg patut dihalau keluar dan cogan kata AFRIKA ADALAH UNTUK ORANG AFRIKA patut diwujudkan. Yea tak ? Baru adil !!!!

Well IMMURED adalah satu band Grind/Death Metal yg agak baru juga dlm underground scene ni terutamanya di Germany tapi daripada segi keaktifan diorang ni aku rasa satu hari nanti band ni juga akan setanding dgn lain lain bands dari Germany lainnya yg dikagumi oleh ramai. Interview dibawah ni aku buat dgn salah seorang anggota band ni iaitu David melalui surat setelah band ni menghantar surat pd aku untuk diinterview. Ok alamat mereka ialah IMMURED @ David Johach Walperdorfer 13.91126 Rednitzhembach. GERMANY. Support them ok.

1.VORTEX - WHAT'S UP TODAY ? HOW'S THE WEATHER OVER THERE ?

David - Well it's great autumn day (although it's December) the sun is shining and it's windy ! Really cool.

1.VORTEX - WHAT DOES IMMURED MEANS ? WHY YOU USE THIS NAME FOR YOUR BAND ?

David - IMMURED means to be imprisoned in a small room. I think that's a name which sounds good. It hasn't got a certain meaning.

2.VORTEX - HOW ABOUT YOUR LATEST DEMO ? ARE YOU SATISFIED ?

DAvid - Yeah...we're really satisfied with our demo, i think our sound is really good, perhaps the drums sound could be a little bit better. But e we're satisfied with it !

3.VORTEX - MOSTLY WHO'S WRITE YOUR LYRICS AND MAKING YOUR MUSIC ARRANGEMENT ?

DAvid - All lyrics are written by Gotz or by me. The ideas for the songs are coming nearly all from me but we arrange and alter the different ideas when we rehearse.

3.VORTEX - ANOTHER DEATH METAL MUSIC, YOU LISTEN OTHER KIND OF MUSIC ?

David - I nearly listen only underground death metal, particularly Finish death/black metal bands, fuckin killer ! But i'm also listening to some Hardcore/Hatecore bands and soon Doom Metal.

4.VORTEX - ARE TOO EXPENSIVE TO RECORDED IN 16 TRACK STUDIO RECORDING THERE ?

DAvid - REcording in 16 track studio isn't that expensive in our area but it depends how long you need to records the songs. It wasn't that expensive for us because we needed only 12 hours to records our stuff.

5.VORTEX - ARE THERE ANY NEO-NAZI SKINHEADS MOVEMENT STILL MAKE VIOLENCE ?

DAvid - Yes, there are still a lot of motherfucker bloody Nazi skin who are organized in small fascistic parties. That's against our democracy but the state doesn't really act. In our region there're luckily only a few skins or Neo Nazis but lots of antifascists.

6.VORTEX - WHERE IS THE FLYERS PICTURE COME FROM ?

David - The picture on the flyers (Its also the demo cover) is taken from a magazine about street gangs in Los Angeles.

7.VORTEX - IT'S HARD TO ORGANIZE ANY GIGS THERE & WHAT THE MOST PROBLEMS ?

DAvid - No, it's really no problems to organize any gigs in our area but there are nearly no guys who are into underground death metal and visit such concerts.

8.VORTEX - ANY OTHERS DEATH/GRIND BANDS FROM YOUR AREA ?

David - There's only one death/grind band from our areathat is worth to mention. DEAD (Perhaps you know them). They're also very active in the underground. There's are some other bands but they areall shitty and fuckin arrogant ! They don't even know what a flyers is !

9. VORTEX - HOW ABOUT THE DEATH METAL MUSIC SCENE IN REDNITZHEMBACH NOWADAY ?

DAvid - Quite funny question ! Because Rednitzhembach has only a few thousand inhabitants there is of course death metal scene. Next bigger town is Nurnberg but there's also no scene only Dead are coming from Nurnberg perhaps some zines but i don't give a fuck !

10. VORTEX - WHAT DO YOU THINK ABOUT MALAYSIA ?

DAvid - I'm so sorry i only know that Malaysia is a group of islands in the Pacific oceans. We don't hear anything about Malaysia here in Germany but i guess there's a cool zine called VORTEX FROM THE EAST right ? (ed-yeah !!!)

11. VORTEX - YOUR NEXT FUTURE PLANS ?

DAvid - We want to sell some demos first to get back the costs. PErhaps we'll make some t-shirts and perhaps we release a 7"EP in future, but nothing is for sure, we'll see.

12. VORTEX - ANYTHING ELSE TO SAY ?

DAvid - THANX you very much for this interview, pal really cool questions ! Our demo is still available for \$US6 Dollars. Greetings to all our penpalz and people who are in contact with us. Grind on !!!

SWIRLING MADNESS
WE ARE WHAT WE ARE

SWIRLING MADNESS WAS FORMED IN MIDDLE 1991. THE ORIGINAL LINE UP WAS FORMED BY RAY (DRUMS), GLENN (BASS) AND JACQUE CHONG ON GUITAR. WE DIDNT HAVE A VOCALIST BACK THEN SO WE HAD TO FIND OUR FRIEND FROM THE LOCAL UNDERGROUND SCENE TO SING FOR US LIKE DEAN (SILENT SORROW) BOON (SIDES) AND FRANKIE (INTENSE DECIBELS). WE PLAYED BASICALLY PUNK STUFF LIKE SEX PISTOL, MISFITS AND TEST TUBE BABIES. TOWARDS THE END OF 1991 REZAL JOINED US PERMANENTLY AS OUR VOCALS. WE DID OUR DEMO 'THE RIGHT TO PLAY' IN JULY 1992. AFTER A FEW MONTHS AFTER THE DEMO, JACQUE HAD TO LEAVE US DUE TO WORK COMMITMENTS. IT WAS THEN THAT KEIJU JOINED US AND HE HAS BEEN PLAYING WITH US EVER SINCE. WE HAVE PROGRESSED MUSICALLY OVER THE YEARS FROM PUNK TO A NEW WAVE HARDCORE-ISH WITH A THRASH FEEL AND RUNKIN SENSIBILITIES. WE TRY TO COMBINE THE MENTALITY OF HARDCORE WITH THE INTENSITY OF THRASH MUSIC. OUR INFLUENCES RANGES FROM PUNK (RAMONES, SEX PISTOL) TO HARDCORE (SICK OF IT, INTERGRITY, PANTERA) TO DEATH METAL (SEPUTURA, PARADISE LOST, GRAVE).

SURAT DARI PAHANG !

Terima kasih Jizz sebab bagi aku peluang untuk menulis dlm fanzine VORTEX FROM THE EAST engkau ni. Aku sebenarnya bengang betul dgn band cibai LANGSUIR dari Ipoh tu. Aku pun tak tau apa punya jenis band yg bodoh sangat macam diorang tu. Yang aku heran sangat tu ialah aku ada la baca satu interview diorang dlm satu local fanzine dan diorang ni selamba aje pegi kutuk muzik Black Metal ni dan lagi diorang cakap black metaller's kat Malaysia ni semuanya trendy dan tak ad-a identiti sendiri. LANGSUIR cakap diorang bukannya band black metal macam yg ramai sangkakan dan lepas tu pegi kutuk pulak. Tapi yg sialnya pulak yu diorang ada gak bawak lagu band macam IMPALED NAZARENE dan ROTTING CHRIST dlm satu gig kat KL yg pernah aku tengok dulu. Woi ! Bahlul betul..aku nak tanya diorang nie band ROTTING CHRIST dan IMPALED NAZARENE tu main muzik RA ke ? Betul la diorang tu tak sekolah ! Pigi dah ! Macam la band lu bagus sangat ! Aku rasa ramai lagi black metaller's yg setuju dgn dgn pendapat aku ni. DAripada apa yg aku pereratikan la sejak daripada dulu lagi underground scene kat Ipoh dan terutamanya kat TAiping langsung tak dak perubahan dan boleh dikatakan 'Childish' lemacam kata ompteh ! BAik daripada fanzine fanzine yg ada kat sana, band band dia punya followers yg ada kat sana boleh dikatakan semuanya macam sial dan bodoh sompong ! Jizz aku harap engkau dapat siarkan article aku ni bagi budak budak LANGSUIR tu persangkan diri diorang tu dulu sebelum nak aksyen tak tentu pasal ok ? Lagi satu sebabnya aku tau fanzine engkau ni ada banyak pem-baca dan kalau boleh aku nak bagi semua orang tau pasal benda ni. Ok terima kasih bebanyak la yea !

INFESTATION sebenarnya satu band baru yg muncul dari daerah Billercia negeri Boston USA dan band ni diperkenalkan oleh aku oleh satu band juga dari boston dan aku cuba hubungi diorang ni melalui surat dan surat yg kedua yg aku hantarkan aku sertakan bersama beberapa soalan interview yg cukup ringkas dan dibawah ni aku dapat siarkan sebahagian interview aku dgn salah seorang anggota band ne ni iaitu saudara Mark dan untuk mengetahui mengenai perkembangan selanjutnya sila lihat review demo band ni di ruangan demo ok ? DAN cubalah contact band ni okey ??

1. WHAT'S UP TODAY ?

Mark - Today i'm just hanging out at my apartment in Boston.Massachusetts. Tomorrow we've a show in Lowell with a band called BIG CATHOLIC GUILT.

2. TELL ME SOMETHING ABOUT YOUR BAND HISTORY AND HOW ABOUT YOUR LINE UP ?

Mark - INFESTATION was formed in 1992 when a band that singer Mike Disalvo, guitarist Matt Raymond and i were in broke up, soon drummer Mike Hubbard and guitarist Eric Berube joined and INFESTATION was formed.

3. HOW ABOUT YOUR VISIONS OF REPULSION'd EMO ???

Mark - Over the next year we wrote a bunch of songs and in 1993 we picked the four best songs and released that demo!

3. ARE YOU SATISFIED WITH THE PRODUCTION AND SOUNDS QUALITY ?

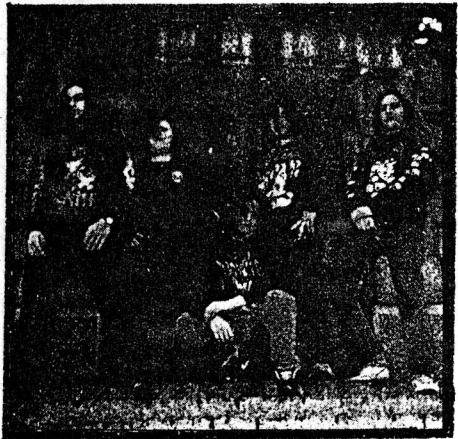

Mark - Yes, i think it came out very well for a first demo. We recorded it all-at west sound studio in London derry, New Hampshire. The engineers there were very easy to work with.

5. DO YOU USE ANY MAIN MUSIC INFLUENCE FOR INFESTATION ?

Mark - Everyone in the band is into many different style of music. I thinks it's a combination of many influences that has helped us develop our own sound!

6. can YOU STORY ABOUT YOUR MESSAGE THROUGH YOUR FLYERS ?

Mark - The demo flyers we have sent out have a picture of the tape cover which is covered with eyeballs which represent the 'Visions of Repulsions' which we are forced to see everyday. Whether its people fucked up on heavy drugs or just assholes who don't listen it repulses us so we choose to write about them and others things that piss off us.

PROFANE CREATION - Demo'93 M'sia *

Ini satu lagi band yg berasal dari Ipoh Perak. Demo yg ada ditangan aku sekarang bertajuk 'A False mourning on futile GReave' Demo'93 yg mengandungi 7 buah lagu dan dijual cuma dgn harga RM6 sahaja. Anggota band ni ialah Cgor -lead, Jadam-guitar, A-fir-bass, Khairul -vocal dan MOhsin-drums. Sound dlm demo ni agak teruk juga ditambah lagi dengan gaya lengok vocal yg terlampau terbal dan tak jelás, macam dah tak ada lirik pulak. Tapi aku rasa bentuk muzik PROFANE CREATION agak heavy juga dengan riffing guitar yg aggressif dan cukup brutal death metal. Kalau digunakan studio recording yg bagus penghasilan demo ni mungkin akan lebih mantap dan lebih lebih lagi cara vocal juga mesti diambil kira penyampaiannya supa nampak lebih kemas ok ? Alamat mereka ialah PROFANE CREATION @ Mohsin, 141 Jalan Pegoh, Taman SPPK 316-50 Ipoh PERAK MALAYSIA. Support 'em !!

7. DO YOU CONSIDER THAT INFESTATION IS THE NEW WAY OF DEATH METAL MUSIC STYLE ?
Mark - I don't know if we are the new style of death but what we don't want is to sound just like everybody else. We want to form a unique style that will separate us from all other bands.

8. WHY YOU MAKE THIS DEMO ? FOR PROFIT OR DO YOU'VE OTHERS REASONS ?

Mark - This demo was made more for publicity than profit. We want to reach as many people as possible and show how we feel about the fucked up world we live in.

9. ARE YOU AGREE WHEN I SAID THAT DEATH METAL IS ONLY TRENDY MUSIC NOWADAY ?

Mark - I think that worldwide a lot of people play death metal to be trendy but where we live there are very few death bands so we do it because we love music.

10. HOW ABOUT THE DEATH METAL MUSIC SCENE IN BILLERCIA AT THE MOMENT ?

Mark - There no scene in Billercia. The closest scene is in Boston. That scene is basically all Hardcore bands which are pretty cool. But there are also a lot of sickly trendy, lame, spineless, pseudo-alternative, college crap bands that i fucking hate !

11. WHAT DO YOU THINK ABOUT MALAYSIA ?

Mark - I know very little about Malaysia. This is actually the first time i have ever been in contact with someone from Malaysia. The American media does not keep its citizen very well informed on what's going on in south east Asian countries like Malaysia.

12. ANYTHING ELSE TO SAY ?

Mark - Thanx again for writing Abd. I hope the answers are satisfactory. a Thanxxx !

SURAT DARI SARAWAK !

Apa khabar kpd semua pembaca **VORTEX FROM THE EAST** fanzine ? Pada keluaran VORTEX FROM THE EAST yg lepas iaitu pd issue yg ke-9 aku rasa kurang puas hati la kat band Black Metal dari Pahang iaitu **BAZZAH** dimana vocalist ba-nd ni iaitu Opie mengatakan bahawa band band underground kat Sarawak se-munya trendy dan kalau dia cakap kat satu fanzine, itu bagi aku memang bi-as-a tapi kalau dah pada setiap editor fanzine yg lain yg hendak interview mereka diorang asyik mengatakan yg band band dari Sarawak trendy dan 1-epas tu menyumpah lagi aku rasa ini dah jadi satu perkara luar biasa !!! Ada ke diorang tu band yg terbaik di Malaysia ? LP pun belum ada lagi dah nak tuduh orang trendy, dan macam tu jygak halnya dgn band yg pun dari Pahang iaitu **CATARRH** dan kedua-dua band ni aku rasa cukup anti dgn bands da-ri Sarawak dan dua kali lima aje. Aku baca kat VORTEX FROM THE EAST issu-e 9 (sorry yg ke-10) yg lepas persembahan CATARRH kat Seremban adalah y-ang terburuk daripada 5 bands yg buat persembahan kat sana. Band band kat Sarawak macam SENSELESS mengambil sikap yg professional dimana mereka me-njawab segala tuduhan yg dilemparkan oleh BAZZAH dan CATARRH dgn membuktikan kpd mereka melalui LP pertama mereka yg bertajuk 'Epedemic Mentalityy Equilibrium'. Engkorang dengarlah sendiri lagu lagu yg ada kat dlm album n-je. SENSELESS tak mahu apa yg terjadi berlaku macam BRAIN DEAD dan NEBIR-AS yg bercakaran sesama sendiri. Kalau kita asyik menghina antara satu sam-a lain bila lagi scene underground kita di Malaysia ni nak maju. Aku juga setuju dgn pendapat MAn D.O. (ENDLESS) yg mengatakan band band BLack Metal kat Malaysia ni tak akan dapat buat spt apa yg dibuat oleh band band spt. yg ada kat Finland dan NORway tu, kerana kita disini terikat dgn agama !!! Berlainan pula halnya dgn satu band BLack Metal dari sarawak (sorry sebab tak dapat sebutkan nama band tu..) yg mana band ni dianggotai oleb budak-budak melayu yg beragama ISlam. TEtapi yg memeranjatkan aku vocalist bandd ni tak mempercayai akan ujudnya tuhan dan mungkin merekaterprengaruh dgn. lagu dari band DEICIDE 'Lunatic OF god CReation'. Aku minta minta la bandd ni bertaubat dgn segera sementara pintu taubat masih terbuka. BAnd ni sebe-narnya ada menerima tawaran drpd salah sebuah syarikat records di KL ta-pi company tu nak kan diorang tukar kan nama band diorang tu sebab bunyi-a agak keterlaluan. Lepas tu pulak band ni tak setuju dan aku rasa kalau-lah LP diorang ni keluar makin bertambah gempaklah lagi dgn satu lagi kon-troversi. Kita tak mahu apa yg terjadi kpd BURZUM menular kenegara kita ! Kerana apa ? Kerana cuma pengaruh muzik aje ! Aku berharap Band band Bla ck METal kat MALaysia ni success dan janganlah melakukan perkara perkara yg melampaui batasan agama. Akhir kata good luck to SENSELESS, SPUTUM, ARAD-IA dan SUFFERCATION.

Bye ! Bye !

SECOND BLACK METAL MURDER !

Bard G.Eithun better known as Faust drummer with Norwegian black metal band EMPEROR HAS Confessed to the murder of a homosexual just three weeks after fellow satanic -errorist Varg vikernes was charged with the murder of rival heavy metal musician Oystein Aarseth. 19 years old Eithun has admitted killing magne Andreassen in the Norwegian town of Lillehammer the murder is one of a series of crimes perpetrated by member's of Norway's so called black metal 'Inner circle'. Following Vikernes arrest police began a thorough investigation of the inner circles activities and have since charged a numbers of its members and followers with crimes ranging from arson to rape . Eithun was arrested at his parents home and confessed to the murder on the advice of his defence attorney following intense police questioning. The killing took place on August 24 1992 when Eithun was 18. He says he was approached by Andreasen while sitting on a bench in Lillehammer's Olympic park. Andreassen is said to have commented that Eithun was good looking. Eithun says he was disgusted by Andreasen advances and left the scene. Andreassen then pursued Eithun and made a second approach at which point Eithun attacked him in a fit of rage. The victim was stabbed 30 times with a pen knife. No single wound was fatal : Andreassen died from loss of blood. The victim's body was discovered the following morning by three jogging schoolgirls. Eithun has also confessed to an arson attack on a chapel in Holmenkollen when he was allegedly joined by vikernes and Aarseth. Eithun worked in Aarseth's record store Helvete and published several satanic journals under the name Orcus Magasin. One edition features illustrations of hangings where victims are hung from a tree by their neck , hair and genitals. Eithun also published instructions on satanic ritual. Another member of EMPEROR guitarist Samoth was also recently taken into police custody on arson charges but has since been released. Police have made more than a dozen arrests since they began investigations into the Norwegian black metal scene in March 1993. Varg vikernes was the first suspect arrested following Arson attacks on seven churches in southern Norway. Vikernes was freed when police evidence proved inconclusive . Within six months he had been arrested again, this time as the prime suspect for the murder of rival Oystein Aarseth aka Euronymous . Since Vikernes was charged with Aarseth's murder hundreds of people have been interviewed by police and a sinister network of serious crimes has emerged . Besides murder these murder/crimes include rape assault with a deadly weapon and arson. In the home of inner circle figures police have discovered hordes of weapons satanic paraphernalia and even jewellery made from human bones ! Police have also revealed that the satanic terrorist developed a hierarchy based on misdeeds . Witnesses told police that satanists aspiring to the inner circle were assigned tasks and awarded points from their success. Each point gained increased the individual's stature within the black metal community. It is believed that Vikernes and Aarseth controlled the Inner circle before they became embroiled in a bitter rivalry which may have led to Aarseth's death.

COUNT PLOTS TO BLOW UP CROWN JEWELS!

VARG VIKERNES - aka Count Grishnacht - had allegedly planned to blow up a church housing the Norwegian crown jewels before he was arrested for the murder of Øystein Aarseth.

Police searching Vikernes' apartment in Bergen in connection with the murder found 150 kilos of dynamite, which they believe Vikernes was plotting to use in an attack on Nidarosdomen church in Trondheim.

The church is the most famous in Norway and is a national monument. As well as the crown jewels, Nidarosdomen also houses priceless art treasures.

The church dates back to the 11th Century and is mostly built of stone. Consequently, it cannot be destroyed by fire alone - leading police to believe that Vikernes intended to blow-up the building.

Vikernes is currently on remand awaiting trial for Aarseth's murder. Last week, police received a court order permitting the use of force in obtaining a blood sample from the accused after he objected to the use of a syringe.

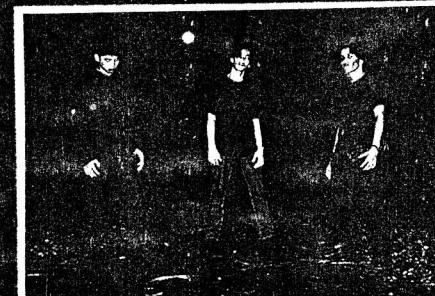

EMBRIONIC DEATH
c/o Pete M.
1 Holzman Dr.
Hampton Bays, NY 11946

Vikernes stated: "Take a blood test, but use a knife, sabre or axe. I refuse to be syringed." His objection to the syringe is based on his opposition to modern medicine.

Police have also re-opened their file on the death of a former associate of Aarseth's. Known only as Dead, the deceased was singer for Aarseth's band Mayhem. Aged 18, he died from gunshot wounds in 1991 in the town of Ski.

The extent of the deceased's injuries made a post mortem difficult. Coroners recorded the death as a suicide, but acting police chief Truls Fyhn comments: "We will investigate all earlier cases in which Satanists may be involved."

PAVOR - EP on cassette (Germany) ***

Pavor salah satu band yg agak lama juga ditubuhkan di Remagen, Germany. Dianggotai oleh 5 orang anggota dan 'material' terbaru band ni ialah cassette EP yang mengandungi 5 buah lagu (2 di side A dan 3 lagu lagi di side B). Umumnya dapatlah dikatakan bahawa PAVOR adalah band death metal yg lebih kurang jugak yang macam banyak terdapat di Germany dan Sweden. Aku diberitahu bahawa vocalist PAVOR dlm EP ni tak menggunakan special effect'dan totally raw/growl voice. Pada penghujung bulan ni PAVOR akan masuk studio utk rakaman album yg bertajuk 'A Pale Debilitating Autumn' melalui label Rainer Landferman (bassist band niae) iaitu IMPERATOR MUSIC. Selain itu juga dalam suratnya pd aku Michael Pelkowsky (drummer PAVOR) akan buat album solo sendiri (One man band) iaitu band Black Metal BEYOND WORTH juga melalui IMPERATOR MUSIC. EP yg diolah dlm bentuk kaset ni menonjolkan bunyi sound yang agak bagus juga dan dijual dgn harga cuma \$US8 Dollar thru PAVOR @ Rainer Landferman. Oberwinter Larchenweg 17.D 53424 Remagen GERMANY. COBAIN THE HESITANT POET OF GRUNGE ROCK !

Kurt Cobain who was found dead last Friday at his home in Seattle was the ragged-voiced product of a Pacific Northwest timber town who helped to create an enormously popular sound known as GRUNGE rock. He was 27. His band **NIRVANA** is the most-important of the half dozen Seattle based musical groups, lumped together as grunge that combined heavy metal with a punk sensibility and dominated popular music in the last four years. With its 1991 album 'Nevermind' NIRVANA put alternative rock, the noisy, iconsmashing spawn of punk rock, into the commercial mainstream. The album sold nearly 10 million copies worldwide, knocked Michael Jackson off the top of the popular music charts and established an anthem for a generation with the song 'Smells like teen Spirit'. Dressed in thrift shop plaid shirts and torn jeans a fashion soon copied by designers around the world, Cobain and the members of his band raged against the material and synthetic trappings of pop music. They concocted a sound that was close to both the nihilistic fury of the punk rock and the tunefulness of THE BEATLES. NIRVANA's popularity signalled the acceptability not only of grunge but also of many other bands once considered far too raw and scruffy for the mainstream. 'NIRVANA will be remembered for revolutionising the state of rock'n roll in the 1990's, pulling it away from a processed, rather synthetic sound and returning it to something more sincere' said Michael Azerrad the author of **Come as you are: The story of Nirvana** published last year by Doubleday. As the group became successful, Cobain struggled with addictions to heroin & alcohol. He was hospitalised last month in Rome after he lapsed into a temporary coma brought on by a combination of drugs and alcohol. The coma forced his band to cut short a European tour. Upon hearing of Cobain's death, his mother Wendy O'Connor said 'Now he's gone and joined that stupid club'. She was referring to rock stars like Jimi Hendrix, Janis Joplin, and Jim Morrison who died young, after problems with drugs. Cobain who grew up in Aberdeen, Washington died in the city where Hendrix another Seattle guitarist is buried. Azerrad who last spoke to Cobain in January said the musician became a heroin addict, in part because of a persistent and unexplained stomach ailment. 'He was also in a fair amount of physical pain' said Azerrad. 'He was very sensitive person, sweet and bright, which are not the best qualities to have if you are rock star'. NIRVANA's last album **In Utero** was released last year to critical acclaim and large sales. Cobain reproached his own fame in songs he wrote for the album, singing 'I do not want what I have got' and 'What's wrong with me?'. Founded in 1986 NIRVANA which included Krist Novoselic on bass and Dave Grohl on Drums, produced its first album **Bleach** in 1990 on the Seattle based Sub Pop label. 'Bleach' was recorded for \$US606 (RM1636) and initially sold 30,000 copies, respectable for an independent label but tiny by commercial standards. The album helped the group establish a strong following on the college circuit with loud live shows that sometimes ended with bouts of equipment smashing. The band recorded its later albums with Geffen Records. The company's president Ed Rosenblatt said 'We are all devastated by the unbelievable tragedy of Kurt Cobain's death.' The band's success coming out of small clubs in a distant corner of the country, helped to clear the path for other Seattle bands like PEARL-JAM and SOUNDGARDEN.

THEODICY – Wound 'Demo 1993 (England) ***

Demo ni telah dirakamkan pd June 93 dan telah dihantar pd bulan lepas utk direvi -ew dlm VFTE fanzine.Terdapat 4 buah lagu dlm demo ni yg dijual dgn harga \$US 6 Dollars.Anggota band ni ialah Ivan-vocal,Steve-guitar, Ian-guitar, PRibb-Bass dan M -artyn-drums.Bagi aku sound dlm demo nie agak memberangsangkan walaupun terdapat bunyi bass yg agak tebal.Terdapat banyak gabungan unsur muzik Doom dan Death Metal spt PARADISE LOST dan MY DYING BRIDE dan bezanya cuma tak ada female backingg vocal aje.Vocalist dgn suara yg raw yang diselang selikan dgn backing vocal.Cover dan kaset yg professional dan utk keterangan lanjut contact **THEODICY @ Steve.29** Violet Close.Chentry.Ipswich.Suffolk IP2 OPL ENGLAND.Support this band okey ?!?!? **MASS PSYCHOSIS - Face'Demo 1994 (USA)***** Joe Luciob-guitar,Doug Grandon-guitar, Tom May-Vocal,Ed Szaloczy-Drums dan John-Zebro-Bass,adalah line up band ni.Demo ini mengandungi 7 lagu yg dlm lingkungan-30 minit.Dijual dgn harga \$US7 Dollars ! Cover color dan printed kaset siap dgn.-litrik sekali.Slow death metal/Thrash adalah'main music'influence bagi band ini Sound memang bagus dan lagu lagunya punyanyang menonjolkan susunan muzik yang padat.Band ni agak lama juga bertapak di New Jersey dan selain demo,mereka juga ada menjual cap,shirt,sweat pant,sticker .etc,berjenama MASS PSYCHOSIS.Utk keterangan lanjut contact **MASS PSYCHOSIS @ Doug Brandon.313 Broad st.Keyport.NJ 07735 USA.** Ok write to this great band ok?

HARMONY - Until I Dreams Demo '93 Sweden

Ini adalah demo yg kedua dihantarkan oleh band ni kpd aku.Demo ni yg mengandungi 3 buah lagu iaitu CREATORS OF DREAMS, THE LIGHT IN ALL THIS DARK dan EVIL SUNZ LOGG 2535.HARMONY dianggotai oleh Peter Karlsson-guitar,Thomas Fyrebo-guitar,Odd Larsson-vocal,bass & keyboards manakala vocalis female pula ialah Ingela Ehrenstrom.Bagi aku demo kali ini lebih mantap dan menampilkan stail muzik HARMONY yg tersendiri.Demo ini lebih slow drpd segi alunan muziknya dan tidak spt demo yg lepas dan kali ni lebih banyak unsur DOOM death metal dimasukan dgn dan banyak penambahan bunyi keyboard yg cukup bermelodic.Jadi tak klah rasa cepat boring dan ketiga tiga lagu dlm demo ni menarik juga.Printed cover dan quality tape ! Keseluruhan masa yg diambil utk demo ni cuma 20 minit dan haroga demo ni cuma \$US6 Dollars in cash dan hantarkan melalui HARMONY @ Peter Karlsson Oxhagsvagen 27B, 645 51 Strangnas SWEDEN !

Hi, greetings galore from Central Europe...

... I dedicate this little message to everybody who may read this !! I am always interested to be in touch with people throughout the world. With those of you who are involved in the local underground, I appreciate all infos and news.

And I am also rather curious to hear and read especially about those into the music "scenes" of less known or even obscure countries - like Tunisia, Morocco, Libya, Egypt, Sambia, Nigeria, Zaire or Mali, etc. (Africa) and Madagascar, Thailand, Corea, China, Taiwan, Laos, Afghanistan, India, Pakistan, Tibet, Mongolia, Nepal, Bhutan, Sri Lanka, Vietnam, Cambodia or Indonesia (Asia), Russia and Siberia, Samoa, Solomon Islands, Tahiti, Fiji, Hawaii and other Pacific islands (Polynesia), Honduras, El Salvador, Belize, Nicaragua, Paraguay, Surinam, Uruguay, Guyana, Jamaica, Bahamas, Cuba and Turk Islands, etc. (West Indies and Latin-America), Gozo, Liechtenstein, San Marino, Iceland, Ukraine, Andorra and Cyprus, etc. (Europe), Lebanon, Iraq, Syria, Jordan and Saudi-Arabia (Near East), Antarctica, Greenland, Tasmania and lots more.....

I welcome every little bit of info to feature and review for future editions of BREAKDOWN, the particular zine I co-write for, probably for forthcoming comp.tapes, as well. I really need your help and I can support you the same.

Bands - please let me know about your releases, send stuff (photo, logo, whatever), I also wanna do interviews, collect vinyl records, tapes, videos, etc. Zine editors - let's trade for your or foreign issues, addresses, tapes, records. Anything is appreciated. If you'd prefer cash I just can buy your stuff. I also do a small solo-project called STIGMA. And I look forward doing my own demo in the near future. I am into any kind of styles - punk / hc / doom / thrash / grind / noise / avantgarde / industrial / gothic...

If you are also (just like me) into human and animal rights, individual equality and autonomy, emancipation, anti-vivisection and other social issues, just feel free to write...

NOTE: No sexist, racist or chauvinist stuff accepted !!!

GORUGOTH - Fiend' Demo 1994 (Japan) **
Ini dia satu lagi band Black Metal dari Japan yg cuma 'One man Band' iaitu Kouzaburou Kojima (vocal,guitar,bass dan drums). Demo ni mengandungi 4 buah lagu dalam lingkungan 25 minit dan dijual dgn harga \$US5 Dollars. Bagi aku GORUGOTH sa tu band Black/Death Metal yg agak lain sedikit drpd yg ada sekarang ni dimana arrangement muziknya agak agresif dgn ketukan drums machine yg laju dan stabil sepanjang dlm lagu lagu dlm demo ni dimainkan,cuma terdapat sedikit aje perubahan dlm susunan ketukan drums band ni Alamat mereka ialah GORUCOTH @ Kouzaburou Kojima.80-9 Takagawara.IShii-chou.M-youzaigun.Tokushima 779-32 JAPAN.

CORPSE - Demo 1993 (Finland) ***

Demo ni dimulakari dgn petikan plucking-guitar utk meneruskan lagu 3 lagu berikutnya. And death metal dari Helsinki Finland ni menonjolkan mutu sounds yg baik dari segi bunyi guitar tapi adunann sound drums yg dimasukan kurang sama levelnya dan menyebabkan ia sikit tenggang. Demo yg diedarkan oleh Dark Shivers ni dijual dgn harga \$US5 Dollars. Cover-demo ni cuma photostat aje walaupun kasiet printed utk lagu lagu yg mengambil masa cuma 19 minit aje. Band ni adalah contoh muzik aliran Finland macam juga masa kita dengar demo DEMIGOD dan yg lain lain dulu. Alamat mereka ialah CORPSE @ Sami Vaulonen.Rapakivenkuja 2E41-00710 HELSINKI FINLAND.

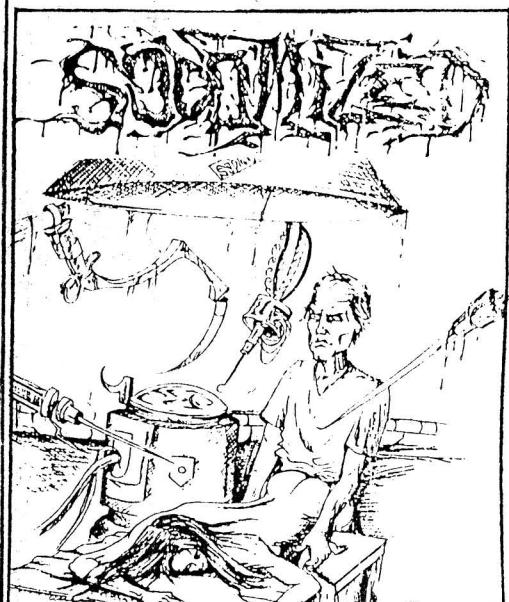

SODOMIZED - Sodomize the Corpse' Demo***

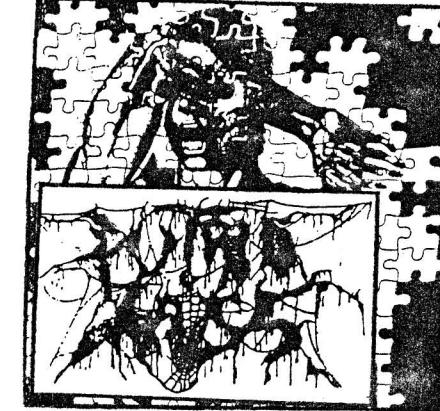

Demo tahun 1993 ni cukup brutal death metal dgn arrangement music yg cukup keemas utk adunan 6 buah lagu keseluruhan nya. Cukup professional production dgn menampilkan Erik-guitar/vox,Dan-drums dan Joe-Bass. Harga demo ni cuma \$US6 Dollars. Bagi aku kalau engkorang beli demo ni kira puas hatila dan aku pun malas nak cerita banyak lagi. Beli aje la ok ? SODOMIZE @ Erik Newton.12580 Eaton Blvd Grafton OH 44044 USA. Support them ok ?

PUTRID MASS - Stripped of my Flesh' Demo '93 *

Band yg berasal dari Wisconsin ni dianggotai oleh BAron-Bass,Red-Guitar dan Brian-drums an-d vocal.Demo yg mengandungi 4 buah lagu dalam lingkungan 20 minit ni dijual dgn harga US \$5 Dollars.Cover demo ni memang cantik dan co-lor daripada segi sounds production agak tenggelam dan aku rasa kurang di mixing de-ngan sempurna.STail ok dengan campuran unsur unsur Doom dan Death Metal macam OBITUARY dan SORROW.Sesiapa yg berminat dgn band ni sila h-ubungi PUTRID MASS @ Brian Rehak.5445 s.tuck-away ct.Milwaukee 53221 USA.

SATAN REPENTS !

DEICIDE leader Glen Benton has spoken exclusively to Mayhem following much speculation over the last minute cancellation of their London Astoria show two weeks back.Benton explained that due to poor ticket pre-sales the promoter Phil Ross had threatened tp pull the gig."I cant blame people for being pissed off"admitt-ed the fiery bassist."But couldnt take the chance of going over there and having the show cancelled."It was a six hour fiery ride over there,Roadrunner was gonna have to dish out about six or seven thousand dollars for security guards,so there was all this money to be lost.Everyone decided that the best thing to do was just not do it so we wouldnt lose any more money !"The records company dosent wanna have to spend seven thousand when the promoters looks loike he's gonna pull out ° When a situation like that arises you have to take a judgement call - and if you -call the wrong shot you lose a lot of money.Everytime we have come to England the-re's always been a problem'he grimly recalls'Either with money or getting into th-e country or people pulling stupid stunts like throwing dogshits bomb over the f-ence .Its one thing after another...°We have to make decisions based on what our situation here are.All i say do is offer my apologies on behalf of the band and say that next time we'll bring over a bigger and better show."So the cancellati-on had nothing to do with animal militia bomb threats? "That was never discussed-

ACTIVIST ? OPPPOSITION ?

Perkenbangan dan prertumbuhan fanzine di Malaysia sekarang ni dah jadi macam cendawan lepas hujan.Wow ! Suatu perkembangan yang sungguh sihat .Jadi terdapatlah bermacam macam jenis fanzine underground yang menghidangkan bermacam macam 'juadah' muzik daripada alternative Punk/Hardcore sampai la ke Black/Death Metal muzik.Aku sokong la diatas perkembangan yg membanggakan nie.Cuma dalam banyak banyak fanzine yg muncul kat Malaysia ni terutamanya yg berintipatikan muzik alternative ni kebanyakan article atau bahan yg disiarkan adalah kurang sihat dan kurang kena pada tempatnya.Sebagai contohnya seperti yg pernah aku terbaca dlm satu fanzine alternative (tak payah sebut nama fanzine tu la...) yg articlenya dlm bahasa Inggeris yg nampak gayanya lebih kearah memburukan nama Malaysia yang tercinta ni.Golongan ni seolah olah mencari kelemahan government kita seolah olah mereka ni puak opposition party tapi tak jugak masuk DAP atau PAS ! Setau aku article dlm bahasa Inggeris tu banyak yg dihantar ke overseas utk dibaca oleh penfriend diorang ataupun dibeli oleh bebudak underground kat sana !! Jadi disini kita sendiri menonjol nonjolkan sendiri ataupun mencari cari sendiri kelemahan negara kita sendiri utk disogokan pada orang luar ? Macam tu ke ? Bagi satu dunia tau yang Malaysia ni sangat tak adil,kejam,tak pentingksan rakyat dan sebagainya ? Bagi aku tak salah kalau diorang nak tunjukan rasa tak puas hati diorang ni melalui fanzine tapi buat la article dlm bahasa Malaysia dan edarkan sebanyak banyaknya kat mat mat underground,Malaysia ni supaya diorang faham dan dapat berfikir sendiri.Aku rasa pendekatan ni lebih bermakna !! Kalau kita perhatikan sekarang ni media media di Britain senjaja nak mencari cari kelemahan negara kita dan merendah rendahkan kedudukan kita,jadi takanlah kita pun nak turut memeriahkan lagi keadaan macam nie ? Aku nak syorkan la pada editor especially yg extreme sangat dgn alternative Punk n i supaya janganlah terlalu 'alternative'sangat sampai menjatuhkan martabat kita sebndiri sebagai rakyat Malaysia.secara tak langsung ! Aku bukannya nak backing government tapi sbg rakyat Malaysia yg sensitif kita perlu juga ambil kira masalah macam ni ok ? Terus terang aku cakap aku memang suka dgn muzik yang beralternative ni yg mengetengahkan soal life,social,politic dan sebagainya yg boleh dikongsi bersama dan difikirkan bersama dan mungkin akan sampai satu tahap dimana kita sendiri akan dapat merubah keadaan seperti yg kita mahukan.Mungkin !!!

ABSOLUTE CRUSHING DEATH METAL

NORWEGIAN BLACK METAL TERRORIST (Bhagian Akhir)

Fanzine issue 9 telah aku terima dan disini aku nak add beberapa fakta tentang black metaller's **BURZUM** dan Inner Circlenya sebelum artikel itu dikeluarkan ada satu artikel lain mengenai penangkapan Count Grishnact atas tuduhan membakar beberapa buah gereja disekitar Norway dan dia mengaku membakar gereja itu didalam akhbar harian di Norway dan sekiranya didapati bersalah mungkin dikenakan 20 tahun penjara. Dia ditangkap bersama teman wanitanya Suvi Purunen. Gitarist **BURZUM** iaitu Samoth juga ditangkap kemudian dan dibebaskan. Samoth juga bermain gitar dalam **BURZUM** dan **EMPEROR** dan menggelarkan dirinya 'The Lord of Silence' dan difahamkan jarang bercakap mahupun ketawa. Album pertama **BURZUM**'Aske' telah dikeluarkan dalam bahasa asli Norway. Selepas itu artikel yg **VORTEX FROM THE EAST** keluarkan dan 5 minggu selepas itu **Euronymous** 24 yg merupakan Godfather Black Metal Norway dan selaku tuan punya kedai muzik 'Helvete' (Hell) telah dijumpai mati dibunuh di apartmentnya. Dia telah ditikam beberapa kali dibahagian dada, leher, dan tangan. Polis Norway menangkap Count Grishnact sekali lagi dan dibebaskan kerana ada saksi mengatakan dia berada jauh dari tempat kejadian. Tetapi akhirnya saksi tersebut mengaku salah memberi kenyataan. Count sekali lagi ditangkap dan memberikan kenyataan bahawa kematian **Euronymous** tidak memberikan apa apa kesedihan apa pun padanya dan sebaliknya beliau akan kencing dan menari diatas kubur **Euronymous**. Tiga minggu selepas kematian **Euronymous** seorang drpd anggota band **EMPEROR** telah mengaku membunuh seorang homoseksual serta membakar gereja. Nama anggota tersebut ialah Bard Faust berusia 19 mengaku membunuh Magne Andreassen dibandar Lillehammer. Bard telah mengaku apabila dinasihat oleh peguamnya. Pembunuhan itu berlaku pada 24 Ogos 1992 ketika Bard berumur 18 tahun. Magne cuba menyodong Bard tapi bard telah menikam Magne sebanyak 30 kali dengan menggunakan pisau. Bard Faust juga berkerja di kedai muzik milik **Euronymous**. Bard juga telah menerbitkan jurnal mengenai satanism dan mengajar cara pemujahan syaitan dan menggunakan nama pena Orcutus Magasin. Selepas itu polis Norway telah membuat siasatan tentang beberapa pembunuhan dan kes kes lain yg disyaki mempunyai kaitan dengan Inner Circle black metal di Norway. Dalam siasatan itu banyak penangkapan dibuat dan rumah Count Grishnact telah digeledah dan didapati mempunyai 150 Dynamite yg diperlukan untuk meletupkan gereja bersejarah di Trondheim dan polis menjumpai beberapa barang kemas yg diperbuat drpd tulang tulang manusia dirumah **Euronymous**. Polis juga membuka balik kes kematian misteri Dead iaitu vocalist **MAYHEM** yg dikatakan membunuh diri. Dalam siri keluaran yg lain ada memaparkan tentang komen Glen Benton dari **DEICIDE** yg membuat kenyataan yg dia ada mendengar yg **Euronymous** ada berkata **DEICIDE** begitu komersial dan Glen menjawab "Saya bukan komersial dan kalau saya komersial saya sudah kaya tapi sebaliknya". Bila ditanya adakah beliau takut dengan 'The Lord of Silence' akan lakukan pada awak Glen menjawab 'Tidak!' Soalan lain yg ditanya pd Glen ialah Kamu tidak kelihatan ganas kecuali kalau kamu menconteng muka dan Glen menjawab "Anak saya menconteng mukanya dengan menggunakan make-up mak saya. Kanak kanak saje menconteng muka dan saya tahu saya hodoh dan tak payah menconteng muka untuk kelihatan menakutkan."

P.S. / Article ini diterjemahkan daripada Majalah KERRANG dan maaf la kalau ada bahasa yg tonggang terbalik dan aku harap engkorang faham sudah la okey ?

MORPHOSIS - Modus Operandi Demo'93 (Ire) **
 Demo yg mengambil masa 24 minit ni dgn 4 buah lagu ni telah dirakamkan di Pulse studio di Dublin Ireland pd bulan August tahun lepas adalah band dari Ireland yg pertama pernah disiarkan dlm fanzine ni. Brutal/Grind/Death Metal adalah jenis muzik yg dapatt aku labelkan utk band ni. Susunan muzik padat, sound cukup heavy tapi adunan sound kese-luruhannya sikit tenggelam drpd segi mutu-sound walaupun heavy ! Anggota band ni ialah Pete Richardson-vocals, David Thomas-Bass Vinnie O'Brien-guitar dan Pete Murray-drums. Suara vocalist growl habis ! Bagi aku demo ni mungkin dpt menawan kalbu mat mat Grind-ore/brutal death metal yg sealiran dgn NAPALM DEATH, MONSTROSITY, REPULSION...etc !!!! Demo ni dijual dgn hardga US\$7 Dollars. Hantarkan cash money kpd. Vimie O'Brien. 13 Ke-w Park. Lucan. Co. Dublin. IRELAND. Support'em!

CRYPT MALEDICTION

This band was formed on 5th December 1993 and the founders are Lan and Zul. At first they could not find suitable members until they met Meo who plays drums with this bands. In the middle of December Rimi joined this band on vocal. At this time Toejo handled the bass but later he left the band to further his studies in ITM Johor. Then they decided to take Shamn as their new bassist and all of them are studying in local university in KL. The line up is completed. Unfortunately Lan has left the band due to lack of concera-tion and determination with this band. Later FAkar replace Lan as the lead guitarist but another misfortune struckst-his band for he too left the band. They found a guy called Qamjat as their third and new guitarist. Until now they have been jamming together to prepare for their own material. Influences come from CANCER, SEPULTURA, SODOM, TE RRORTIZER and FEAR FACTORY. The current line up is Qamjat-Lead guitar, ZUL-rhythm guitar, Shamn-bass, Meo-drums and Rimi-vocals. Write to CRYPT MALEDICTION @ Rimi Abdul Rahman Lot 11A Jalan 40 Kg. DESPERATE CORRUPTION - Demo'94 (Jap) **
 Macam dah jadi satu trend pulak kat Jepun banyak band yg muncul jenis macam nie iaitu Grind/Brutal Death Metal termasuklah ban ni. Kalau tak caya cuba engkorang peratikan muzik GORE BEYOND NECROPSY, ERODED dan MAGGOTY CORPSE, lebih kurang aje. Tapi band ni mengemukakan mutu sound yg cukup memuaskan. Muzik death metal yg diselang selikan dgn ketukan drums yg laju memasukan keseluruhan 5 lagu yg ada dlm demo ini. Harganya cuma \$US5 Dollars thru @ Mitsuhiro Maeda. 303.2-19-39. Shimomuneoka. Shiki-city. Saitama 353 JAPAN. Great !!!

Ok ini dia satu band yg agak berpotensi yg berasal dari Ipoh iaitu band **LANGSUIR**. Interview bawah ni sebenarnya aku buat melalui surat kpd drummer band ni tapi interview ni telah dijawab oleh second guitarist band ni
Ok mari kita check interview ni ok !

1. VORTEX - BILAKAH LANGSUIR DITUBUHKAN ? SIAPAKAH ANGGOTA ASAL BAND NI ?

Sam - Mei 1991 ! Anggota asal aku,Azlan dan Azman.Kami mula cuma 3 piece lepasnya biasa la bila jam rasa macam ada yg kurang je,tu pasal kami jadi 5 piece sekarang. Itu pun pakai sessioned bass.Susah nak cari yg sekepala dlm satu band ni kan ? Han pun dah main berapa band sekarang...

2. VORTEX - KENAPA NAMA BAND NI LANGSUIR DAN BUKANNYA JEMBALANG ATAU HANTU RAYA ?

Sam - Ni la nama paling obscure sekali pada kami.Tapi ada pulak yg bunjtt kelakar dgn na n kami buat flyers layang (penakut) dan cond mn kami sbg glam Rock.Aku rasa diorang ni lagi kelakar konon extreme tapi buat benda stail dayus !

3. VORTEX - ADA TAK KELIARKAN DEMOM BARU SELEPAS DEMO PERTAMA DULU TU ?

Sam - Takde buat masa ni ! Tunggu la August/September'94 ni keluaran' terkejam' drpd LANGSUIR.Totml mystrc and occult.Masalah sekarang duit !!!

4. VORTEX - APAKAH INFLUENCE MUSIC YG LANGSUIR LEBIH TEKAN IN ?

Sam - Death Metal ! Tapi berkisar kpd occult,death dan mystery.Takde cerita social.Ada juga kami mengkaji buniyan Bla:k Metal di overseas.Buat releases kami yg kedua nanti aku secara individu dapat ispirasi drpd ilmu ghaib melayu lama.Walaupun aku berminat tentang occult western tapi aku rasa kita punya lagi mystic.Ada sapa sapa yg nak rasa santau ?

5. VORTEX - BETUL KE LANGSUIR NI MAIN MUZIK BLACK METAL MACAM YG AKU DENGAR ?

Sam - Rasa macam malas nak explain.LANGSUIR 100 percents not a Black Metal band.TAkde la tercetus dihati kami nak jadi Black Metaller's.Kan ke extreme tu ?!!!

6. VORTEX - KENAPA KERANYAKAN LIRIK LAGU LAGU LANGSUIR BANYAK PASAL ALAM MELAYU MACAM YG BERKAITAN KEMENYAN, BOMOH, ILMU HITAM...etc ? MINAT NAK JADI BOMOH KOT ?

Sam - Pasal benda ni paling mystic.Baik aku kaji latarbelakang sendiri drpd. jerit nama nama pelik yg wujud kat Europah sana tu.Agaknya mau ke salji turun kat MALaysia ni ? (ed- Mungkin jugak ! Nun kat Thailand sana salji ada turun!)

ABRAXAS - '? Songs'Tape 1992 (Japan) *

Ini cuma rehearsal tape yg diorang hantar pd aku.BAnd dari Shizuoka Jepun ni menon-jolkan muzik Grindcore yg agak panjang da-n tak spt biasa.TIada songs title untuk-rehearsal ni.Dan ia juga tidak utk dijual cuma hantarkan blank tape utk dengar free Sound rehearsal ni agak bising dan kesemu-a lagu dlm demo ni dlm lingkungan 15 mi-nit aje.Sapa sapa yg 'kaki grind'tu jangan lepaskan peluang ni ok ? Engkorang boleh la tulis surat dan tanya perkembangan ter-baru pasal band ni ok ? Alamat mereka ia-lah @ Tadayoshi B-5 Yamanote Ms.35-30 Y-amate Hamamatsu.Shizuoka 432 JAPAN.Yezz !

7. VORTEX - ENKAU PERASAN TAK BANYAK BLACK METALLER' KAT KL NI YG BENGANG DGN BAND LANGSUIR NI ?

Sam - Normal la tu ! Lagi pun aku memang tak senang dgn scene Black METal kat Malaysia ni yg kononnya extreme ! Hah ! Hang buat kelakar apa ? Cuba list kat aku band apa yg betul betul ambik Black Metal as a lifestyle di Malaysia nie ? Yang kena cultural shock tu banyak la.Pada aku Black Metal tu satu the way of life jadi takde la eastern Black Metal ke atau western Black Metal ke.Black metal bukan imej tak kan itu pun nak kena bagi tau,hang tentu lebih arif kan ??? DAN sebab Black METal tu bukan imej jadi **LANGSUIR** tu bukannya band Black Metal. Kalau Black METAL tu sekadar muzik dah lama LANGSUIR jadi Black METaller's !

8. VORTEX - AKU ADA BACA DLM SATU LOCAL FANZINE YG LANGSUIR MENGATAKAN KURANG SENANG DGN BLACK METAL SCENE.TAPI DLM SATU SHOW KAT KL ENCKORANG ADA BAWA COV-ER SONGS DRPD ROTTING CHRIST DAN IMPALED NAZARENE ! JADI MACAMANA NI ?

Sam - Bukan aku kurang senang dgn Black Metal keseluruhannya cuma dlm Malaysia aje.Susah nak cari yg betul betul extreme.MAcam band **ENDLESS** (Dlm issue 10 Vor-tex FFrom The East) cakap dia sendiri ngaku dia bukan true,betul tak ? Jadi,buat apa aku praise benda yg fakes.Unity kalau sekali dgn fakes buat apa ! Makin buat jahanam scene ada la.Dekat Brunei sana tu lagi la hancur.Aku pun tengah confuse ada ke band yg mampu jadi true Black METaller's kat Malaysia ni ? Lagi pun aku belum jumpa lagi ! Yang kami main cover songs tu apa salahnya ? Kami occult tak kan nak main lagu NAPALM DEATH atau BENEDICTION.Kita main lagu tu marah pulak nanti.NAk main lagu band occult lain ? Apa yg menarik ? Selain **absu** aku tak jumpa band band occult yg menarik utk dimainkan.So utk gigs kami akan datang . kami akan cover 'Descent to ACheron'.Kami cover lagu CELTIC FROST'Mexican Radio' dan UNLEASHED'The Immortal'tu tak tanya ke ? IMPALED NAZARENE BM ke ? (Habis tu ROTTING CHRIST nak letak mana ! ed-)

9. MACAMANA DGN PEMULAUAN UNDERGROUNERS BRUNEI TERHADAP LANGSUIR ? MACAMANA BOLEH JADI MACAM TU ?

Sam - Pegi lantak la dgn diorang.Diorang pulau pun bukannya demo kami tak terjual.Agaknya diorang boleh boleh pakat satu dunia boikot LANGSUIR kot ??? Sebabnya,kami memang muak dgn budak budak kat sana.Utk pengetahuan lanjut tanyalah FUNERALITY.TOMBCRUSHER,DEATH MARQUEVELLA'zine atau budak budak area Tutong.Kalau kena kelentong aku tak jamin.Tutong area penuh dgn.worthless shits and junks.NAma pun Tutong sure banyak kelentong punya !

10. VORTEX - APA PERKEMBANGAN TERRARU PERGERAKAN MUZIK UNDERGROUND KAT IPOH BUAT MASA SEKARANG NI ?

Sam - Biasa la,tak de apa.Banyak orang list Ipoh as Rip Off.Lantak korang la. SEtau aku LANGSUIR tak rip off.Band band kat sini nyampah dgn budak budak yang tulis bukan jadi buat apa nak balas.Interview apa jadah macam sial!!! Bab band band sini masih aktif dan banyak dlm proses mengeluarkan demo sendiri macam NECROTIC CHAOS dan PROFANE CREATION.

11. VORTEX - BIAT MASA NI APA AKTIVITI LANGSUIR ? BILO NAK BIAT GIG LAGI ?

Sam - Lembab ! Aku study kat JB , Ajiz drummer kerja kat KL. Lan dgn Man ada kat Ipoh. Susah nak jam. Tapi kalau ada kesempatan kami prepare lagu baru. Ini ada berita baik utk peminat LANGSUIR dimana kami dah siapkan 2 lagu real ki-ller and occult journey. Tak tau la bila nak buat gig lagi. Kalau ada mungkin aku bawa elemen yg mistik dan yg telah aku kaji bukan main hentam kromo !

12. VORTEX - SECARA RINGKAS DAN JUJUR PANDANGAN ENKAU PASAL FANZINE AKU NI ?

Sam - Aku rate zine hang top 5 dlm Malaysia. TAK banyak benda yg boleh aku nak komen buruk mengenai VORTEX FROM THE EAST. Puas hati la kan. Tapi aku tak berapa syok dgn ruangan pendapat (aku tak harap hang seja sekata dgn aku) hang tu ! Photocopy tu ok la setakat boleh baca. WALAUPUN aku tak pernah subscribe aku cari juga peluang utk baca issue issue lama. Keep on a good work !

13. VORTEX - APAKAH PLANNING LANGSUIR DI MASA HADAPAN ?

Sam - Release something menarik, betul betul menarik. Buat gig yg energetic dan release new stuff dan harap harap bukan demo lagi la kan. Nak spread nama LANGSUIR tanpa misunderstanding.

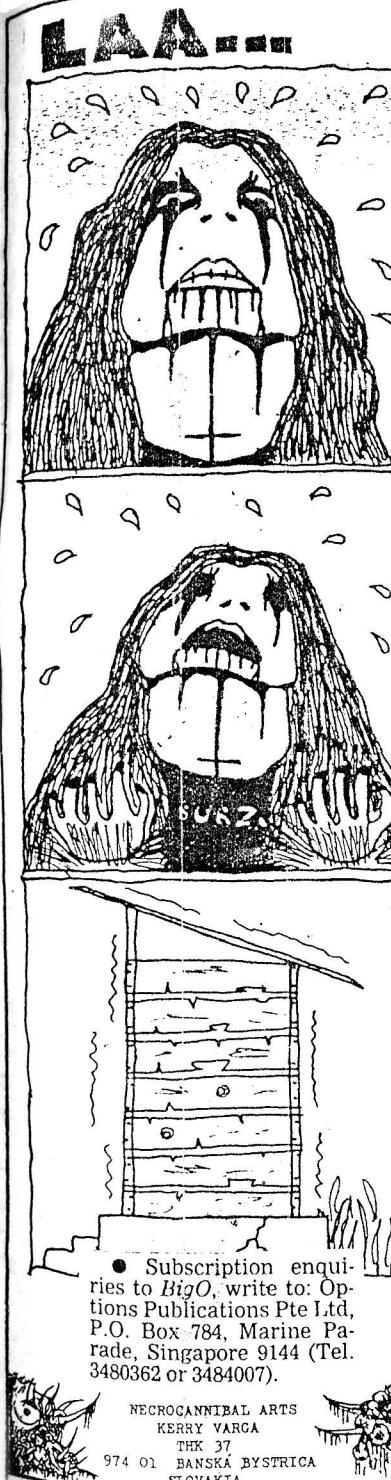

14. VORTEX - LAST KOMEN ?

Sam - Demo still avarlabi € RM6 (M' : a only). E ia here (US\$6). T-shirt absolute -ly habis, jangan order lagi ok ? Sapa sapa yg nak berinteraksi tu include 30¢ stem kalau nak balasan cepat. Zines editor rentikan le minta demo free drpd. kami, kami tak kan bagi punya.
